Without further ado I'd like to introduce Hayley Campling who I am **delighted** to tell you has accepted my challenge to promote the " younger generation " in Sudbrooke News.

Dear Mums, Dads and Guardians, Club Organisers/ Runners

I am currently the Chairperson of Sudbrooke Pre-school Group. I also represent them on Sudbrooke Village Hall Management Committee. I am CRB checked and my only intention and purpose of this feature is to fulfil what has been asked of me..... I have been asked to help increase interest from the younger generation and lose the stigma that Sudbrooke News is only for the elderly reader. By letting you and your children know what events and clubs are on locally and letting them have their views in the village news - I hope to boost community spirit and ensure that current and future clubs get continued support.

Thank you
Hayley Campling
hayley_smiles2003@yahoo.co.uk

And finally.... thanks to the correspondent who passed on this exercise advice

Exercise For Over 40s.....

Begin by standing on a comfortable surface, where you have plenty of room at each side. With a 5-lb potato sack in each hand, extend your arms straight out from your sides and hold them there as long as you can. Try to reach a full minute, and then relax. Each day you'll find that you can hold this position for just a bit longer.

After a couple of weeks, move up to 10-lb potato sacks. Then try 50-lb potato sacks and then eventually try to get to where you can lift a 100-lb potato sack in each hand and hold your arms straight for more than a full minute. (I'm at this level.!!)

After you feel confident at that level, put a potato in each of the sacks.

Nick

VICAR'S LETTER

The Vicarage, Langworth Tel 01522 -754233

October is the month of Harvest Services – Sudbrooke Family Service at 10.30 a.m. on the 11th, and Harvest Evensong at Langworth at 6.00 p.m. on the 18th (followed by the Harvest Supper in the Memorial Hall : tickets for this are available, and if you have trouble getting hold of one do please phone my wife Anne on 01522 – 754233).

October 2010 will be the month for a Sudbrooke Flower Festival. The dates to put in your diary now are the 8th, 9th and 10th. Eleanor Clarke will be releasing more information over the coming months and will be looking for help from various volunteers. When I last looked she had a list of some 15 jobs associated with the event – and many do not include arranging the flowers ! Hopefully we can make this a real community event and if you would like to know more, at this stage, do please contact Eleanor on 01522 – 753119.

October is a good month for celebrating what are called the “Lesser Saints”, including our traditional church Patron Saint - St. Edward the Confessor (13th October). Others that are celebrated before him include :-

October 4th - Francis of Assisi, who is quoted in an inscription etched in the stonework of St. Hugh's Langworth.

October 6th - William Tyndale who made an early translation of the Bible into English which formed the model for the Authorised Version of 1611 some 70 years later.

October 10th - Paulinus, a Bishop and Missionary who helped St. Augustine in the evangelization of England, and began the building of a Cathedral at York in the 8th century.

After St. Edward's day, we remember :-

October 15th - the 16th century mystic and writer Teresa of Avila.

October 17th - Ignatius of Antioch, martyred in 107 AD.

The 18th October is, of course, St. Luke's Day, who as a New Testament Doctor is closely associated with the Ministry of Healing. In this connection, on that day, the Bishop of Grimsby will be leading a 6.00 p.m. service of celebration of the Church's ministry of Healing at Wrawby Parish Church (near Brigg) which will be “a reflective service including anointing and the laying on of hands”. All, especially those with an interest in this ministry, will be welcome.

Yours in Christ, **Robert Spaight**

Dear Editor (or should it be... Deer Editor)

Deer Oh Deer !!Another lovely sight around our village seems to have disappearedFirst it was the toads ..then the peacocks .. and now apparently our beautiful and petite Natterjack deer....Asking around friends and neighbours ,no one has seen any for agesHas someone had a special Sunday roast ?.... I know they played havoc with the plants in

our gardens but I was always pleased to see that special bit of wild life roaming around in the very early hours... Despite the invasion of man into their habitatI especially liked it when they were in someone else's front garden, not mine !!! . Has anyone seen one lately ?....Perhaps it's just me they are avoiding after I shouted at them for chewing up my roses..!!

Anthony Whimpole

Dear Editor

This month is the 100th anniversary of The Girl Guides being founded. As a former member (many, many years ago.) I would love to know how our local Guides are celebrating the event. Could one of the members or leaders of Guides or Brownies tell us what local events are being held? It would be nice to have regular reports in Sudbrooke News about what is hap-

pening in the movement....There used to be a report every so often on activities taking place both for Scouts and Guides but very little is heard from the movement these days .Please keep us old members up to date. We like to know that the best youth movement in the world is still alive and thriving!! Once a Guide....or ScoutAlways a Guide or Scout . !!!!

Mary Carter

Dear Editor

So... ,We have a new County Councillor ...!! Isn't it about time that we heard something from her ?.It's been three or four months since the election and not a word has been written to those who put the lady in office...Dare I suggest that a thank you to those who voted her would have been nice ...The previous County Councillor used the medium of this magazine to keep residents and ratepayers informed of what was happening at County level and submitted a page

most months about those County matters that affected this Parish .Perhaps our new Councillor would be gracious enough to continue the habit ...The Sudbrooke News is read by every household in the village and is surely the best possible way of communicating with the public, free of charge about what you, their Councillor is doing ...Lets know what is happening or about to happen .Please pull your finger out and communicate ...!!

Jim Wharton

Sudbrooke if a voluntary person would be prepared to oversee it. Members felt that this was not a satisfactory situation and agreed not to pursue it.

40 SPORTSFIELD REPORT

Members reviewed the draft hiring agreement for the use of the sports field and agreed that it be adopted.

It was noted that the sports field was being used for friendly football games which had not been pre-booked by the Club and that these could be held on a first come basis.

PARISH COUNCIL REPORT

REPORT OF PARISH COUNCIL MEETING HELD ON 3RD SEPTEMBER 2009

POLICE MATTERS – Our new PC, Dave Morgan, introduced himself to the meeting. PC Morgan reported that he was following up enquiries about the breaking of a window at the Village Hall and he was hopeful that the culprit would be paying for the damage.

ALLOTMENTS – Over 20 expressions of interest in taking on an allotment had been received by the Parish Clerk *(This has now risen to nearer 30)*. The Parish Council considered the matter and agreed that although the preliminary discussions had been commenced by the Parish Plan Group, due to the involvement of a lease/purchase of land/ finance it was now necessary that the Parish Council continue the control of the item in order to move forward.

The Clerk was asked to liaise with Scothern Parish Council Clerk, WLDC and local landowners with a view to securing some land to share with Scothern Parish Council for allotment use.

CHRISTMAS TREE EVENT – To be held on 29th November this year *(please make a note in your diaries)*.

FLYPOSTING

It has been brought to the attention of the Parish Council that posters/balloons are being fixed to lamp posts/trees around the village, obviously to advertise events or special occasions/birthdays/anniversaries. Whilst the Parish Council have no objections to this would residents who do put up these posters/balloons etc please remove them after the event.

There are 5 notice boards situated around the village which I manage. I am happy to put posters up for residents wanting to advertise a public event (birthdays probably not appropriate!) Just pop the posters through my letterbox with a note or give me a ring on 823802.

Chris Myers, Clerk to the Parish Council

The Old Codger.....

I recently took a couple of my grandchildren to the Cinema to see the latest Harry Potter film. I haven't been inside a Picture Palace (as we called them) for years . What a difference I found ...Luxury seating..Huge wide screenAll around sound ...Vivid colours and lush carpeting ..But so small and compact because instead of just one main film being shown there is usually a choice of four or five being shown at the same time in the same building .

Other than the person who took your money at the kiosk there did not appear to be any staff present .Compare that with my memories from years ago.

Going out to the cinema was the main entertainment of the period for almost everyone .It was where you did your courting and kept up to date with who was dating who in your social circle . In most towns there were often four or five cinemas and always seemed to have one which was of a lower standard and was invariably nicknamed The Bug Hutch or the Flea Pit..Usually quite unjustified but occasionally a true indication of condition. There were always two films showing .The main feature , the B movie and a Pathe News piece and often a cartoon featuring Bugs Bunny , Donald Duck or Mickey Mouse....You paid your one and nine pence or two and sixpence (old money)and got a whole packageCourting couples usually paid for the luxury of seats at the rear of the auditorium and slightly more privacy.

On arrival customers were invariably greeted by a majestically clad huge man who wore a bright red frock coat often with a row of medals and a peaked cap. He always looked as though he had just stepped off the parade ground .His job was to manage the lines of intending patrons as they waited to gain admission. In those days the show was non stop so that you may well be shown to your seats half way through a show and watch till the same point was reached again before leavingYou had to be very lucky to watch a film from the beginning to the end....Often you might be allowed to enter and then wait standing up at the back

watching the film before a seat became available. Then you would be shown to your seat by a glamorous usherette who walked skilfully backwards down the steep sloping aisle .These young ladies had the job of selling ice cream and other goodies from a tray in the intervals and also kept a stern eye and a penetrating sharp torch beam to cool the ardour of overactive courting couples in the rear seats.

In the entrance the Manager would stand in his dinner jacket and greet everyone with a smiling welcome and make you feel very important .The other important role of the uniformed commissioner was to keep a wary eye on the door leading to the toilets where often boys who had paid their entrance money would sneak down and let their friends in from the exit door without payingNot that I ever did that ...?????

Often at the weekend , in selecting which cinema to go to, you would decide on which film would have the smallest queue rather than which film you would rather see. That mattered a great deal on a cold and raining winter evening. It was wonderful to gradually work your way to the front of the queue and hear the magical sound !Two standing one and nines .!. which got you inside out of the elements

In the Interval an organ would rise up out of the floor and you would get a wonderful display of great popular tunes of the days .Those organists really were masters of their craft .

Some films only admitted children if accompanied by an adult and I shudder to think of the danger I must have unwittingly put myself in by joining the flock of kids loitering outside asking kindly looking strangers toTake me in please Mister .!! Perhaps in those days they didn't have paedophiles ..but if they did we didn't know it. !! A must for all children in those days was Saturday Morning Cinema where for sixpence you would sing-along to songs whose lyrics were shown on the big screen with a bouncing white ball over them. The kids could shout and whistle to their hearts content at the films as Roy Rodgers and his horse Trigger beat up all the baddies ,still keeping his white hat on at all

Help with litter pick **Saturday morning** **10th October**

The onset of autumn is an ideal time to clean up the village before winter arrives.

If you can spare some time to help, please meet at the village hall from 9-30am to enjoy a hot drink or fruit juice and chat to other volunteers.

A short health and safety briefing will be held and equipment issued in readiness for a 10-00am start.

The more volunteers we get, the quicker the job is done. Past litter picks have taken around one hour

or so but any time you can give would be helpful.

Litter will be collected from open spaces and communal areas only. Would all householders please clean up the area outside their own property as this makes such a difference to the appearance of the village.

Volunteers should, where possible, bring protective gloves with them as there may not be sufficient litter grippers for everyone.

We look forward to seeing you.

Unfortunately this month I have to report that there have been four burglaries in the area that we cover from Nettleham Police station. Three at Cherry Willingham, and one in Bardney.

Burglary is a horrendous crime, which has a huge impact on the victims. It is a top priority for Lincolnshire Police to prevent burglaries and to identify and prosecute offenders. Every village is a potential target, please take steps to secure your property;

- Keep car and other keys out of sight. Burglars will use a stick to grab what they can see through a letterbox or cat flap.
- Make sure doors and windows are locked when you are out, and ground floor windows locked at night when you are in bed.
- Look out for your neighbours – the best results we get in terms of catching offenders are when a neighbour reports suspicious activity immediately.

As I prepare this report Lincoln CID have arrested two males in regard to a number of burglaries including those at

Cherry Willingham. Hopefully I'll have more of an update for you next month.

Also this month all parents of schools in our area will be receiving a letter about parking outside schools. Please read it and park considerately. Some of the parking I have seen defies belief. Please Park legally, safely and with consideration to residents near school. Tickets will be issued....

Finally I hope to be able to find some lads aged 13 to 17 from our villages to take part in a Fair Play football league at Cherry Willingham from Friday 2nd October for 8 weeks. The emphasis will be on Fair Play rather than just winning and losing. The aim is to improve behaviour and attitudes amongst participants. I will be out and about recruiting from those hanging about the villages in the evenings, but if you know any boys who might be interested or if there are any adults who are interested in entering a team (up to 7 players) let me know. I haven't got the full details to publish yet but I understand that there will be assistance with travel if required.

David

L.I.V.E.S. Group 26 Cherry Willingham – Although the group is now firmly established and operational in the parishes of Cherry Willingham, Reepham, Sudbrooke, Fiskerton including Short Ferry, we are unable to provide cover 24/7 due to the work commitments of our volunteers. Clearly additional members are needed and thus invite any person in the community who would be interested in responding to medical emergencies in the area to contact me on Lincoln 750303 or LIVES HQ on 01507 525999 for further information. Applicants need to be over 18, fit and able, have access to a vehicle and be available for a few hours per week. Previous medical experience is not essential but would be an advantage. Full training and all necessary equipment will be provided. Interested????? Phone now and join one of the teams helping to save lives in Lincolnshire. Responding is surprisingly rewarding in many ways.

Finally may I thank all those who contributed in whatever way to the Table Top Sale on 12th September. The event made £150 for group funds.

NETTLEHAM MEDICAL PRACTICE NEWS

New Partner

We would like to welcome Dr Olaley Oginni to the practice. He joined the practice at the beginning of September as a Partner to replace some of Dr Lacy's sessions who has now gone part time.

We would also like to welcome Dr Lizzie Coligan who will be working at the practice until February 2010 covering Dr Catherine McParland who is currently on maternity leave.

New Build

As you may be aware the practice has been considering the possibility of relocating and building a new larger surgery. After much consideration the Partners have decided to remain at the Lodge Lane site and hope to create two additional consulting rooms within the current building.

Seasonal flu vaccinations

We shall be commencing our flu campaign from the beginning of October. We shall again be running our flu clinics on various Saturday mornings throughout October & November at both Nettleham and Cherry Willingham surgeries. We will be providing limited Thursday evening clinics at Nettleham for those patients who genuinely can not attend on a Saturday. Vaccination

is available for patients who fit one of the criteria listed below:

- Aged 65 or over
- Have Chronic Heart Disease
- Have Chronic Respiratory Disease (including Asthma when regularly using an inhaled steroid)
- Have Chronic Liver Disease
- Have Chronic Renal Disease
- Have Diabetes
- Have Suppressed Immune Systems
- Are a Carer
- Have Multiple Sclerosis

Please contact either surgery from the middle of September to book an appointment in one of the flu clinics.

Swine Flu update

The practice has had numerous conversations with Welton practice and we have agreed to work together to ensure that our services are still offered should either practice suffer a large number of staff absences due to swine flu.

We understand that there will be a swine flu vaccination available late autumn for patients who are in certain high risk groups. At the moment we are awaiting further details from the Department of Health, so will update you as we know more.

BACKWARDS GLANCE AT SUDBOOKE NEWS

October 1980 Issue No 36

The very first advertisements appear in Sudbrooke News to help fund the magazine. Amongst the first are some who still subscribe on a regular basis and grateful thanks go to them for their support over many years. They include The Hairdressing Salon in Holme Drive which had just opened and was then called Hairline.....Stan Dring the Plumber of Wragby RoadThe Lincoln Coop Nettleham Neil Caldwell Electrician of Nettleham.... and W Leasing the Builder of ReephamAll of these can still be seen around Sudbrooke still plying their trades today. Thanks to our advertising manager Bridget Solly and those in that post before her we now have many new and attractive adverts every month which keep down the publishing costs and are obviously a successful investment for the subscriber. PLEASE REMEMBER TO MENTION SUDBROOKE NEWS WHEN REPLYING TO ADVERTS.

August 1981 issue No 46

Reports that over 300 people attended a sports day to celebrate The Royal Wedding and a great time seemed to have been had by all ...with egg and spoon and sack races, welly throwing, tug of war, Mums and Dads races and many other events. It all was reported to have been a glorious day out and a great success . Every child living in the village was presented with a commemorative Celebratory Crown ...(Worth a few Bob now !!!).The field was supplied by the Wilkinson family. The organisers were to be heartily congratulated and probably have just about recovered from their efforts . It must have been a wonderful sight with coloured bunting and flags and a mountain of refreshments and goodies.

How about something on those lines again. Think of something to celebrate and E mail in your idea for some fun.

SUDBROOKE GARDENING CLUB

Autumn Show

A fine turnout by members and residents ensured most classes of exhibits were contested.

Show judge Derek Ordish congratulated all exhibitors on the quality of their exhibits and said how difficult his job had been in choosing winning entries.

The tomato class in particular was fiercely contested with 16 entries of all shapes, sizes and colours; the winner being Nicola Hadley. Other class winners included Pam Peace, Cyril Alderson, Ruth Marshall, Barry Reeves, Mike Halliday, Peggy Cherry, Jenny Williams and Janet Stocker.

The Gardening Club member winning most points was Barry Reeves who received the Gibson Trophy.

The junior section was won by Chris Warwick with his floral and vegetable

entries, runner up was Freya Hadley with her impressive pepper plant. Best in Show was Pam Peace's floral arrangement.

Next meeting Monday 12th October, 7-30pm at the village hall- a talk by Andrew Sankey.

This talk is open to all residents. I am delighted to say Andrew Sankey is our speaker and his session is entitled 'Cottage Cures and Superstitions' - a look at various plants (wild/cottage garden), their uses, supposedly medical properties and superstitions. Find out why country folk swallowed live spiders or rolled naked in a bed of nettles. Admission price is £2 per adult including tea/coffee and biscuits.

Do please come along, you will find Andrew's talk both amusing and informative.

SUDBROOKE PARISH PLAN

Footpath / cycleway in Sudbrooke Lane.

The County Council Highways Dept continue to ignore our requests for information

which may mean we miss out on possible third party funding as this has a fixed end date of March 2011. Will keep trying.

At their meeting on 15th September, Nettleham Parish Council agreed in principle to support our requirement for a footpath/cycleway but were unable to provide any financial help. The Parish Council did, however, identify

possible third party funding sources.

Allotment requests.

Thank you to those residents who completed a requirement form. The minimum requirement figure has now been achieved.

Kindly note the Parish Council has taken over the work on the allotment requirement as formal liaison/ arrangements may be necessary with other Parish Councils and funding bodies.

WELTON FAMILY HEALTH CENTRE

The seasonal 'flu vaccinations are expected at the end of September and we are planning on holding two additional morning clinics on Saturday 3rd and 10th October for those eligible. Please book an appointment at reception if you are in the "at risk" group. We are still waiting for further details on the delivery of the swine 'flu vaccines but will advertise in the surgery when available. Patients registered with this practice who fall outside the defined groups but still wish to have the vaccination may contact Nettleham Surgery on 01522 751717 to arrange a private appointment as practices are unable to offer this service on a private basis to their own registered patients.

The recent national survey of patients indicated that some of our patients would prefer to be able to book appointments further ahead than the present two weeks we offer. In response to this with effect from Monday 5th October '09 we are changing the system to allow up to one third of the daily appointments with a doctor to be booked up to **one month** ahead. The remaining two thirds are then split between booking 48hrs ahead or on the day which we hope will accommodate the needs of the

majority of patients. Open access surgery daily between 11 am -midday will remain unchanged.

If any patients have nebulisers which are not being used and belong to the surgery we would appreciate their return.

Dispensary staff report some recent difficulties with patients leaving messages for repeat prescriptions. Please wait until you hear the "bleep" before speaking or we may not be able to process your requirements due to missing information.

We have noticed recently that some of the appointments which have not been kept have been made in advance by patients who have then chosen to use the open access surgery or make an earlier appointment but then failed to cancel their original booking. In August we had 41 patients who failed to cancel or attend their appointments and have 17 reports of hospital appointments not kept. Please help us by ensuring all slots are cancelled if you are unable to attend.

COUNTRY WALKS

September walk

Our walk started from the village green in Ingham which is located at the foot of the western scarp of the Lincolnshire Edge, known as

the Cliff.

Archaeological evidence shows that there was originally a medieval settlement and a moated manorial complex in Ingham.

The village green is picture book stuff bordered by the original village school built in 1877, the village hall (very modern), a shop, a couple of pubs and a mixture of old and new properties.

Bright sunny weather made ideal walking conditions for the walk of approx. 6 miles on a circular route around Ingham.

There were plenty of points of interest en route as well as the views across the Trent valley to enjoy. We passed local

folk gathering sles from the hedgerows in anticipation of the festive season.

Next walk is Saturday 3rd October.

A walk of approx 6 miles along Nettleton Tops with superb views of the Humber Bridge and Lincolnshire Cathedral.

Walkers should meet at the village hall at 9-30am prepared for car sharing to the starting point near Nettleton.

Walkers are advised to wear suitable footwear, take a waterproof coat, a small snack and a drink.

Everyone is welcome to join in this free and healthy activity.

Future walk.

Saturday 7th November. Location to be arranged.

FLU VACCINES

The surgery is now making appointments for the annual flu vaccine. If you normally have one please make an appointment.

LOAN OF WHEELCHAIRS

Could you please ensure that all wheelchairs are returned in the same good condition in which they are loaned. We are disappointed to say that some of the wheelchairs are not being returned in the same condition that they go out in. Because of this we have to think about the cost of repairing them. As staff do not always have the time to

check them as soon as they come back, your deposit may be held until the wheelchair is checked.

AUTUMN FAYRE – SATURDAY OCTOBER 10TH

This event is going to be held in **Welton Village Hall between 2 – 4.30pm**. We hope you and your family will be able to come along and enjoy the fun. We are still looking for donations of Bric a Brac, jumble, and any kind of bottle for our bottle and glass stall. If you have any donations for the cake stall could you please bring them along on the day between 12 noon and 2pm

or phone Janet Godddard 01673 862570 or Roy Minnitt 01673 860980 who will arrange collection.

ANNUAL GENERAL MEETING 29TH OCTOBER 7.30pm – HEALTH CENTRE

We will be holding our AGM and would like to invite you to come along and meet us at this event. Dr Porter will be giving a talk on her travels. You do not have to be a committee member or driver to come along to this event, just interested in what goes on in your village and at the Health Centre. Please come along and enjoy this event.
