

SUDBROOKE NEWS

DECEMBER 2022 / JANUARY 2023

Dec 2022

EDITOR'S RAMBLINGS

Well, that's another year just about done and dusted and thoughts are already turning towards 2023.

2023. Amazing. Doesn't feel that long ago when we were celebrating the end of the 20th century and ushering in the Millennium.

Anyway, back to the present and in the last edition of the year, we have much of the usual fare, from the Parish Council minutes to the latest from the Walking group.

Also, the Living Advent Calendar is back up and running again, with lots of

spectacular windows ready to be unveiled as the month progresses. Let's hope they are as good as other years.

There's an update from Ellison Boulters, who have been very busy this term, while there are details about the bar manager vacancy at the Village Hall, a position that needs filling... and quick.

We'll be back for the month of February after a short break, so season's greetings to you all and a happy new year. You need a mess of help to stand alone.

SUDBROOKE'S DEFIBRILLATOR

With Christine Myers

Clerk to the Parish Council

CLARIFICATION AND MORE ABOUT THE VILLAGE DEFIB

Following on from the Life Saving Event on November 16 when 30 residents attended for a very informative and interesting presentation by local resident Dave Barrett, from the company 'Safety First', I have been asked to clarify one or two points about the defibrillator.

Sudbrooke's defibrillator is owned by the Parish Council and is sited in a cabinet on the wall of the Kokoo hair salon, adjacent to our village shop and post office.

Kokoo kindly agreed for it to be sited on their outer wall and the cabinet be connected to their electricity supply. This enables a thermostat to control a heater in the cabinet. In the event of the temperature dropping to six degrees or below the heater will then protect the battery.

The cabinet and defibrillator has a weekly recorded visual check by Councillor Peter Heath to ensure pads and battery are within date.

It is on a service contract with West Lindsey District Council at a cost of £100 a year paid by the Parish Council. This cost covers:

- Replacement battery and electrode pads following expiration
- Replacement battery and electrode pads as required following device deployment
- A loan device, (within 24 hours of

deployment) until the original device is located and checked

- Quarterly maintenance check
- Cabinet heater and lock repair or replacement

At the Life Saving Event, some residents expressed concern that were no paediatric pads in the cabinet – this has been conveyed to the

Community Team and they have ordered a set at no cost to the parish. Currently there is a shortage of the paediatric pads, but they will be supplied as soon as possible.

If an incident occurs, ring 999, give specific details of the condition of the patient. Emergency services should give you the location and code for the

defibrillator cabinet – you can also ask for this if you think it is required. The defibrillator is hung on a hook inside the cabinet in its own case – just take it all. When you reach the patient press the start button and it will then talk you through what to do.

It would be useful if residents could familiarise themselves of the location of the defibrillator 'just in case'.

Thanks are extended to Dave Barrett, for giving the presentation, his wife Den who assisted Dave, Arvind at the village shop for paying for the refreshments and the Village Hall committee for the hire of the hall at no charge.

Oct 2022

PARISH COUNCIL MINUTES

MINUTES OF THE MEETING OF SADBROOKE PARISH COUNCIL HELD ON THURSDAY 6 OCTOBER 2022 IN THE VILLAGE HALL, SADBROOKE

PRESENT: Councillors Mrs Tracey Bowman (Chair), Andy Cottam, Mrs Sandra Clayton, Simon Crampton, Paul Fido, Bhikhu Mistry, Dave Scott

84 ■ PARISHIONERS' ITEMS

► A report had been received that a resident in The Parklands had a beehive on his property very close to the public footpath. It was noted that the hive was active. That the matter be reported to WLDC Environmental Health unanimously Resolved.

► The Chair reported that following a request, a resident on Scothern Lane had kindly cut back a willow tree overhanging the footway. It was noted that several hedges and foliage from gardens were overhanging footways causing problems for pedestrians, wheelchair users and buggies. That a polite letter be written to those residents with overhanging hedges/shrubs requesting that the foliage be cut back, unanimously Resolved.

► A resident had kindly removed weed growth from the footpath between Holme Drive and Northfield Park. It was noted that this was included in the grounds maintenance contract for weed spraying and the Clerk was asked to notify Glendale Countryside.

85 ■ APOLOGIES

► Councillor Peter Heath, Treasurer Mrs Bridget Solly, District Councillor Bob Waller. That the reasons given be accepted unanimously Resolved.

86 ■ NOTES OF THE MEETING HELD ON 1 SEPTEMBER 2022 TO BE APPROVED AND SIGNED AS MINUTES

► That the Chairman sign the above notes as minutes unanimously Resolved.

87 ■ COUNTY AND DISTRICT COUNCILLORS REPORTS

► County Councillor – No report received.

► District Councillor Bob Waller Central Lincolnshire Local Plan Review - I wanted to take this opportunity to provide you with a brief update on the Local Plan which is progressing through examination. Since I last briefed the Council about the plan the Inspectors have been busily reviewing the mountain of evidence that was submitted for examination, and on Monday 3 October they issued their Matters, Issues and Questions – this is a long list of questions they want answers to and which will frame the examination hearing sessions (448 questions in total).

Supporting officers at the districts will now set about answering these questions on behalf of the Committee (that I, Cllrs Owen Brierly, Ian Fleetwood and David Cotton represent WLDC) and respondents to the Local Plan may also submit answers to these questions.

PARISH COUNCIL MINUTES

87 ■ COUNTY AND DISTRICT COUNCILLORS REPORTS CONTINUED...

The dates of the hearing sessions and the matters to be discussed have also been published. The examination hearing sessions will commence on Tuesday 15 November, with three weeks of sessions taking place in the Double Tree by Hilton in Lincoln, and a subsequent week of sessions taking place virtually. Details of these hearing sessions can be found on the examination pages of the website <https://www.n-kesteven.gov.uk/central-lincolnshire/local-plan-review-examination/examination-latest-news/>.

► **Industrial Scale Solar Panels**
WLDC are very concerned about the sheer scale and number of solar projects planned within a small area of the district. Four nationally significant infrastructure projects (NSIP) have been proposed for the district. This is 12% of the overall projects proposed across Great Britain.

While we need to develop other sources of power, the sheer scale of the proposals could have an impact on the countryside and rural communities that would be catastrophic and is against local and national policy. NSIPs are not decided through the normal local planning processes, which means that West Lindsey District Council is not the decision making body for this application.

The leader of the council has written to the Minister of State for Business, Energy and Clean Growth urging him to consider the wider impacts. Although the sites are generally around the Gainsborough/Gate Burton area, the impact will be felt across the district.

I will monitor this and give further updates when known.

► **Councillor Initiative Fund**
I can confirm that I am happy for the Parish Council to "Carry Over" the underspend of £100 for the cancelled Sports Day and it be used for the 2023 event.

88 ■ REPORTS ON MATTERS OUTSTANDING

► **A) Burial Space/New Cemetery** – A reply had been received from WLDC and instructions given that the Parish Council should appoint a suitable RCIS qualified valuer; a property lawyer; ensure the ground is suitable for intended use.

A quotation had been received for soil analysis and a further price was awaited. Request made to Revd Canon Penny Green to contact a grave digger for possible excavation of a hole/ preliminary opinion of soil.

► **B) Request for lowering speed limit on Wragby Road** – Reply received from LCC Highways that this request to be made through County Councillor. A request had been sent to CC Sue Rawlins to pursue this on behalf of the PC.

► **C) Christmas tree Switch On** - 27 November 2022

■ Clancy Docwra Community Team had agreed to provide lighting as last year

■ £25 of mince pies (150) to be donated by Nettleham Co-op

■ Item for hamper donated from Waitrose

■ Cherry Willingham Choir attending

■ Paper cups to be ordered by Clerk

■ Parklands developers to be asked if they would make a donation for the event

■ Chocolate bars not used for the sports event to be used in the hamper and raffle/Santa sweets for children.

Oct 2022

PARISH COUNCIL MINUTES

88 ■ REPORTS ON MATTERS OUTSTANDING cont...

► D) Sports event - 10 September 2022 – This event had been cancelled due to the passing of Queen Elizabeth II and period of mourning.

Funding - £70 from precept – spent on chocolate and sweets for prizes. These to be used for the Christmas tree event.

£150 from DC Bob Wallers Community Initiative fund - £50 spent on banner which can be reused. £10 spent on non-refundable deposit for bouncy castle. DC Bob Waller had confirmed that he was in agreement to the remaining funds (£90) being held over for the 2023 Sports event. This was hoped to be held in June as a bigger event and a date be set ASAP with the thought of developing it more.

Thanks to be put on record to Mrs Emma Chapman for her work in arranging the event and its subsequent cancellation.

► E) Footpath to rear of Elm Drive/shop to woods – reply from footpaths Officer - LCC unable to carry out any remedial works to the surface. Members agreed to leave this matter in abeyance.

89 ■ LITTER PICK 22 OCTOBER 2022 – TO AGREE RISK ASSESSMENT

► That the Risk Assessment circulated by the Clerk be adopted for this event unanimously Resolved.

90 ■ TO RECEIVE AND DISCUSS THE ANNUAL PLAY EQUIPMENT INSPECTIONS/ WORK REQUIRED

► The Annual RoSPA inspection report had been received and circulated to all members. That this be forwarded to EKM Ltd for pricing any work required unanimously Resolved.

91 ■ TO CONSIDER QUOTATIONS RECEIVED FOR LOWERING THE HEDGES AT THE STUART CURTIS FIELD

► Two quotations had been received following invitation to three companies to quote. Company A - £380.00 Company B - £440.00. That quotation A be accepted unanimously Resolved.

As we draw towards the end of 2022 I would like to say a huge thank you to all our distributors who have been working tirelessly to deliver **Sudbrooke News** this year. Without your help with this very important job our excellent monthly magazine could not get delivered to something like 775 homes in the village. A very merry Christmas to you all, a prosperous New Year and I hope I will be able to rely on your continued great service to the Sudbrooke community during 2023. *Andy Cottam, Distribution Manager, Sudbrooke News*

PARISH COUNCIL MINUTES

95 ■ CLERK'S REPORT

► For noting – the VH MC had received a letter from the Valuation Office agency requesting information on rents etc. Secretary of VH completed.

Dave Barrett, resident of Greenway, and Director of 'Safety First' had offered to run a free event in the village hall on Lifesaving, covering the unconscious casualty, recovery position, resuscitation, use of defibrillator. Members welcomed this offer and the Clerk was requested to arrange this event during November.

96 ■ CHAIRMAN'S REPORT

► Nothing to add.

97 ■ DATE OF NEXT MEETING

► Thursday 3 November 2022, 7.30pm in the Bramham Lounge of the Village Hall

READER'S LETTER

YOUR CORRESPONDENCE

■ PARKING ISSUES... AGAIN

Dear Editor,

I feel I have to write in and appeal to some parents of Ellison Boulters pupils to please park more responsibly when dropping off or picking up their children from school.

The area around Juniper Drive/Sudbrooke Road is particularly hazardous as some drivers - usually those arriving late - just seem to whack their car in any spot they can find (on grass verges, in the bus stop, on the pavement), with no concern about anybody else and one day there's going to be a serious accident in that area if they aren't more careful and responsible.

There also seems to have been a few instances where other parents have taken some drivers to task over their parking 'failures', as more and more are getting fed up with lazy motorists and are starting to speak up, and if it carries on then things might start to escalate.

It is just a small minority, but it only takes one incident for something much bigger to be triggered.

Concerned parent

The image above shows one example of the bad parking, with this car parked right on the junction of Juniper Drive and facing the wrong way.

■ CHERRY TREE DELIGHTS

Dear Editor,

How great it is to have the Cherry Tree back up and running again and to have somewhere in the village to go and have a chat and coffee with friends.

Just like when the village shop returned from the wilderness, the Cherry Tree's resurgence is equally pleasing.

June Marriott

NEW BAR MANAGER NEEDED!

SUSBROOKE VILLAGE HALL

Registered charity no. 504153

Enquiries: sudbrookevillagehall.bookings@gmail.com

07539 604258

The village hall is a valuable asset to the community. The main hall and Bramham Lounge are available for private bookings: Booking details above.

We are pleased to host Coffee Club and the monthly quiz, on the second Friday of each month, which welcome residents old and new and are well supported.

The commercial kitchen and nearby play area make the hall a popular choice for family events.

The licensed bar stocks local real ale by Ferry Ales Brewery. Cash or card payment taken. The bar can be requested when booking the hall.

WANTED

The current bar manager will be retiring at the end of 2023. If this service is to continue, one or more volunteers are required to take over running the bar.

If a new bar manager cannot be found the license would have to be changed or given up and this would limit the type of functions allowed. It is a valuable source of revenue for the hall.

There are several volunteer bar staff and training and support will be given. This would suit two people working together. Contact Paul for more details. 01522 595736.

Temporary traffic restriction: Sudbrooke

Please note it will be necessary to impose a temporary restriction as detailed below.

Organisation responsible for restriction:
Lincolnshire County Council

Reason for restriction:
Footway reconstruction

Road closure Order: St Edwards Drive
(between Scothern Lane & a point 100m east)
Period of restriction: January 4-20, 2023
(Restrictions to be implemented for 17 days as and when required during this period, signage detailing accurate dates and times)

SUDBROOKE COFFEE CLUB

Join us at the Coffee Club in the Village Hall on the second Friday of the month, 10.30am-12.00. Admission £1.50, refreshments provided.

Make a note of the date: December 9.
Catch up with old friends and make new ones. See you there.

	Cherry Willingham	10.30am	Christmas communion

SUDBROOKE WALKING GROUP

With Mike Halliday

01522 754686

LATEST WALK WAS A LOT OF HARD GRAFF...

► Ten walkers set off from the church at Boothby Graffoe following the Viking Way along Lincoln Edge towards Navenby.

This is a walk best done on a clear sunny day to enjoy the wonderful wide horizons and spectacular views. Unfortunately we had light rain at the start of our walk but we were rewarded with clearer skies towards the end of our walk.

We made our way up Green Man Road, Navenby, to the historical Ermine Street, a Roman road that linked London to Lincoln and the Humber. Started in the first century AD, it is believed to be the main route by which the Roman army entered the area.

We headed north towards RAF Waddington and then made our way to the A607 to cross fields just south of Harmston towards the attractive

village of Coleby where we re-joined the Viking Way along Lincoln Edge. By this time we had clear views across the valley as we made our way back to Boothby Graffoe.

► Next walk is Saturday 3 December. A circular walk of approximately six miles around Willingham Woods, Market Rasen and the surrounding countryside.

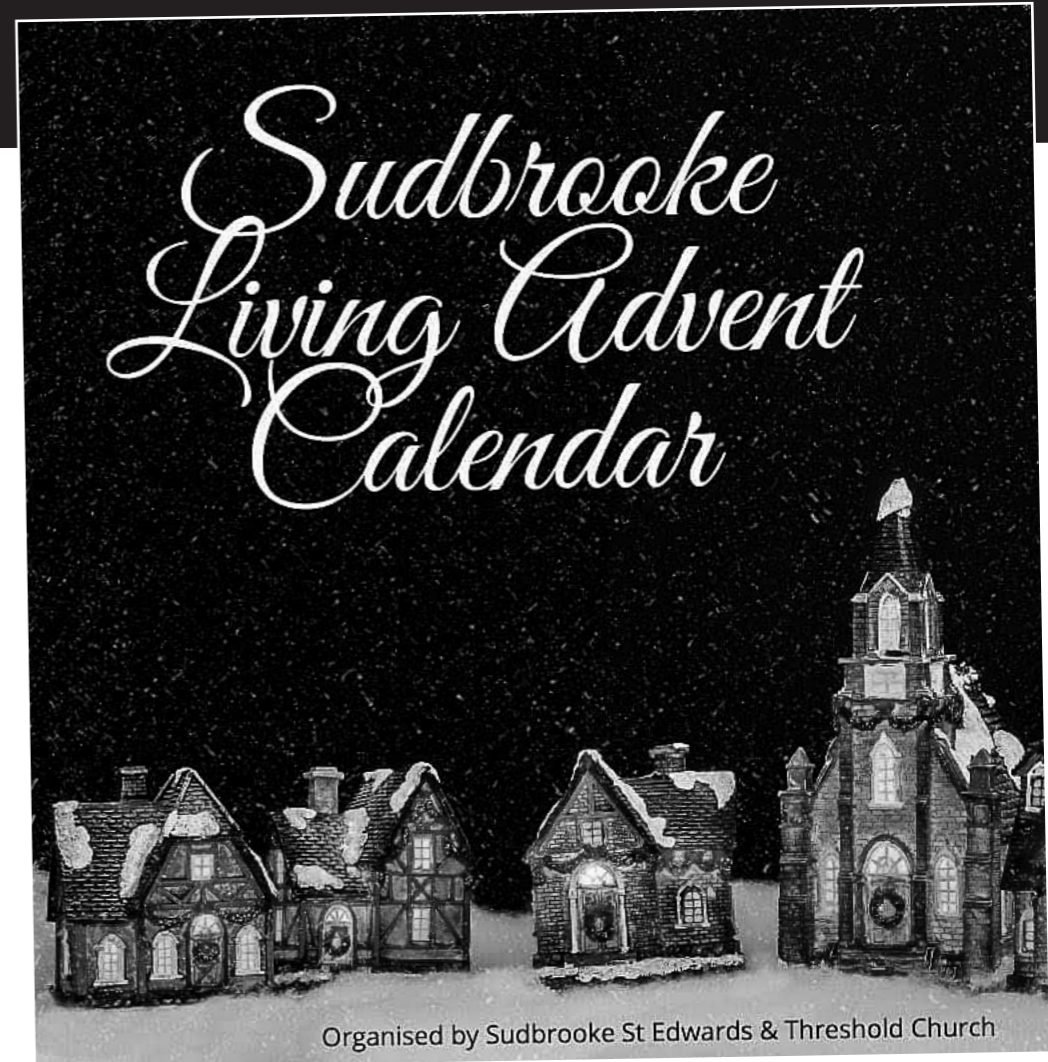

We hope to catch some autumn colour from the leaf fall. At the end of our walk all members plan to enjoy a splendid Christmas lunch at Jossals restaurant in Market Rasen.

► Future walk January 7, 2023. Provisionally a circular walk of approximately 6 miles from Doddington Hall.

Walkers should meet at our village hall at 9.30am and are advised to wear a waterproof coat, wear suitable footwear and bring a drink and a snack.

LIVING ADVENT CALENDAR

Organised by Sudbrooke St Edwards & Threshold Church

THE LIVING ADVENT WINDOW CALENDAR

We are delighted to say that the village is coming together again this year to create the advent countdown to Christmas. The sequence of advent windows is shown on the map. There is one difference this year, St Edwards, our Parish church is holding a Christmas singalong followed by refreshments at the church of the 23rd of December from 7-7.30pm, instead of a display. A big thank you to everyone taking part!

ELLISON BOULTERS ACADEMY

With Jackie Carter

www.ellisonboultersacademy.co.uk

NEW CHURCH BANNER, BIKEABILITY AND ASSEMBLY

► We celebrated the introduction of our new vision just before half term break when the new church school banner arrived.

The banner design was based upon the ideas that the children gave us for the design of EBAneezer imp, who is placed just outside the office at school, and then drawn up by the fabulous Miss Toyne. The design then went to a very talented lady from Nettleham, Penny, who made it up for us with an array of fabrics and detailed stitching. It is proudly displayed in the school hall and will accompany us to Diocese Church School Activities.

► Thank you to Mrs Hauton and Nile Class for their Class Assembly which focussed on our new Church School Vision: Let Your Light Shine.

In an assembly, which was written by the children, we learnt of the many ways that the children shine their lights in their own lives, in the lights of others and in the lives of the wider and even global community through their diverse hobbies and talents and fundraising.

They help other children across school and consider others who are struggling with difficult times in the local and global community.

Two groups of children chose to enact Bible stories demonstrating how we can let our lights shine through our good conduct, good deeds and by thinking of others. We were also treated to some fine choral poetry. Very well done Nile Class.

► In October we were visited by

Caroline and her beautiful and impeccably behaved retriever, Apollo, from the Blue Cross.

Caroline spoke to the children about dogs, canine personalities and how to approach dogs using the three c's: check, call and count.

► Congratulations to our Year 6 children who all completed their Level 2 Bikeability Courses. We are very proud of you all and the way that you conducted yourselves on the road and with your instructors throughout the week.

Thank you to everyone traveling through Scothern for your care when using roads near the children during Bikeability lessons.

► We have now appointed our Year 6 House Captains who will have the responsibility of continuing to be excellent role models and helpers across school as well as leading their own Key Stage 2 teams at events such

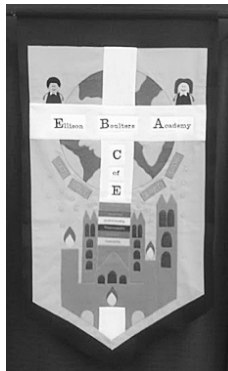

as Sports Day and whipping up the competitive spirit in TTRS.

I would like to thank all the children who volunteered to be prefects, helping to lead the school and exemplify our Church School values. You are all amazing young people and we are looking forward to seeing you rise to this challenge.

► This term the following teams will compete against each other in Times Table Rockstars

Air v Earth – Fire v Water

Who will be victorious? The battles in school run until Christmas and then the teams will switch opponents. There will be awards given out.

NEW CEMETARY

A NEW CEMETERY FOR SADBROOKE – OR NOT? IMPORTANT – PLEASE READ

Sudbrooke Parish Council was made aware by Rev. Canon Penny Green that the graveyard at St Edward's Church was approaching capacity.

It is expected to reach that point in two years. When it does, unless a solution can be found, there will be no further burials in the village and relatives will have to look at other parishes to bury loved ones.

The Parish Council does not have a statutory duty to provide a cemetery. However, Sudbrooke Parish Council considers it a civic duty to do so and has sought to keep residents updated on progress through the published minutes of council meetings.

Parish Councillors have sought the help of landowners and developers in the village to provide a space to construct the new cemetery. Unfortunately none have been willing to offer land for such a process other than with conditions attached to build more houses. The Parish Council has had to decline such offers as our village is at and over the capacity for a medium village as shown in the Neighbourhood Plan.

All options examined to date are summarised in the table opposite.

The Parish Council's preferred option is to explore the existing PC-owned land adjacent to the Village Hall. While its suitability is not yet confirmed, it is believed that, on balance, it offers a good solution. The former unused tennis court would become the car park for the new cemetery. Notwithstanding the cost of conversion, this site would negate the need for additional cost of acquiring land not currently in the possession of the Parish Council (possibly by compulsory

purchase). It is accepted that it may not be a perfect solution – it would be converting land currently used as public space and would be going against our own neighbourhood plan. However, on balance it remains an option that could be explored further.

Before proceeding to committing any more costs, the Parish Council would like residents views and comments on the three options that remain open.

The options are:

1. *Do nothing and have no village cemetery.*
2. *Purchase land with a long-term loan (probably using compulsory purchase) the costs being recovered through fees from burials and an increment on Council Tax. This would be a considerable financial burden to the parish.*
3. *Seek to use existing parish land currently designated as 'Green Space', ie part of the Village Hall playing field near the tennis court (reduced costs and with future income from burials).*

The Environment Agency lays down strict conditions for burials with regard to ground water near any site with human remains to avoid contamination which rules out some sites. Prior to commencing such a programme, it would be necessary to examine the local ground conditions at any site being considered. Such surveys will have costs but can be met by money set aside by the PC for this purpose.

Please tell the PC what you think by emailing Sudbrookeparishcouncil@gmail.com with heading 'Comments re new Cemetery', or alternatively written comments can be left at the shop.

PLOT	STATUS
Land off Church Lane, Sudbrooke	Plot was declined by PC when it was made on condition of supporting planning application for houses alongside new burial site. These would have been outside the neighbourhood plan.
Land corner of Church Lane	Initial request to acquire land was rejected
Stuart Curtis Field	Unsuitable for burial ground due to proximity to water course
Multi-purpose sports court and land alongside village hall	Land is subject to restrictions placed at point it was gifted to the village. Positive discussions with stakeholder to change use of land. Would require selling small strip of land to fund the conversion. Tennis court would be an immediate car park and village hall could benefit from post-burial refreshment events. Land suitability study not completed – cost £1250
Parklands	No land available.
Woodland on corner of Scothern Lane and Church Lane	In private ownership - Land covered by Tree Preservation Order
Parcel of land on Scothern Lane that runs behind Manor House and the properties on Church Lane	Owner approached and land not available for sale
Land on A158 (opposite garage) and/or between Cherry Tree and housing	To be explored within Parish boundary
Current Church burial land	Will be at full capacity within two years
Joint plot with Scothern (location tbc)	Only muted at this stage, no suitable land found.

SCOTHERN SCOUTS PAY THEIR RESPECTS

The 25th Lincoln Scout Group (Scothern) were out in force at the Millennium Stone last month for Remembrance Sunday.

Beavers, cubs and scouts were in attendance for the short service as the nation remembered those who had fallen.

Meanwhile, the group are still actively seeking a new team member to help run their beaver colony.

Calling all crafters, tidy-uppers, activity planners, admins and helpers for as little or as much time as you can spare.

Scothern Beavers are looking for adult volunteers, don't worry about experience as all training is provided. From Christmas we are looking for new team members to help run our Beaver Colony.

To have a chat about what you can provide please contact:
nick.cornwell-smith@lincolnscouts.org.uk

PARISH COUNCIL REPORT

■ HEDGE ON WRAGBY ROAD TOWARDS LANGWORTH

► Noted that this is overgrown again and requires cutting back, LCC Highways will be notified.

■ REQUEST TO THE COUNTY COUNCIL TO REDUCE THE SPEED LIMIT ON WRAGBY ROAD SUDBROOKE TO 40MPH

► This had been declined, but County Councillor Sue Rawlins would pursue it again on behalf of the Parish Council.

■ ESTIMATE OF PRECEPT FOR THE NEXT FINANCIAL YEAR

► A full budget had yet to be considered by the Council and would be finalised at the December meeting. An estimate was made at £31,500

■ DATE OF NEXT MEETING

► December 1, 2022 – 7.30pm in the Bramham Lounge of the Village Hall – All residents welcome.

Christmas preparations seem to start ever earlier so if you'd like a break from all that why don't you think about visiting your local u3a?

We meet on the first Thursday of the month at Welton Village Hall at 9.45am with a cuppa followed at 10.30am by a visiting

speaker. By the time you read this, it will be too late to come to our meeting on December 1 to hear David Bell talking about "Plague Doctor". However, our first meeting of 2023 will be on January 5, with Steve Lovell speaking about 'Cuba: "It's time to Salsa"'. An entertaining start to the New Year which might open up a whole new world of things to do, people to meet and places to go.

We have a schedule of speakers in our Speaker Diary page on our website: lindseyu3a.org.uk. You can see which groups are active and what else we have to offer.

Another opportunity to find out more about Lindsey u3a is to attend our coffee morning at "The Gardeners' Retreat", Scothern Nurseries usually held on the fourth Thursday of the month at 10.15am, although not this month.

The next one will be on January 26, 2023 so if you want to know more about us or if you're already a member join us for a cuppa and a chat.

Details about our meetings, our

many group activities and all up-to-date info can be found on our website: on

lindseyu3a.org.uk

Should you require any further info, please contact me, Mandy Murphy, (chairman)
