BLOOMING LOVELY

What a stunning sight and it's all down to Councillor Paul Fido...

September 2023

EDITOR'S RAMBLINGS

Better late than never is the old adage, isn't it? And that firmly applies to the mag this month.

Anyway, the summer has finally arrived – typically when the children have gone back to school – and we are now basking in a heatwave. Enjoy it while it lasts as before you know it, autumn will be here.

It was a nice surprise to get some email correspondence from readers this month – we need more – albeit with issues they needed to get off their collective chests. Some controversial/

contentious views, perhaps? If you don't agree with them – or if you do – why not write in and tell us.

The village has been in bloom of late and it's all thanks to Councillor Paul Fido, who has painstakingly taken it upon himself to bring colour and vibrancy to certain parts of the village, especially The Parklands. Great job.

There's another Sudbrooke Showdown (page 24) this month, while the gardening club enjoyed a visit to a garden in Grasby (p12-13). And why not indeed. Don't go near the water. Dom

SUDBROOKE GARDENING CLUB

With Peter Gimson

Being the Summer months, peak times for most gardens the Garden Club has been fairly active. We enjoyed a low key evening get together, with some wine and cheese and not forgetting cake in Coral's garden, then a memorable visit to Clumber Park with a tour around the walled garden, I shall long remember the fabulous avenue of mature trees down the main drive and Bill's interesting and entertaining explanation of the walled garden.

The members also visited Mill Farm Garden at Grasby. This is a medium-sized private garden which does have open days when the public can visit. Like the visit to Clumber Park the weather was not on our side, cool, cloudy and a little rain. But what a lovely garden, with features installed over time as the owner's ambition and ability grew.

What will you find around the next corner, were my thoughts as I wandered around.

It is a brave gardener who started this garden on the top of a hill ... but didn't they do well?! It is a very interesting garden established over 20 years and with growing knowledge of the land and gardening skills, came new ideas and this is reflected in the many different areas.

Prairie garden, exotic planting, unusual plants, raised beds, alpine house, pots and topiary, vegetables and many more all included! Not to mention the wonderful views all around. On site is the base of a windmill which has been turned into a unique fern / shade garden.

So well worth a visit, if you are passing or in the vicinity Take a look at their website gallery for opening days and times. Self serve tea and coffee and a biscuit are included.

Open your garden with the National Garden Scheme

You could help some of the UK's vital nursing and health charities including Macmillan, Marie Curie and Parkinsons UK by opening your garden to the public for just one day. We raise millions of pounds with the National Garden Scheme each year to share with these and many more nominated healthcare charities. Many garden owners get great pleasure sharing their gardens and you could too! We are looking for gardens big or small with quality, character and interest.

If you would like to know more and find out if your garden is suitable, please contact us for a friendly chat;

DIocese REVIEW... AND IT'S NOT GOOD NEWS

► Dealing with disappointments and their consequences can be so difficult at times, can't it?

We all discover that in life and I have certainly discovered it in my 17 years of ministry. Things I thought would always be, are no longer.

That is very true in the Diocese of Lincoln at the moment as we have embarked on a programme of change under the heading of 'Time to Change Together'.

Before the pandemic, the Diocese (covering Lincolnshire, North East Lincolnshire and North Lincolnshire) came to the view that it needed to reorganise.

There are around 630 church buildings in the Diocese, many of which have very small congregations, and sadly the pandemic has accelerated the closure or temporary closure of a few of them.

Worshipping congregations have decreased in size and inevitably the income that is required to pay a stipend (salary) to clergy has reduced.

This has meant a major review of all sorts of aspects of life in the Diocese – its finance, assets and investments; how we bring about growing church numbers; how paid clergy are deployed; how lay ministers are deployed; what worship can be supported and where; what central services of the church can be financed in order to support the legal and safeguarding functions of the church. And so it goes on.... It is major change. The outcome of

all of these discussions is beginning to bite in parishes. The number of paid clergy in the Diocese is now down to 84 (from 125 in 2020).

In 2022, parishes were asked to covenant finance in order to cover the costs of paid ministry through to 2025 and this now determines the number of paid clergy in the Deanery, which runs from Glentham, through Welton, Dunholme and Scothern, south to Greetwell and Cherry Willingham, round to Burton and through Nettleham and up the A15 to Fillingham; 27 church communities, to be covered eventually by three paid priests (carrying one vacancy currently) plus those who give of their time having 'retired' alongside lay ministers.

It is unlikely that this will change in the near future, and it means that many churches do not have a member of the clergy resident among them.

I recognise this is not ideal, but it is where we are. It will be further complicated when I retire in January 2024, however, it is likely that I will be replaced, but whoever is my replacement will be given additional responsibilities as well as the parishes here.

It is incumbent on all of us who wish to see healthy churches at the heart of our communities to support in whatever way we can.

If you think you can help, contact your local churchwarden, or someone you know who goes to church – I am sure they will point you to the right people

Despite the ups and downs of our summer weather both home and abroad members of Lindsey u3a have continued to meet and socialise. As ever we offer anyone not in full-time employment the opportunity to attend a monthly general meeting at Welton Village Hall on the first Thursday of the month. Doors open for a cuppa and a biscuit at 9.45am followed by a speaker at 10.30am.

Some of us are more gregarious than others and thrive on meeting new people and sharing experiences, while others are more reserved and need encouragement to join in. At Lindsey u3a we aim to give a warm welcome to everyone, so if you are attending one of our meetings for the first time please inform someone on Reception and one of our friendly "Greeters" will show you round and answer questions.

Our next meeting will be on September 7 when "Fools Gold" will be playing and singing folk songs from NE England. Carol and Steve are acoustic musicians and will entertain us with images, stories and songs from industrial Britain encompassing tragedies, mysteries, romances and so much more. We might even be singing along!

On October 5, broadcaster Rod Whiting, who was the longest serving breakfast presenter on Radio Lincolnshire, will be entertaining us with stories from his 30-year career in media. He is currently on "Boom Radio". We can expect some interesting and probably amusing inside information about his life in broadcasting.

Our many interest groups cover a range of physical, creative, historical, discussion and learning activities plus visits to the

theatre and places of interest. Check them out on our website lindseyu3a.org.uk

If you can't come to one of our general meetings you could join us at the 'Gardeners' Retreat' tearoom at Scothern Nurseries for a cuppa and a chat at 10.15am on the fourth Thursday of the month. The next get together will take place on September 27, so whether you're a

newcomer wanting to know more about Lindsey u3a or if you're already a member and just fancy a cuppa, maybe a scone and a chat do come along. Everyone is welcome.

▶ The tickets for the Christmas Raffle are now available for sale and I have several prizes promised already. The tickets will be on sale in local shops, with all drivers and at the Autumn Fayre which is being held on Saturday 28 October in Welton Village Hall.

Tickets are priced £1 each or £5 for a book of 5. If anyone has a business or has contacts with a business who would be willing to offer a prize for this raffle, please let me know. This could be the garage who services your car, your local pub or favourite restaurant/ coffee shop or a couple of hours gardening from your local friendly gardener. Anyone who may be able to offer something!

The raffle last year raised £2,529 which was a fantastic amount but I would like to exceed that amount this year!

At the Autumn Fayre, we are using the Welton Room for stallholders selling their own crafts and will advertise this on the posters and on local radio. We currently, at the time of writing this, have 12 stalls booked which is the maximum we can accommodate. I am happy to take names for any cancellations we might have.

If anyone would like to donate a bottle of wine for the wine or water stall or cakes for the cake stall and café please get in touch and collection can be arranged.

We are still selling good quality items on Facebook Market Place and eBay.

Thanks to everyone who has donated items to sell.

Finally, could I reiterate my request that those needing transport to medical appointments should book through the Health Centre as soon as you are given a date.?

Please also give as much information as possible full name, address with postcode if your appointment is out of the local area and an estimate of how long the

appointment is likely to take. We are NOT a taxi service and, as all of the drivers are volunteers

they have their own lives to lead meaning that on occasions available drivers may be limited.

Health centre staff are aware that there is some confusion around the new section of the building which was the old library. Since I reported on this in the August magazine, I have been asked to say that, although the main entrance to be used is still the one with the ramp, the reception desk in the new waiting room down the stairs will be manned daily until 5pm and the door out of that area can be opened to allow patients to exit the building.

Dates for our events in 2023 are

- Autumn Fayre.....October 28
- Christmas lunch tickets on sale
- October 30
- Christmas lunch.....December 8
- Raffle Draw..... December 15

Any further information on any of the above don't hesitate to give me a call.
