# EDITOR'S RAMBLINGS

Big changes are afoot at **Sudbrooke News**... we're going bi-monthly, which means from February next year, the magazine will be out every two months, rather than every month (give or take the summer and Christmas editions).

There are a couple of reasons, for this, which are financial and logistical – fewer editions means less printing costs, while it also means it gives me more time to get the magazines out, something which has been a struggle of late, especially these past few months.

Village news and features are also a

bit thin on the ground nowadays, so coming out every two months gives us (er, me) the chance to get some articles together which would interest readers, although villagers are more than welcome to send any bits of interest in to me... the readers' letters, in particular, used to be some of the most read pages of the magazine (hint, hint), but they are becoming very seldom nowadays.

Anyway, we'll sign off for 2023 and will be back in 2024. Merry Christmas to all of you. Winter symphony. Dom

This was agreed by those present.

► That the notes be signed as minutes proposed by Councillor Paul Fido, seconded by Councillor Dave Scott and Resolved.

### 5 ■ COUNTY COUNCILLORS AND DISTRICT COUNCILLOR REPORTS

► District Councillor Baptiste Velan had sent information on information and action re. Storm Babet and details regarding available funding.

► Grass encroachment/upgrading of path to cycleway, Wragby Road – update from CC Sue Rawlins – it was understood that a meeting with a Highways Officer was still trying to be arranged.

► Scothern Lane – Report re. speeding survey by Lincolnshire Road Safety Partnership – Detail as follows:  
The calibrated technical data recording equipment was located in the following locations:

1. 23100405: Scothern Lane, Sudbrooke: on a double bend sign. Analysis of the speed data showed that the average speed of vehicles was 31.9 mph in a 40 mph limit. The speed data showed evidence some vehicles were exceeding the speed limit at a speed that would make the drivers liable to action or prosecution by the Police.

# PARISH COUNCIL MINUTES

## 6 ■ REPORTS ON MATTERS OUTSTANDING cont...

2. 23100408: Holme Drive, Sudbrooke: On a lamp post outside number 55. Analysis of the speed data showed that the average speed of vehicles was 26.4 mph in a 30 mph limit. The speed data showed evidence some vehicles were exceeding the speed limit at a speed that would make the drivers liable to action or prosecution by the Police.

The surveys commenced on October 5, 2023 and they continued for a full seven-day period.

The collisions have been researched involving personal injury for the last three-year period up to a data date of 30/04/2022 and there has been only recorded collision, which was on Scothern Lane junction with Sudbrooke Lane.

Highways engineers within the Road Safety Partnership have assessed the area and inform me that no engineering casualty reduction measures were identified.

Councillors discussed the possibility of purchasing a Speed Indicator Device which could be moved to different locations. However, this would require a team of willing persons who would move the device and collect the data.

The Clerk would obtain a quotation of a device similar to that used in neighbouring villages and this would be an agenda item for the next meeting.

► Reply to Chairman's letter from Marc Jones, Police and Crime Commissioner – A reply had been received from the local Community Police Inspector who stated that the decision to cut PCSO numbers was a difficult decision the force had to make due to the budget constraints and was not a decision taken lightly.

► Section 106 Agreement, Church Lane – update from County and District Councillors – It was understood that payment for the footpath from the Church around Two Corners had been made to the County Council, however the continuation of the footpath to the parish boundary was the responsibility of the developer of Poachers Lane.

CC Sue Rawlins had stated that she would pursue the section of footway with LCC for which they had received funds.

► That the Parish Council contact the developer of Poachers Lane requesting that the footway be constructed unanimously Resolved.

► Request for pedestrian crossing on the A158 – reply from CC Sue Rawlins – This was still being pursued.

► To consider cost of basketball nets and whether this could be a request for funding from the IGas Community Fund.

► Christmas Tree and Switch-on event – arrangements to date – The tree had been ordered and Glendale would site and erect it. A local resident would fit the lights.

The switch on event would be held on Sunday 26 November from 4pm.

- Mulled wine purchased
- Nettleham Co-op had offered 120 mince pies
- The local Scouts had offered the loan of a double burner and a gazebo
- The Clerk was purchasing raffle prizes
- Heatproof cups had been purchased

The event would be funded by £200 grant from District Councillor's Community Fund, £90 donation from Coronation Event, £115 proceeds from last year's event.

## 14 ■ PLANNING

► A) Application 147131 – Land south of  
Barfield Lane, Reepham – construction  
and operation of a Battery Energy  
Storage System (BESS) including  
substations, inverters, transformer  
stations, cabling, fencing, internal  
service track and landscaping –  
Following obtaining further information  
from District Councillors and discussion  
that the following comments be  
forwarded to WLDC unanimously  
Resolved:

'Sudbrooke Parish Council object to the  
above application on grounds that  
safety precautions do not appear to  
have been taken into account.

It is also requested that determina-  
tion of the application should be made  
at full Planning Committee.'

► B) Application 147319 – Kalon, 38  
Scothern Lane – To ratify comments  
sent to WLDC by the Clerk under  
delegated authority:

'This proposal is for a large family home,  
not something that caters for younger  
or specialist elderly. Large family homes  
are catered for in the Parklands devel-  
opment.

'The existing small bungalow has  
been demolished and the plan for a  
four-bed det, with detached double  
garage does not integrate well with the  
existing street pattern and does not  
protect the amenity of neighbouring  
occupiers. The scale of the proposal is  
not in line with neighbouring properties.

'Is there any evidence that the  
neighbours affected by the proposal  
have been consulted, other than their  
ability to respond to the WLDC planning  
application.'

That the above comments be ratified  
unanimously Resolved.

had been taken out for another year at same price of £7.50 a month.

- November 20 – the work to the canopy of the Holme Oak trees at Park gates would be carried out.
- A report of unsatisfactory finishing of work by carried out by Anglian Water on Church Lane had been reported to Fix my Street.

## 17 ■ SUDBROOKE NEWS

► To consider changing to bi-monthly magazines - The Chair invited Dominic Picksley, Editor of the Sudbrooke News, to speak.

Mr Picksley stated there had been problems with the current printers in the delay of publishing for various reasons resulting in the magazine being later each month in hitting doorsteps. He also felt that producing a bi-monthly magazine would reduce the pressure on him and also make a reduction in the printing costs.

It was agreed therefore that the magazine become bi-monthly from the December/January issue.

To consider quotation from alternative printer – a quotation had been reduced from Visual Print and Design for the printing of the magazine at a cost of £395.00 per publication. It was noted that this was a slight increase on the current costs, but assurance had been made that the turnaround would be much quicker.

That this quotation be accepted unanimously Resolved.

## 18 ■ CHAIRMAN'S REPORT

► Nothing further to report.

## 19 ■ DATE OF NEXT MEETING

► 7.30pm, Thursday 7 December 2023, Bramham Lounge, Village Hall.

# SNOW IN SUDBROOKE

## LET IT SNOW, LET IT SNOW, LET IT SNOW...

Residents awoke one Sunday morning earlier in the month to find everything covered in the white stuff after a heavy downpour overnight. It meant those rarely-used sledges could finally be dug out of the shed (literally in some cases), snowball fights broke out, while a good old-fashioned walk in the snow was also on the agenda for many as Sudbrooke suddenly resembled a Christmas card. And then by the next day, most of it was gone, with the rain coming to spoil everyone's fun by washing most of it away...

# THE CHURCH DIARY

With Revd Jess Bellshaw

## BRINGING HOPE THIS CHRISTMAS TIME

► What a couple of months it has been! I wonder if you've had a moment where you've watched the news or read the paper and seen what's going on in the Middle East or even closer to home and felt the absence of anything hopeful.

I think we all have that underlying need to have hope, the sense that things are going to improve and get better. Sometimes it appears to be in short supply!

This year with the prospect of Christmas fast approaching, December begins our journey through Advent.

Advent is the start of the church year, a time of new beginnings. Traditionally, like Lent, it is a season of preparation and of waiting. I don't know about you, but I find hope can seem to be distant in seasons of waiting.

It's easy to get frustrated and impatient in our waiting but having hope can help us overcome difficult situations.

Hope can stop us from being deterred, as it points us forward to new possibilities. When we have hope we often find things easier to manage.

Christmas is the time when we remember that God came down to a broken and hurting world, stepping into the mess to bring us hope, peace, love and joy.

The hope of joy, indeed the hope of Advent couldn't settle anywhere other than with Jesus. God in human form, come to earth to show us love, to bring hope and peace and joy. God loves you...just as you are. He offers to you a hope for the present and the future.

As we perhaps enjoy time catching up with friends and family over the next few weeks and the Christmas period itself, I wonder where you will find hope, and who you might offer hope to?

Jesus came to be your Hope. That is what we offer you this Christmas – something deeper. The invitation of God to come and look, come and see this Christ-child in a new light and new way – to focus back on the birth of Jesus and to consider it in relation to your own life, love and eternity.

Come and join in as we celebrate His meaningful birth. May you know God's richest blessings this Christmas and new year.

HAVE you made any New Year's resolutions? Forget about giving up something, but instead think about doing something new. Maybe now is the time to consider joining your local u3a? Where else can you attend 12 monthly meetings, enjoy a cuppa and a biscuit followed by a speaker plus the opportunity to join as many interest groups as you wish, all for £17 per annum? It could be the life changer you never expected - meeting new people, perhaps learning something new or participating in an activity with other like minded people.

Lindsey u3a meets at Welton Village Hall on the first Thursday of the month. Doors open for a cuppa and a biscuit at 9.45am followed by a speaker at 10.30am. If you decide to come along for a look, tell someone on reception you are new and one of our friendly greeters will show you round and answer any questions.

Our first speaker of 2024 will be Clive Wilson asking 'What can WE do to save the planet?' on January 4.

"He is committed to the promotion of sustainable development that will leave the world a better place for the next generations. He believes that if we only

do what we have always done we will only produce what we have already got and this is evidently not good enough in many ways." Food for thought!

On February 1 our speaker will be Tom Lane, well known local folk personality on Radio Lincolnshire and now on Lincoln City Radio. Along with folk singing duo Nigel & Teri their presentation "Re-imagining Lincolnshire" was first performed for a Heritage Lincolnshire Day. We offer a wide range of interest groups run by members for members. Check out our website [lindseyu3a.org.uk](http://lindseyu3a.org.uk) to see if anything appeals to you.

u3a members can also join various online talks, workshops and courses. You can find out more from [www.u3a.org.uk](http://www.u3a.org.uk) If you can't come to one of our general meetings you could join us at the 'Gardeners' Retreat' tearoom at Scothern Nurseries for a cuppa and a chat at 10.15am on the fourth Thursday of the month.

The next coffee morning will take place on January 25, 2024. Whether you're a newcomer wanting to know more about Lindsey u3a or if you're already a member and just fancy a cuppa, maybe a scone and a chat do come along. Everyone is welcome.
