Welcome to Novembers Sudbrooke News.

Distribution
Brian Gardner
01522 752839

Lots going on this month, I can't believe Christmas is approaching so rapidly.

December and January's edition of Sudbrooke News will be combined.
Last date for articles etc. will be 20 November.

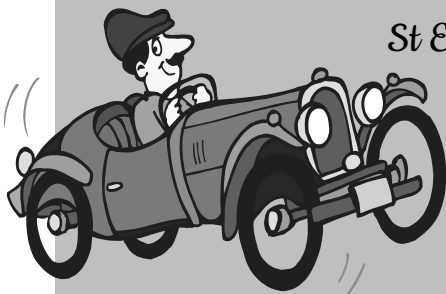

Mums and Dads, **please** bring Hayley's column on page 16 to your kids' attention. Hayley needs support and also a logo.....how about getting the kids to show their creative skills over half term. Incidentally, Hayley tells me teams are still required for the Pre School quiz night..... details on page 20.

The Old Codger continues his backward look at times gone past.....well worth a read. He also provides me with invaluable feedbackgood and bad !!!.....tells me he hears lots of comments about Sudbrooke News on his travels.....do you know who he is?.

....**and finally**.....this is a *SCAM* currently going on ~ **BEWARE !!!!!!!**

Police say that a gang, usually comprising four members, one adult and three younger ones, are operating in our area. While the three younger ones, all appearing sweet and innocent, approach the intended target with a show of friendliness, the fourth - the eldest - sneaks in from behind the persons back to expertly rifle through his or her pocket, or purse, stealing cash and valuables.....Be on the alert!!.....*I have just been sent a CCTV picture of a recent incident, too late to squeeze in here, but I've found space on page 23.....*

Nick

*St Edward's Drive will be closed for one week
commencing
16th November
due to carriageway
re-surfacing*

VICAR'S LETTER

The Vicarage, Langworth
Tel. 01522 – 754233

November 8th is Remembrance Sunday this year and wreaths will be laid at the three services listed in the Church Diary – perhaps especially poignant given the continuing deaths reported from Afghanistan.

Some of you will remember the Revd. Kenneth Jardin who was incumbent here from the late 1970's through to the mid-1980's. I am sorry to say that he died on the 6th October.

A new season of HC4U the Communion Club at Ellison Boulsters School for years 5 and 6 begins on Thursday 12th November – leading to a Certificate of Admission to Holy Communion presented by the Bishop of Grimsby in July 2010.

We know that Moslems have a pattern of prayer during the day. So do Christians – if they care to use it. It is based on the ancient Daily Office developed by monks in monasteries and refined by St. Benedict (480-550 AD). The original pattern comprises :-

Matins	- In the middle of the night or before retiring.
Lauds	- After Matins or in the early morning
Prime (first hour)	- Around 6 a.m.
Terce (third hour)	- Around 9 a.m.
Sext (sixth hour)	- Around 12 Noon
None (ninth hour)	- Around 3 p.m.
Vespers	- Before Dark
Compline	- Before retiring.

The pattern can be adapted to suit a person's daily schedules, if the full programme seems tough to keep on a regu-

lar basis. The important practice is to find a regular pattern of times to 'pause and pray'. Books to help are still published (with content for each short time) such as "The Divine Hours" (Pocket Edition) by Phyllis Tickle (2007 from Oxford University Press). This small pocket edition contains material for each day of a week divided into 'modern' language terminology and recommended brackets of times of :- Midnight / Night Watch / Dawn / Morning Office / Midday Office / Vespers / Compline. It is possible to pick three times and start with them, and then see if more are possible depending on circumstances – a regular pattern of Pausing and Praying is the aim.

Some people are often puzzled why some prayers in services are called "Collects". There is one for each Sunday of the year and for other days (e.g. Saints days) and purposes (e.g. the Collect for Purity). They are so named simply because the prayer "collects" the thoughts of the worshippers into one statement at appropriate points in the service. They are not just random prayers, but have a specific structure.

A rather nice, perhaps unfortunately phrased, notice I spotted in a church magazine was :- "Ladies, don't forget the rummage sale. It is a good opportunity to get rid of those things not worth keeping around the house. Bring your Husbands."

Yours in Christ,

Robert Spaight

LETTERS

Dear Editor

**Family Fun Day
Saturday, 12th September 2009**

Thank you to everyone who came to the event and had a great time. I have to say I think someone from above was definitely on our side, as the weather was sunny, hot and not a cloud in the sky, so we could not have wished for a better day. Everyone seemed to have a good time, especially the children, who loved the bouncy slide and the face painting. The BBQ, cake stall, raffle and wine or water stall also went down well.

I have to say a very big thank you to following local businesses that supported our event:

Sudbrooke Village Hall Committee (Hall and Bar) The New Station @ Langworth (Raffle Prize) Taylors Pet Shop @ Welton (Raffle Prize) Rand Farm Park (Raffle Prize) Tesco Supermarket (Raffle Prize) Woodside Falconry Centre (Raffle Prize) Sunday Raffle Committee @ The Bottle & Glass @ Scothern (Raffle Prize) Asda Supermarket (Raffle Prize) The George Inn @ Langworth (Raffle Prize) Nettleham Co-op (Raffle Prize) Morrison's Supermarket (Raffle Prize) Truswell Joinery @ North Greetwell (kindly made the water stocks) Bounce Around of Lincoln (Bouncy Slide).

We managed to raise an impressive amount of money on the day. Luke Harris and Sam Taylor, who are mountain trekking in the Atlas Mountains next year with William Farr School, raised £666.39 each, which will go a long way towards their £1375 total needed for their trip. I have to say a

special thank you to Mr. Walker and Mr. Smith, two teachers from William Farr School, who gave up their time to be placed in the stocks to help raise money. They both did an amazing job and were great sports on the day! Luke and his family have also donated £381.86 to St. Andrew's Children's Hospice in Grimsby. The hospice not only cares for children with disabling and long term degenerative conditions, but also welcomes the whole family into their friendly and homely environment offering them both physical care and emotional support.

Sam and his family are also donating money, at a later date, towards research into LAM. Lymphangioleiomyomatosis, is a rare terminal lung disease that mostly affects women in their mid forties. As a close family friend has recently been diagnosed with the disease, Sam and his family thought it a fitting cause, as to date it is not known how LAM is caused, there is no treatment available and no cure.

I have donated all the children's toys, books; video's and games left over from the fun day to the children's ward at the County Hospital, which were gratefully received. All the other items have been donated to St. Barnabas' Hospice for them to distribute throughout the local charity shops. That just leaves me to say a big thank you to all the friends and family who gave up their time and energy making sure that the day went with as little problems as possible. Ruth and I would not have been able to organize this event without your help.

Lisa Harris and Ruth Taylor

Dear Editor

I'm used to politicians talking a load of ****. We read it every day in the papers. What I object to is seeing it spoiling our lovely village ...It's got to stop...!!!

The huge piles of dog dirt along Scothern Lane are a disgrace. In fact two householders have put signs out asking owners not to allow their dogs to mess the verge. Who are these prats ? What goes through these moron's minds when their pooches deposit a t**d the size of a scale model of Mount Everest....? If I catch any dog walker allowing his pet to foul my front lawn in future I will

take him by the scruff of the neck, rub his nose in the mess and hit them with a rolled up newspaper.....That'll larn you !!!!

Rant over..!!!.....Please print this in the hope that the culprits will have second thoughts .They should carry a bag to either pick up the mess or place over their heads to hide their shame .

Name and address supplied but withheld on request

(****'s added by me ... Editor.)

Dear Editor

With Vera Lynn top of the Album charts and many programs about the war currently on TV including one about Land Army girls it got me wondering how the local area was affected .

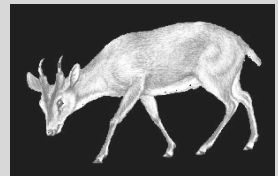

My wife was in the Land Army during the war and recently marched in the Remembrance Day Parade in London. She will be there again this year .Were there any Land Army girls stationed in

this area and if so where were they billeted? They usually had their own hostels. Did any stay on locally ,perhaps marrying other local lads ?...Where did they come from before being posted here.? Anyone with any knowledge of seeing them at work on the local farms or other places round here please pass on their memories via this magazine Thanks in anticipation.

Robin Jackson

Editors notes....October's letters

Anthony Wimpole.....*I have seen Muntjac deer on four separate occasions recently, once in someone's back garden nibbling their plants (scarpered before I could shout "redcurrant jelly") and the others in Sudbrooke Park.*

Jim Wharton*I invited Councillor Rawlins, our new County Councillor, to contribute to this magazine and forwarded your letter from last month's Sudbrooke News. Councillor Rawlins has not replied . Not much more I can do. Councillor Rawlins contact details are on the rear page of this magazine.*

PARISH COUNCIL MINUTES

NOTES OF THE MEETING OF SUDBROOKE PARISH COUNCIL HELD ON THURSDAY 3RD SEPTEMBER 2009 IN THE VILLAGE HALL, SUDBROOKE

PRESENT: Councillors Miss R Dobbs (Chair Person), N James, M Dickie, B Bartram, P Rignall, Mrs L Etheridge, S Curtis, County Councillor Mrs S Rawlins, PC D Morgan, Mrs C Myers (Clerk), Mrs B Solly (Treasurer), 3 members of the public

APOLOGIES: Councillor I Russell

Councillor Miss R Dobbs welcomed to the meeting County Councillor Sue Rawlins and PC Dave Morgan.

52 PARISHIONERS ITEMS

A report had been received about the poor condition of the footpath along Scothern Lane from St Edward's Drive and past the Millennium stone. This had been reported to the Highways Department for their attention by the Clerk.

Reports of pot holes around the double bends on Scothern Lane were reported. These would be referred to the Highways Department for in-filling.

53 POLICE MATTERS

PC Dave Morgan stated that he was following up enquiries about the breaking of a window at the Village Hall and he was hopeful that the culprit would be paying for the damage.

54 COUNTY COUNCILLORS REPORT

CC Mrs Sue Rawlins stated that she

was hoping to continue with the Welton Area Cluster Meetings commenced by her predecessor, the next meeting being 19th September 2009 at Welton Village Hall.

CC Mrs Rawlins had pursued the completion of the lighting in the area of the bus shelter on Wragby Road on behalf of the Parish Council but noted that it was only a light to the bus shelter and not a footway light which had been installed and this did not particularly help the bus drivers to see persons waiting at the bus stop. CC Mrs Rawlins would investigate the matter further.

55 DISTRICT COUNCILLORS REPORT

DC Curtis stated that the triple bin collection was due to commence during the next two weeks.

56 NOTES OF MEETING HELD ON 2ND JULY 2009 – These were signed as a correct record.

57 REPORTS OF MATTERS OUTSTANDING

a) Highway matters – Agreement was made that this be an agenda item for each meeting.

b) Parish Plan update /Allotments - Over 20 expressions of interest in taking on an allotment had been received by the Parish Council. The Parish Council considered the matter and agreed that although the preliminary discussions had been commenced by the Parish Plan Group, due to the involvement of a lease/ purchase of land/ finance it was now necessary that the Parish Council

PARISH COUNCIL MINUTES Cont'd

continue the control of the item in order to move forward.

The Clerk was asked to liaise with Scothern Parish Council Clerk, WLDC and local landowners with a view to securing some land to share with Scothern Parish Council for allotment use.

c) Street lights – Church Lane – The County Council street lighting department had stated that replacement of the street lights around the church to the heritage type lamps would be in the region of £2000 per lamp and the cost would be required to be borne by the Parish Council. It was felt this was a preliminary enquiry and would not be pursued further at present.

58 SHRUB TRIMMING/ MAINTENANCE

a) Northfield Park – Cutting back had been required due to branches overhanging in the children's play area and retrospective approval was given for this work.

b) Shrubbed area near to Millennium Stone and near to bridge on Scothern Lane – Consideration was given for cutting back both areas, particularly to the darkness/safety aspect. Cllrs M Dickie and B Bartram agreed to prepare a specification in order that quotations could be sought.

c) Village Hall – thinning of trees to front – It was considered that thinning was required to some of the trees fronting the Village Hall in order to provide more visibility to the Hall from Scothern Lane for security reasons. It was agreed that Cllr I Russell be consulted on this matter.

d) Trees requiring replacement –

Northfield Park – It was noted some of the previously planted trees had not survived and approximately five replacements were required. Cllr Bernard Bartram would consult with Cllr Ian Russell regarding the species required.

59 WOOD CARVING PROJECT

a) Suggestion of plaque to be placed near to wood carvings – This matter was discussed and it was felt that a plaque placed on the ground may cause additional problems i.e. vandalism and problems for the grass cutting contractors. A possibility was that a plaque could be mounted in the Village Hall to state the history of the carvings. Councillors were asked to give this some thought for the next meeting.

b) Crapping posts to afford weather protection – The Chair Person suspended standing orders and invited Helen Link to participate in the discussions regarding this. Mrs Link had sought costs for the caps in the form of stainless steel with various prices varying from £10 to £34 each.

Cllr Paul Rignall agreed to investigate the possibility of him making some caps and he would liaise with Mrs Link.

60 PURCHASE OF SPRING FLOWERING BULBS

Resolved that expenditure be made of approximately £50 for snowdrops and crocus bulbs.

61 CHRISTMAS TREE EVENT

The event will be held on Sunday 29th November 2009.

PARISH COUNCIL MINUTES Cont'd

The Chair Person suspended Standing Orders in order to allow Mr Roger Adams to speak on this subject.

Mr Adams informed the meeting that some new bulbs and a transformer were required and at this point he was unable to give any indication of the cost. It was agreed that these were essential items and that they be purchased when available.

A preliminary meeting will be held for those organising the event on 12th October 2009.

It was agreed that the sum of £200 be advanced to Mrs C Wright and Mrs S Harvey for the provision of items/food for the event.

62 LITTER PICK

Arranged for Saturday 10th October 2009.

63 FLYPOSTING IN VILLAGE

It was brought to the attention of the Parish Council that posters/balloons are being fixed to lamp posts/trees around the village, obviously to advertise events or special occasions/birthdays/anniversaries. Whilst the Parish Council had no objections to this the Clerk was asked to insert a note in the Sudbrooke News requesting that residents who do put up these posters/balloons etc please remove them after the event.

64 SPORTSFIELD REPORT

Condition of hedge to front of sports field, Scothern Lane – Some removal of brambles had taken place by the grass cutting contractors to the front of the

sports field on Scothern Lane which had resulted in most of the hedge being pulled out. The Clerk was asked to contact the owner, Mr P Truelove, and seek his views on replacement.

65 SUDBROOKE NEWS – Change of Printer

A competitive price had been received from an alternative printer allowing for delivery direct to the Editors house. The printer had also guaranteed the price for a year for 10 issues. Following consultations during August the printing of the magazine had been carried out by the new printer and was very satisfactory.

A letter of thanks had been sent to Mr Godfrey Green expressing appreciation for his collecting the magazine during the last few years from APS Printers.

66 PLANNING

a) Applications

Barfield Farm, Wragby Road – 124550 – Change of mixed use offices and residential dwelling back to full residential status – No objections.

54 Windsor Close – proposed extensions and alterations – 124695 – No objections subject to window on gable end having obscure glass.

18 Scothern Lane – 124606 – demolish bungalow and replace with new dwelling - application withdrawn

3 West Drive – alterations and extension to existing dwelling – 12446 -no objections

b) Appeal – Land at Woodland Way,

PARISH COUNCIL MINUTES Cont'd

West Drive – Appeal allowed on ground (g) but otherwise dismissed.

67 RISK ASSESSMENT – This item was deferred until the next meeting of the Parish Council.

68 FINANCE

69 CHAIRMANS COMMENTS

Favourable comments had been received concerning the work carried out by Mr Eric Pitt to the seats and

notice boards in the village. The Chairman stated that she would be writing personally to Mr Pitt to thank him for his efforts in restoring the seats.

Approval was given for the Chair Person to attend the Annual General Meeting of the Lincolnshire Association of Local Councils to be held at Horncastle on 7th November at a cost of £18.50.

70 DATE OF NEXT MEETING – Thursday 1st October 2009

PARISH COUNCIL REPORT

Report of Parish Council meeting held on Thursday 1st October 2009

Present:- 5 Parish Councillors, the Clerk, Treasurer, PC Dave Morgan and 2 members of the public.

Police Matters - PC Dave Morgan reported that the person who had broken the window at the Village Hall had agreed to pay for the damage.

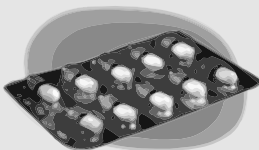

Allotments – Several local landowners had been approached with a view to obtaining land for allotments but were either unable or unwilling to release some land for allotments. Discussions would continue with WLDC and Scothern Parish Council with a view to finding some suitable land.

Shrub trimming - Approval was given of a quotation for the trimming and tidying of the shrubs and trees near to the Millennium stone and around the bridge at the junction of Holme Drive. Quotations will be sought for the thinning of the trees fronting the Village Hall in order to make clearer the visibility around Hall.

Bulbs – Crocus and snowdrop bulbs have been purchased for planting around the village for spring flowering. *Helpers required for planting please – contact Bernard Bartram on 754798.*

Village Hall Security Lighting – The Parish Council contributed £400 to the Village Hall Management Committee towards the security lighting recently installed.

Christmas Tree Event – This will be held on Sunday 29th November commencing at 3.45pm at the tree. If wet the event will be held at the Village Hall.

NETTLEHAM MEDICAL PRACTICE - PRESCRIPTION ORDERS + THE 48 HOUR TURNAROUND

In recent weeks a growing number of people have requested repeat or other prescription medication to be ready the same day or the following morning. While we endeavour to meet the needs of people in emergency situations we do request that this be the exception rather than the rule. The 48 hour turn-around takes into account the full process of issuing prescriptions correctly, which often involves checking medication records or even email contact with the relevant GP, and also enough time for the prescription (which will be one of several hundred) to be signed by the GP in between surgeries, home visits and the many other tasks of today's General Practitioner. We have established that for this process to work efficiently and safely, we require the full 48 hours.

Your consideration of this would be very much appreciated.

CHRIS JENKINS "AERIALVIEW" 11 Brinkhall Way , Welton .

The Old Codger.....

At last !!...we have secured the services of a lovely "Yummy Mummy" who is going to devote herself to serving the needs of all younger readers. I hope all you teenagers and Mums and Dads with young children will give her the support and same response I have received from the Village EldersWe have heard it mentioned that we Oldies have too much input in this magazine and I agree that it may well be true ,mainly because younger folk have not written or e-mailed in very often ... Well now is your chance to change all that !....Good Luck Hayley !!! ...

At Scampton Village Churchyard, together with numerous graves of allied airmen there are about ten or so graves of young German airmen...

By virtue of the fact that they are dated at three or four different times and several at each time, it would appear as though they were the crews of bomber aircraft. The fact that they are buried there would make it seem obvious that they must have died, probably shot down, locally.

What I would like to know is what they were doing so close to this village? It is annoying that I know more about enemy action in the last war in the rest of Europe, thanks to books and TV, than I know about what happened in my own backyard, so to speak.(or over it at least). Is there any local historian or resident who knows of air raids in this area? Was Lincoln bombed? Were the airfields nearby subject to raids? If so ,during the day or night ? What if any was the damage caused to life or property? It is very likely that enemy planes actually flew over our village .

Another question I would like answered is, what happened if you were the owner of buildings or property that were demolished or damaged by enemy action during the war? .Was there any compensation paid by the government? Insurance companies include in their policies that they will not pay out for damage caused by enemy action during time of war. So

was the cost solely borne by the owner of the properties?

If anyone knows or can find out (I don't even know where to start looking) I am sure that it would be of interest to other readers of the Parish . If you can help, please e-mail or write to Sudbrooke News and share your knowledge of what is ,after all, our history and fast vanishing from memory. Anyone who has not visited the churchyard in Scampton village will find it very moving and I recommend a trip theretake a large handkerchief !

The Headhitter has waved his magic computer wand and come up with two web sites on this subject. I recommend them to all interested parties if you have access to a computer....they don't actually cover my precise questions, so if anyone in the village has more information on the Scampton war graves and local air raids, or saw enemy planes over our village, please E mail or write in.

The web sites to look up are... <http://100squadron.com/scampton1.htm> and <http://www.bbc.co.uk/ww2peopleswar/stories/42/a2526842.shtml>

I had occasion to call in at a shop in Lincoln the other day and to my surprise found the door closed and there was a notice on it which stated CLOSED FOR LUNCH. It occurred to me that, in this day and age, it was very unusual for shops to close for lunch and it took me back to a time when most small shops closed for dinner. Almost all shops had a half day closureusually a Wednesday or a ThursdaySo much so that the AA book giving details of every town, listed the Half day closing in each towns' description details...only a very few village shops and the like opened on Sundays . Nowadays shop hours almost everywhere are very flexible. None of the rigid 9am to 5.30pm that used to be the norm .

Then I thought about Bank opening hours. It's not so long ago that there were no such things as a cash machine (hole in the wall) dispenser where you get access to money 24 hours..... In those days all Banks had the same opening hours10am to 3pm.....Monday to

Hello Sudbrooke's Next Generation !!!

Dear Mums, Dads and Guardians, Club Organisers/ Runners

I am currently the Chairperson of Sudbrooke Pre-school Group. I also represent them on Sudbrooke Village Hall Management Committee. I am CRB checked and my only intention and purpose of this feature is to fulfil what has been asked of me..... I have been asked to help increase interest from the younger generation and lose the stigma that Sudbrooke News is only for the elderly reader. By letting you and your children know what events and clubs are on locally and letting them have their views in the village news - I hope to boost community spirit and ensure that current and future clubs get continued support.

Thank you

Hayley Campling

hayley_smiles2003@yahoo.co.uk

I am strictly for use by those aged between 0 and 18 years !!!

These pages will be yours... for your say, news, clubs and upcoming events that will be on in your village and local area. These are your pages so if there is anything you would like to see or put in, forward it to me at the email address below. From birthday wishes to sponsored waddles, band practices to gigs, fun days to school plays...

We still need a name and logo! The chosen name and logo will be printed and used in future issues of Sudbrooke News - only on our feature pages though! So if you fancy seeing your art and lingual talent in print then send your entries to me, email: hayley_smiles2003@yahoo.co.uk or drop it off at 20 Greenway, Sudbrooke and Nick will make sure it gets to me. Entries deadline: 17 November 2009.

If you have anything you would like to see in your next issue let me know...

**Please forward any of your views and news to me via email:
hayley_smiles2003@yahoo.co.uk**

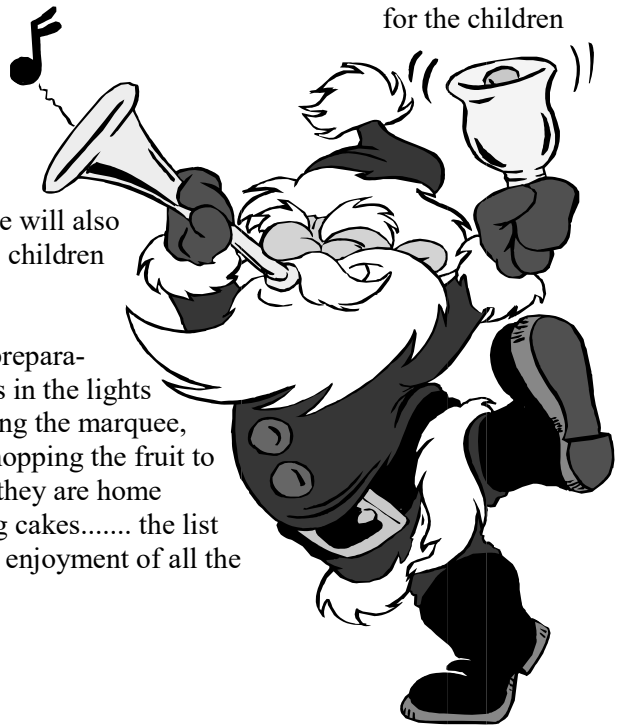

Christmas Tree Event

The 5th year for this now annual event for Sudbrooke – the switching on of the Village's very own Christmas Tree.

Please come along, bring the children and Granny, meet at the tree for mulled wine and mince pies at 3.45, have a sing along of a few popular Carols with the Beevor Band, then have a stroll down to the Village Hall to warm up with a Hot dog and another mince pie! The Bar will be open and the kettle will be on!

Father Christmas will be waiting as will the children's entertainer to amuse them while Mums, Dads and Grannies have a stroll round the stalls in the Bramham lounge and buy a raffle ticket for the super hamper! This year there will also be a lucky dip and a game for the children to play as well as a sweet stall.

This event does involve allot of preparation, from checking that the bulbs in the lights are all working on the tree, erecting the marquee, buying in the mulled wine and chopping the fruit to go in it, making mince pies (and they are home made on the morning), decorating cakes..... the list goes on – but it is fun and for the enjoyment of all the village so -
SEE YOU THERE.

JOINERY SERVICES

Doors, security locks, cupboards, wardrobes, curtain rails, shelves, garden gates, fitted or repaired. Kitchen alterations.

Stairs modified and timber roof line repairs.

With Bonfire night on the way I thought it would be an opportune time to mention again (and make no apologies that it is the same as last year) the legislation in relation to fireworks.

- The fireworks the Act makes it an offence to throw or set fire to a firework in the street and also makes it an offence to make a bonfire in the street to the obstruction, annoyance or danger of residents.
- Section 80 of the Explosives Act 1875 also makes it an offence to throw or cast a firework in a street or public place. The Highways Act of 1980 also covers the discharging of any firework within fifty feet of the centre of a highway.
- We now use the Firework Regulations 2004 Act. This prohibits any person under the age of 18 from simply possessing any firework in a public place except what the act calls a category 1 indoor fireworks such as party poppers or sparklers.

- **This act also allows Officers to issue fixed penalty tickets for offences such as Throwing Fireworks.**

- For this offence the Police can now issue an £80 Fixed Penalty Ticket, which has to be paid within 21 days. Failure to pay would mean a summons and ultimately a court case.

Just remember that fireworks themselves can be dangerous and cause annoyance and fear to many of our residents and pets. No one wants to stop people enjoying fireworks in safety in their back garden, but use them sensibly.

I would also like to give timely reminder also, not to let your youngsters go out of your house with eggs and flour or the shops to sell these products to the youths in the village with Mischievous night not to far away. Also be aware of where your child/children are going and with whom they are going around with.

Now the dark nights are drawing in can I remind parents to make sure that their children have lights for their bikes and

that they wear either something reflective or something bright to make sure that they can be seen in the dark. I regularly drive around in the evenings and early mornings to see paperboys/girls zig zagging across the road delivering papers. The lamplight is simply just not enough to make sure your child is seen. Adults please also remember that you need to be seen too!

If there are any schools or clubs which would like to borrow reflective vests for the children to wear if they are out and about on an organised activity we have

50 children's vests and 6 adult ones here at Nettleham Station. You can telephone us on 07944 776 801 and if no one else has booked them for that time, you are welcome to borrow them at no cost.

Please remember when reporting a crime please report them directly to Lincolnshire Police on 01522 882222 where your crime will be recorded by a dedicated call-taker.

Just for fun.!!

CHRISTMAS TREE EVENT – SUNDAY 29TH NOVEMBER 2009

This is a major event for the village each year but it doesn't happen on its own!

A bit of help is required to put up the marquee by the Millennium Stone on the morning of the event and then to take it down afterwards. Could you spare an hour on the Sunday morning and then again in the afternoon? Some help down at the Hall when clearing up after the event would also be welcomed, if you can push a sweeping brush you could land yourself a job!

Seriously, if you can help out, please give Martin Dickie a ring on 754342

SUDBROOKE COMMUNITY WOODCARVING PROJECT 2

“for the community by the community”

The village's second woodcarving project has now started and getting underway. The project this time around is to produce a number of carved single tree stump seats to be placed in the village, either as single seats or clusters of two or three depending on the number carved. The seats are of Ash wood and have been cut already by chain-saw into seat shapes. As you can see they are being put into good use when the tea and coffee break arrives! Over the first few sessions we have been removing the bark and pondering about the designs and images to be carved. Many thanks go to the carvers from our last project who have returned and to the new carvers who are getting stuck in and giving it a go. Among them are two younger folk who we are especially pleased to welcome. The fun and enthusiasm is growing despite the hard work of bark removing. By the time this article is read the proper carving of the images for the seats will have been started. A lot of good ideas are forming, exciting stuff! There is still plenty of scope and room for more people from the village to come along, so please do come and have a go. No experience needed. We are carving most Sunday afternoon between 2pm and 4pm at 36 Scothern Lane. Do drop by, give it a try, and be part of our latest project, or if you are out on a Sunday afternoon stroll then call round, see what's going on. Any encouragement will be gratefully received by all!

Helen Link (01522 595802)

BACKWARDS GLANCE AT SUDBOOKE NEWS

Issue No.80 dated June 1984

This included an extract from Kelly's Post Office directory of October 1876 which read ...Sudbrooke is a small parish 5 miles north east of Lincoln. Population is 68 residents ...Main crops are wheat ,barley and oats ...Area of 1000 acres ...Children of the parish attend Scothern school funded by the will of Richard Ellison Esq... Lord of the Manor is C.C.Sibthorpe Esq.. who is also the principle landowner...The village has a Norman Style Church with one bell...The church register dates from the year 1700 ...The living is a rectory and an annual sum of £182...The church was rebuilt in 1862 as a memorial to the late Richard Ellison who bequeathed the sum of £2000 for that purpose ...Transport to Lincoln is provided by horse carrier on Tuesdays and Fridays.

Am I reading correctly ...Population 68 residentsMy, how we have grown !!!! ...It would be interesting to know what it is in 2009 ...Anybody know ?

Editors note : The last electoral roll lists 1420 persons entitled to vote but no record of population is available .

Issue No 97 dated November 1985

Until this date children attending school in Welton had to travel on foot in all weathers to Scothern and then catch the free bus to Welton. This months edition announced that after many months of lobbying by our parish council a bus service would be provided at a charge of 10 pence a day from Sudbrooke direct to Welton.

Issue No.92 dated June 1985

It was announced at the Parish Council Meeting that a street map would be placed at the junction of Scothern Lane and Wragby Road, close to the bus stop.....Great idea !!!...What happened ?? ...Was it ever placed there ??...What about placing one there now ??

WELTON & DISTRICT ROYAL BRITISH LEGION

As you read this, the 2009 Poppy Appeal will be well under way. The need to support service and ex-service men and women and their families is, sadly, an ever-increasing commitment, so please continue to give generously as in previous years, and wear the poppy to show your support.

Our Remembrance Day service this year is on Sunday, 8th November at St Chad's Church, Dunholme, following the wreath-laying at the war memorial on the village green, which starts at 10.45am. All are very welcome to join in our national act of remembrance.

On Armistice Day, Wednesday 11th November, wreaths will be laid at Welton war memorial, once again commencing at 10.45am. If you are able, please come and join in remembering all who have given their lives in the service of our country.

Our next branch meeting, the Annual General Meeting, will be on Thursday, 12th November, at The Falconer, starting at 7pm. To find out more about the Royal British Legion, please contact the Chairman, Tony Davis, on 01673-860363, or the Secretary, Rex Gregson, on 01673-861197.

Housing Land Availability Assessment

In response to joint housing requirements set out in the adopted East Midlands Regional Plan, West Lindsey District Council, North Kesteven District Council and Lincoln City Council (all three authorities comprising the Central Lincolnshire Housing Market Area) are undertaking an updated strategic housing land availability assessment to review new development sites in the District.

To identify new sites for review, the Central Lincs HMA Authorities are calling upon local residents, Parish Councils, developers and landowners to identify all land and buildings that they consider have potential for development.

If you wish to put forward any sites for consideration please contact me no later than **25 November 2009**. It must be noted that identifying sites and buildings in the assessment does not guarantee their inclusion in revised development plans or that planning permission would be granted.

Loans up to £20,000 for local businesses

Start up or existing businesses that need a loan of up to £20,000 could have help at hand.

And if you have been turned down at the bank you could still qualify under the East Midlands Enterprise Loan Scheme.

SUDBROOKE GARDENING CLUB

October meeting.

Members were entertained by Andrew Sankey on the subject of 'Cottage Sayings and Superstitions'. For many

years Andrew has gathered information on unusual customs and cures practised in rural areas since Roman times. He is keen to preserve this information for posterity and invited anyone to add to his collection.

Inter village gardening quiz 14th October.

Gardening clubs from around the county competed for the prestigious Lincs. Echo trophy.

Sudbrooke's team of Pam Peace, Jenny Williams and Molly Preece acquitted themselves very well and were not far short of the winning teams.

The subjects covered were wide ranging and required a good knowledge of horticulture and its history.

The trophy winning team were from South Kelsey. Many congratulations to them.

Next meeting 14th December.

Will be hosted by Barry and Margaret Reeves at Tall Trees, 25 Wragby Road from 7-30pm.

There is no meeting in November.

Mike Halliday (Secretary)
Tel 754686.

SUDBROOKE PARISH PLAN

Footpath/cycleway in Sudbrooke Lane.

I am pleased to say Alan Brown, the Highways Manager at the County Council met Parish Plan Group

members on 1st October for a more detailed look at our requirement. The footpath/cycleway is achievable at a cost and Alan undertook to provide an engineer to complete a survey in order to establish a more accurate cost figure. This information is essential in order to lodge claims with funding bodies.

Improved access to Sudbrooke Park.

Members are considering the options available.

Next meeting of the Parish Plan

Group is Tuesday 24th November, 7-30pm at the village hall.

Membership of the Group is open to all Sudbrooke residents.

If any resident wishes to add a requirement to the Parish Plan action plan, do please come along and discuss it with the Group.

Mike Halliday, Chairman, Parish Plan Group. Tel 754686.

SUDBROOKE LADIES CLUB

At our **October meeting** we had an interesting talk by another home grown speaker, Margaret McCrone. Margaret

talked about a camping adventure to the remote Cape York, the most northerly point of Australia. We are very grateful to Margaret for entertaining us at short notice.

Forthcoming Events:

Thursday 19th November: 'Gift wrapping' – Judy McKay

Thursday 17th December: Christmas party in the village hall. Tickets £2 from Barbara.

We meet on the third Thursday of the month at 7.30 pm in Sudbrooke Village Hall.

Everyone is welcome to attend our

meetings and guests are asked to contribute £2.

We collect used stamps for St Barnabas Hospice and money raised by the book stall and small coin collection will be donated to a local charity when it reaches £200.

Further information: 01522-595736

Gill Rignall

AUTUMN LITTER PICK

Very many thanks to the volunteers who turned out on a bright sunny October morning to help clean up our village.

Unfortunately the number of volunteers was much lower than for previous events with only 13 adults and 3 children turning up.

This meant a much longer shift than usual to clean up our open spaces so well done to all the volunteers for completing the task.

West Lindsey District Council were very supportive in providing the essential clean up equipment and sending a road-sweeping vehicle solely for our use, the whole morning.

By noon on clean up day the village looked a picture in the sunshine. In total 21 bags of rubbish were collected.

The hedgerow in Scothern Lane was productive as usual- this time a large fish tank, 2 garden chairs, a cycle wheel and several lengths of black plastic tubing. If you do see anyone fly tipping please inform any Parish Councillor as it is illegal !

The amount of rubbish collected was slightly less than last year, so there is an improvement but still some way still to go.

It would be really helpful if all householders cleaned up the area outside their own property and encourage everyone to use the litter bins provided, it makes such a difference to the appearance of our village.

Mike Halliday

(Chairman, Parish Plan Group)

Bernard Bartram

(Parish Councillor)

WELTON FAMILY HEALTH CENTRE

Seasonal 'flu vaccinations have arrived and we are now in the process of offering these to the " at risk " group. We are also advised by the DoH that we should receive a supply of Swine 'flu vaccines sometime between 19 Oct – 9th Nov which will also be available to those " at risk". If you have symptoms of Swine 'Flu do NOT come into the sur-

gery but ring the National 'Flu Advice Line on 0800 1513 100 / NHS Direct on 0845 46 47 or the surgery for advice.

A reminder that in line with all other practices, a charge is made for all non NHS activity – e.g. letters re: insurances/holiday cancellations/medicals etc and this is payable at the time of

collection. If you are unsure whether or not a charge is due please check with our reception staff.

If you are asked to bring in a sample of urine for routine testing any clean bottle with a secure top is suitable, there is no

need to collect one from the surgery for this unless you are asked to do so. Please ensure your name and date of birth is clearly marked on the specimen.

Sallie Stead

COUNTRY WALKS

October walk.

The weather was dry but windy as walkers set off from Nettleton on a picturesque route around iron ore country.

The Wolds at Autumn time are particularly

attractive and at the summit of a wold you are rewarded with spectacular views in all directions.

Many thanks to Nick and Jane Seago for leading the walk.

Next walk is Saturday 7th November. A new walk for our group set around the attractive village of Fulbeck based on the western edge of Lincolnshire Cliff. The walk is approximately 5 miles and uses field paths, tracks and minor

roads.

Walkers should meet at the village hall at 9-30am prepared for car sharing to the starting point in Fulbeck.

Walkers are advised to wear suitable footwear, take a waterproof coat, a small snack and a drink.

Everyone is welcome to join in this free and healthy activity.

Future walk.

Saturday 5th December. In view of likely traffic difficulties with the Christmas market, we shall ensure the walk is close to Sudbrooke.

Mike Halliday
Chairman, Parish Plan Group.
Tel 754686.

WELTON & DISTRICT PATIENTS & DOCTORS ASSOCIATION

The Autumn Fayre was a big success with plenty of people turning up. We managed to raise in excess of £1400. We would like to say thank you to every body who was involved, we could not have managed without all the volunteer helpers who worked so hard on the day. We would also like to thank all the people and businesses who kindly donated prizes for the raffle and tombola stalls.

ANNUAL GENERAL MEETING 29TH OCTOBER 7.30pm – HEALTH CENTRE

We will be holding our AGM and would like to invite you to come along and meet us at this event. Dr Porter will be giving a talk on her travels. You do not have to be a committee member or driver to come along to this event, just interested in what goes on in your vil-

lage and at the Health Centre. Please come along and enjoy this event.

CHRISTMAS LUNCH - DECEMBER 11TH

The annual Christmas dinner is being held on Friday 11th December. Doors will open at 11.45am and lunch will be served at 12.15pm. The bar will be open for anyone wishing to purchase drinks. Tickets are £5.00 and can be obtained from the dispensary, Roy

Minnitt 01673 860980, Olive Sharland 01673 860174 or from The Spar shop at Dunholme.

Reminder -

Photographic Evening with Slide show and talk by acclaimed landscape photographer Clive Minnitt
Tuesday 8th December 2009 7pm start.
Sudbrooke Village Hall, Sudbrooke.

DUNHOLME CAMERA CLUB

Firstly just a reminder that the Camera Club will be holding its annual portrait sitting sessions on the weekend of the 7th - 8th November, if you are interested in attending on either day please contact Sam Ford on 01673 866677 to secure your place. You will be able to take away with you all of your purchases on the day and all of the sittings will be F.O.C and will be held at The Old School in Dunholme so easy parking and not too far to go.

We have 2 meetings during November the first will be our "Project Finale" on the 12th November so bring your project images also members please do not forget to bring all of your images for selec-

tion for the external competitions during 2010.

The 2nd meeting on the 26th November will be our annual "Chairman's Challenge" our Chairman Doug Scott has set all of the members of the club a challenge to take a cracking "Night" shot, taking photographs at night requires a little more thought so it will certainly be a challenge for the club members.

If you require further info about the Camera Club or any of our activities please do not hesitate to contact me.

Roger Hiscox 1940 -2009

Roger Hiscox had a long and distinguished career at the BBC before he became better known as a County and District councillor. He joined the BBC in Birmingham in 1958 by persuading the Appointments Department to modify its recruiting age criteria which was then set at 20; his perseverance was being demonstrated at an early stage.

He worked on radio outside broadcasting in Birmingham until he moved to Lincoln in 1979 to work on the launch of Radio Lincolnshire in 1980. With his outside broadcast experience he was a key figure in setting up the station which had the largest editorial area in the country. His passion for broadcasting together with his diplomatic and negotiating skills in often trying circumstances played a major role in the successful launch and development of our local station.

In the 1980's Roger followed his wife, Lesley, into active politics when she contested and won a seat on the West Lindsey District Council. He himself later fought both the Welton Division and the Ward on a number of occasions and whilst he lost more elections than he won he remained a doughty fighter right up to the end. He served on the County Council from 1993 to 1997 and again from 2005 to 2009 and on the District Council from 2004 to 2008. He was seen as an effective leader of the Liberal Democrats at the County Council and was much respected by the leaders of the controlling Conservatives.

His speaking method could be dry and he eschewed the theatrical approach which is seen as a disadvantage by those impressed more by style than substance. However he was articulate and was always anxious to ensure that his audience was clearly informed on issues. He had the useful knack of being able to empathise with his opponents' viewpoints while not necessarily sympathising with their position. He was a conscientious councillor who always worked hard and was always anxious to keep them up to date; his regular column for the Sudbrooke News was therefore an agreeable monthly task.

He was in poor health for some time but despite this he fought his last election in June of this year to the surprise, admiration and concern of his many friends on all sides of the political spectrum.

He died peacefully at his home in Hackthorn on 9th October 2009. He is survived by his wife, Lesley, and a son and a daughter.
