I can't believe another Summer has passed so quickly. I was lucky

enough to get some sun early on, an ideal time to catch up on reading whilst enjoying the local views !! I hope you managed to relax too.

I received a phone call recently saying there would be Salsa classes in the Village Hall. That's great I thought, something different to put on the burgers . Wrong !!

Anyhow, new dance classes come to Sudbrooke in September....page 15 for details.

Please support the Sports/Fun Day on Sunday the 12th September. I know a lot of effort has gone into making this a great day for everyone in the village....page 22 for full details.

This edition is being compiled on a "spare computer" I bought for a tenner and runs on coal. My main computer has a serious problem, despite returning from specialist repairer today..... it's going back tomorrow !!! Luckily I backup data regularly to an external hard drive so nothing serious has been lost. The point is, the magazine will not be out as early as I had wished, (but still in the first week of the month hopefully), fonts are missing and I have had problems with some adverts. Apologies.....normal service will be resumed next month.

Please keep letters/contributions or whatever you fancy coming into the Editor. Come on, **there must** be something on your mind or you want to share? This is **YOUR** magazine.

VICAR'S LETTER

The Vicarage, Langworth.

Tel. 01522 - 754233

Robert has passed the keyboard over to me this month and it is a great privilege to write this letter to you.

One of the best things about living in Sudbrooke is that we have such a beautiful little village church to share. An earlier church, built of red brick, was in use until 1860. Then, because that needed so much repair, it was demolished and our present stone church was built on the site from £2,000 left for the purpose in the will of Richard Ellison. It was completed in 1862. There are records however, which go back to 1271 and name the Rector of Sudbrooke, at that time, as Robert Galle – so we can assume that there was a medieval church here – real history in our midst.

Next month, during the second weekend in October (8th – 10th), several church festivals combine in our village. It is the weekend when we celebrate our Harvest Festival – a time to give thanks to God for all His gifts to us – especially our food. It is the weekend of our Patronal Festival when we remember our patron saint St. Edward the Confessor after whom our church is named and it is the weekend of our Flower Festival.

Your church will rarely have looked or smelled so lovely. It will be full of flowers and children's displays. There will be refreshments – drinks and cup cakes, adults' and children's prize quizzes, a cake stall and items on sale such as tea towels, picture postcards, packs of notelets, pens and pencils – all bearing the "Sudbrooke" name and perfect as souvenirs or, dare I say it, stocking fillers for Christmas. Information posters will guide you on a short journey around the church telling you about the history, about the lovely building, about St. Edward, about Christian festivals and about worship. (Perfect for school children of all ages as a number of the R.E. Attainment Targets will be addressed in the display.)

A journey to a holy place is sometimes called a "pilgrimage". Early pilgrims used to buy badges, such as cockle shells, on every pilgrimage which they stitched onto their hats thus showing to all the pilgrimages they had made. You won't be able to buy a shell when you visit your village church but you will be given a warm welcome and go away with a smile. It would be lovely to see you whether you pop in for a quick look, stay for a chat and a drink or join in one of the services.

Opening times and services are:

Friday 8th October:	2:00p.m. – 4:00p.m. Festival open.
Saturday 9th October:	10:00a.m. – 4:00p.m. Festival open.
Sunday 10th October:	9:00a.m. Holy Communion
	10:30a.m. Family Harvest Festival
	12 noon – 4:00p.m. Festival open.
	6:00p.m. Songs of Praise led by the Bishop of Lincoln. (Followed by complimentary cake and wine/juice.)

VICAR'S LETTER Cont'd.....

Please come along during one or more of these times and enjoy the Festival. Entry is free at all times but donations will be most gratefully received as we are facing some major repair work ourselves in the near future.

Yours, **Eleanor Clarke**

PARISH COUNCIL MINUTES

NOTES OF THE MEETING OF SUDBROOKE PARISH COUNCIL HELD ON THURSDAY 3RD JUNE 2010 IN THE VILLAGE HALL, SUDBROOKE

PRESENT: Councillors M Dickie (Chairman), S Curtis, Mrs L Etheridge, I Russell Mrs C Myers (Clerk), Mrs B Solly (Treasurer)

APOLOGIES: Councillors Miss R Dobbs, P Rignall, B Bartram, N James
County Councillor Mrs S Rawlins, PC D Thompson

20 PARISHIONERS ITEMS - There were none.

21 POLICE MATTERS – There were none to bring to the attention of members.

22 DISTRICT COUNCILLORS REPORT

DC Curtis had had a report that the area around the Park Gates was in need of a sweep. The Clerk would ask WLDC Street Team to organise this.

23 NOTES OF MEETING HELD ON 1ST MAY 2010 – These were signed as a correct record.

24 REPORTS ON MATTERS OUTSTANDING

a) Parish Plan Advisory Group – The next meeting of the Group will be held on 6th July.

b) Sports/Fun Day - It had been pointed out that an advertisement placed in the June issue of Sudbrooke News by the Parish Plan Group for the Sports/Fun Day did not state that the Sports Day event was being run on behalf of the Parish Council by the Parish Plan Group. It was emphasised that as this was a stipulation of the Parish Council's insurers this must be adhered to.

Councillor Martin Dickie agreed to assist with the Risk Assessment to be carried out on the day of the event and Councillor Stuart Curtis offered his help in the running of the event.

c) Village Sign – The closing date for suggestions is 15th June 2010.

d) Wood Carving – update – The Chairman suspended Standing Orders to allow Mrs Helen Link to speak on behalf of the Wood Carving Group.

Mrs Link reported that progress on the carvings was a little slow at present. Villagers from Scothern and Langworth had been invited to join the Group.

PARISH COUNCIL MINUTES Cont'd.....

e) Land for allotments – Cllr Stuart Curtis reported that a site meeting had been held at the suggested land in Scothern but there was no access to the area other than by crossing a neighbouring plot. An approach had been made to the landowner of that particular plot asking if he would consider leasing that area of land for allotments in order for access but this had been refused.

f) Erosion of beck bank, West Drive – A report had been made to the Witham Third Internal Drainage Board about the leaning trees and a reply was awaited.

25 HIGHWAY MATTERS

a) Street nameplates – Park Close – update – Councillor Stuart Curtis was arranging a site meeting regarding this item.

b) Area around Holme Drive, ART update, Wragby Road Bus shelter, Pot hole repairs - These matters were all still outstanding and a meeting with the Principal Highways Officer had been requested. The PHO had been unable to attend this Parish Council meeting but it was suggested that he meet two Councillors and the Clerk to discuss the outstanding works.

c) Street nameplate – Green Way – alterations/amendments to the street nameplates had been requested.

26 REQUEST FOR EXTENSION OF LEASE ON SPORTS FIELD, SCOTHERN LANE

A request had been made to the landowner of the sports field on Scothern Lane for an extension of the lease Lane beyond April 2011. However at the moment the land owners were mindful not to renew.

27 REQUEST FOR PROVISION OF A SKATEBOARD PARK

A petition of signatures for a request for a skateboard park had been given to Councillor Stuart Curtis. It was agreed to look into the possibility of costs and location for provision of ramps.

28 PROVISION OF BIN BAGS FOR RESIDENTS OF MAIN DRIVE/WEST DRIVE

It was reported that problems were constantly being encountered with residents having insufficient bags for the waste who were not on the normal wheelie bin collection service. Councillor Stuart Curtis offered to speak to the Waste Department and arrange for Councillor Mrs Lyn Etheridge to have a

PARISH COUNCIL MINUTES Cont'd.....

supply of spare bin bags for residents requiring them in the areas of Main Drive/West Drive.

29 PLANNING - Nothing to report

30 FINANCE

a) Approval of accounts 2009/2010 – The Accounts had been internally audited and found to be kept in a satisfactory order. Members were asked to complete the Annual Governance Statement required by the External Auditor and this was signed by the Chairman and Clerk.

c) Income – Advertising Revenue – Sudbrooke News - £168.00
Hire of football pitch - £70.00
Precept - £16,000.00

31 CHAIRMANS COMMENTS – There were none.

32 DATE OF NEXT MEETING – Thursday 1st July 2010.

Report of parish Council Meeting 1st July 2010

Lighting of the Millennium Stone

The cabling has now been installed and it is hoped that the lights will be switched on at the same time as the Christmas Tree.

Request for skateboard Park

Costings had been carried out which are in the region of £85,000. It may be possible to look into grant provision.

Allotments

Bardney Parish Council had offered surplus allotments to surrounding villages. Bardney Parish Council had been thanked for the offer and notices would be put in notice boards in the village.

Dates of future meetings

2nd September, 7th October, 4th November, 2nd December. All held at 7.30pm in the Village Hall, Sudbrooke.

Sudbrooke Skateboard Park

The Parish Council have received a petition signed by more than 70 people requesting a Skateboard Park in the village. If you have a view as to whether this is a good or bad idea please contact a member of the Parish Council. Also if you are one of the people who signed the petition and are willing to set up / join a committee to look into funding options for a Skateboard Park then please contact Bridget Solly 01673 857580 to discuss further.

No Littering.
A fixed penalty is in operation.
Failure to pay may lead to prosecution.

We have put these on all litter bins around the village and want to reinforce the message.

The next litter pick will be in October. Look out for signs around the village and in Sudbrooke News for the date.

SUDBROOKE COMMUNITY WOODCARVING PROJECT 2

“for the community by the community”

A word to all to say that the village stump seats woodcarving project is still going strong and quite a bit of progress has been made over the summer.

There is still much to do but it is exciting to see the works progress week by week. The weather has been very good for us over the past few months and its been a real joy to come together on a good day, be out in the sun under the shade of an old oak tree,(how romantic!) enjoying the carving and each others company and our all important coffee breaks! Much better than the type of weather we were getting as mentioned in previous up dates.

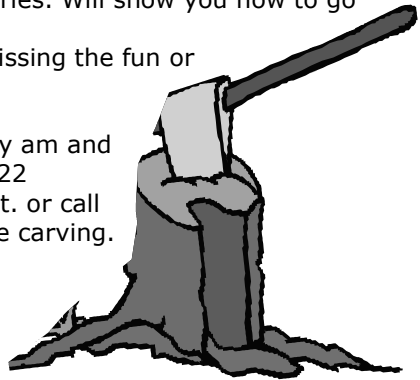

People have been dropping in from time to time to see what's happening or check out the wood on wood chipping sounds that come from the other side of the hedge. Great to have you call by please continue, we appreciate the interest, after all we hope you will enjoy sitting on the seats when we finish...the word 'when' being the operative word right now! But never mind, its fun and who's counting.

Still possible to come and take part too you know, I will find you a little carving job to get stuck in with, no worries. Will show you how to go about it so no reason to be sitting at home missing the fun or the coffee.

Call round on a Sunday pm or a Monday am and see what you think. Give a ring on 01522 595802 if you what to chat about it first. or call at 36 Scothern Lane on the days we are carving.

Hope to see you

Dear Editor

The recent mention of the ponds in the village woods and the lack of toads that used to be plentiful there makes me draw attention to the surprising lack of fish in the ponds. I have never seen any and you never see anyone fishing there. This is very strange considering the size of the ponds. I am surprised that no pike fisherman has slipped the odd pike in there which is the way which most pike get to inhabit lakes and ponds. Other fresh water fish are apparently spread by fish eggs sticking to the legs of water fowl which visit the ponds and there seem to be plenty of ducks, coots and other birdlife there. It would be nice to see people fishing. Even the school children don't seem to catch stickle-backs any more. I used to love seeing them with their jam jars with their string handles. I notice you can still buy fishing nets with bamboo poles in Becksides and at garden centres in Nettleham.

Dear Editor

Programs on TV at the moment contain many references to the Second World War and those days are even recalled by interviews with well known people who were evacuees during the Blitz. It brought back my own memories. I even remember Vera Lynn. Who would have thought that she would be top of the pops after all these years .

Then I recently watched a rerun on TV of the John Thaw film "Goodnight Mr Tom"

This film brought back memories for me of the time in 1941 when I was just one of the hundreds of snotty nosed little kids that were sent out from bomb ravaged London into the countryside to save us from the bombing. The film was very realistic.

I recall standing with my Mickey Mouse gasmask in a cardboard box on string round my neck and a label with my name on it at Newark station in the freezing cold being inspected by huge ladies with hair in rollers and scarves who prodded the evacuees and inspected us for lice and spots before selecting one

or two that they had been told to accommodate. To children of 5 to 10 it was truly terrifying. We had just been removed from our mothers as they wept and waved goodbye in London. Now someone was prodding us and shouting at us .. "Do you wet the bed.?" They had funny accents. I was petrified and had a bad stutter brought on by the aggressive interrogation.

However, I was really lucky !!! . The lady who chose me took me to her home at a vicarage about 10 miles from Sudbrooke where her husband was the local vicar. They were both so loving and kind to me that I remained in contact with them long after I was returned at the end of the war right up to their deaths a few years ago. However they did terrible things to me such as making me have a bath once a week .

I don't think I had ever had a bath before then and I had to attend church twice each Sunday. I had never set foot inside a church before. But I had a very happy time and had many friends in the local children and got a great education at the village primary school. I liked it so much that in my retirement I bought a home in this area and moved up here.

I wonder if any of the readers of this magazine remember the evacuees? Did any of you take them into your homes or were any of you 'Best Friends 'with an evacuee. It would be nice if any of you would tell your memories. Were you an evacuee yourself? How was it for you .?

The Old Codger.....

I have been involved in playing cricket all of my life. From schoolboy to OAPI used to be a fairly successful fast bowler with a pretty good average and in my early days used to open the bowling for my side. Fred Trueman was my hero and I'd like to think I was a poor man's imitation of him. Like most fast bowlers I suffered from the usual crop of injuries and after a few years slowed down to medium pace and moved down the bowling

order but used far less energy and subsequently had fewer injuries. Then as time began to catch up on me I became a lot less agile and conserved my energy by bowling slow off breaks as a finger spinner with a considerable amount of success which made me wonder why on earth I had previously wasted all that aggression and energy hurling down balls at great speed when the same results could be achieved by guile, cunning and strategic field settings.

As my bowling got slower my batting got better and I moved up the batting order from number 10 or 11 and with a much improved average I became a bit of a fixture at number 3 or 4 in the batting order. I stayed there for many years and my average was always in the high twenties over the season. The only thing that changed over time was the way in which these runs were scored. When I was young and fit the runs came in quick singles and in twos and threes with the occasional boundary.....As time caught up with me and I reached my fifties and early sixties a look at the score books will reveal that all of my runs were scored in either ones or foursNo more scampering for twos and threes and diving to avoid run outs. That was left to those fitter and younger than me.

Then after playing for over 50 years and whilst still with respectable averages for both bowling and batting but far more aches and pains and a few medical problems, I decided to stop playing and become an Umpire to keep myself involved in the game. I enrolled in the County Umpires course.

I never realised over all those years how much it takes to be a good fully qualified Umpire. The course ran for 3 winter months and was pretty intensive. The first thing that had to be studied were obviously the rules of the game and these are comprehensively contained in a four inch thick volume of WISDEN. Next you were shown several film clips of real life cricketing incidents in which an Umpires decision was neededEasy you might think !...After orally making a decision in front of a class of about 20 fellow students you are shown the same clips slowed down and with the hindsight of Hawkeye technology. Oh dear !...Did I get that wrong ...? It certainly focuses the mind and makes you aware of just

how skilful the Umpires in first class cricket really are. No one in my class came out of that period with any great distinction but we all came out of it older and wiser and determined to consider all the facts more carefully.

When you are sitting in front of a TV at home it is so easy to criticise the Umpires who have to make split second decisions about things that happen in the blink of an eye. The man in the middle doesn't have the benefit of all the technology that those wise old men commenting on the game have at their disposal. It is just amazing how often the match umpires get it right and just goes to show how extremely good they are. Obviously they now and again make the wrong decision but that's the game of cricket. On the whole, given the old saying about swings and roundabouts they get it right far more times than not .

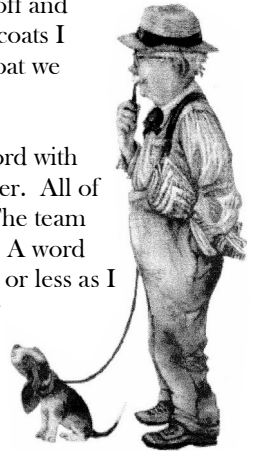

The thing drummed into students on my course was that in our class of cricket, up to minor County level, there is only one man in a position to make an accurate decision about most appeals and that is the Umpire. He is the only man behind the bowlers arm. The only man who is standing still in line with the stumps and able to see the turn or flight of the ball. Everyone else is leaping about, has an obscured view of the matter and very often is carried along on the sheer enthusiasm of his team mates in appealing. As an Umpire you have to make your own decision and be certain in your own mind about it. Not be influenced or intimidated however strident and vociferous players are in their appeals. Luckily for us, in our level of cricket there is seldom any dissension shown once a decision has been made . What's the use anyway ? The decision is always going to stand. Players in our village league know only too well. You win some, you lose some. Now and again the decision goes against you, but mainly the decisions are correct .

We were read an excerpt from the biography of that famous Umpire Dicky Bird in which he describes how after giving a batsman "Out LBW" the player passed him on his way back to the pavilion and muttered "That were never out ! "....Dickey Bird replied caustically - "Well, we will see what the papers say tomorrow morning "....The next day the Sports page recorded B ### LBW ...bowled F * * * *. There you areIt must be right.... It says so in the papers .

On my very first match as an Umpire I was in the pavilion at Nettleham paired with a very experienced old Umpire with many years of the job behind him. The Home side had won the toss and elected to field. The weather was dull and drizzling with rain but the forecast was that it would shortly brighten up and the rain would stop. Whilst we waited in the Pavilion those lovely ladies who were always present preparing tea, sandwiches and the like were hovering about and one came up to me and asked " Cup of tea Umpire ?" I gratefully accepted . The Pavilion was very crowded. The bar was open. In those days Pubs closed in the afternoons on Sundays which resulted in a good crowd every home match who were able to enjoy a few pints in the Cricket Pavilion. Because it was raining most of the public and both teams were crowded inside and it was quite stuffy and warm. The nice lady came up to me again after several inspections of the weather showed that it was showing signs of the rain stopping and play would be likely to start again soon ..."Another cup of tea Umpire ?" "Yes please !"...I said gratefully.

Then the rain stopped and out we all went onto the field of play ..After the nice warm Pavilion it was quite chilly and cold with a strong breeze. After a few overs I began to feel an urgent need to spend a penny and it became very uncomfortable. I spoke to my fellow Umpire and asked him what I should do as it was obvious that I couldn't hang on much longer before a visit to the toilet. He very helpfully with a sneer told me "Thou should have gone before thou came out young man ." There's me a 60 year old being called "Young man !" ...Very helpful. !! He pointed to the 40 or so spectators seated watching the game and said "Well you can't stop the game just so you can toddle off and have a pee. Can we ? In my day when we all wore those long white coats I always used to carry a funnel and a milk bottle but with these short coat we have to wear nowadays we can't do that can we ?".

He then called over the Captain of the home side and had a quiet word with him and play continued briefly with the Captain speaking to his bowler. All of a sudden the fast bowler suddenly fell to the floor grasping his leg. The team Physio came racing onto the field and began treating him for cramp. A word from my fellow Umpire and off I raced for a visit to the gents. More or less as I arrived back on the field the bowler miraculously recovered and play was able to continue but not before the Club Captain sidled up to me, winked and said " I think that's going to cost you 12 pints in the bar Umpire. Don't you ?" It did ... and I have never forgotten it. I never again drank before a match .

GARDENING NEWS

Holiday time was spent in the Shropshire-Welsh border not far from Powis Castle an imposing National Trust property, with wonderful views over the Welsh countryside. The castle was very interesting, showing the collections of furniture, paintings, sculptures collected by the Herbert family. Many treasures from India are displayed in the Clive Museum.

However the biggest attraction for me was the gardens and grounds surrounding the castle. The castle stands high on a hill and the garden consists of terraces with herbaceous borders, going from a great height, with stone steps and winding paths leading down to a flatter area with rose gardens and mixed borders.

The gardens are beautifully kept, and a large lawn area showed the family coat of arms, which had somehow been sculptured into the grass.

I came home to my more modest garden to find the weeds gaining on us, and some serious work needed to catch up.

In the front garden it is pleasing to see how well the Salix tree has responded to the drastic surgery early in the year. It is now looking bushy and healthy again.

The wall baskets are flourishing, but will need some dead-heading.

The most troublesome weed is the Mares tail. After two weeks break, it is taking over again—more hard work to deal with it.

The greenhouse is now in need of a general clear out and wash down ready to reline it with bubble wrap, in readiness for the winter. Bubble wrap is a good insulating material which will keep the heat in, and saves using a heater until it is really cold.

The vegetable garden is now supplying beetroot, carrots and onions, and the brussel sprouts and cauliflowers are now growing well following a good rain fall. From the polytunnel we have been harvesting cucumbers and tomatoes. The peppers are growing well and we are waiting for them to change colour.

Although many of the gardening tasks are slowing down, there is still a lot that will need attention during the coming autumn.

Happy Gardening

Old Codger's Postbag

Dear Old Codger

In answer to the "Old Codgers" article on pushchairs — may I add to this by asking what has happened to waterproof prams? When my two boys (Now aged 40 and 42) were babies, prams and pushchairs were totally waterproof. Nowadays one has a large plastic cover to go over the lot when it rains. Have you ever tried to get one of these plastic covers onto a modern pram or pushchair in the rain accompanied by a howling gale? Worse still, when the rain stops and you take it off it drips down your legs and onto your feet. You then have nowhere to put it until it dries off. Is this really progress?

I have a totally waterproof golf jacket (not a cagoule). This is made in a very attractive fabric which would be very stylish and suitable for any modern pram or pushchair. Considering the price of a modern pram is it too much to ask that they be made waterproof.

My other gripe is these silly small sun umbrellas which you have to re-adjust every time you turn a corner. Why can't you have a simple FLAT ONE THAT RETRACTS INTO THE HOOD AT THE TOP AND PULLS OUT WHEN required to attach to the handle thus creating a complete canopy.

Come on expectant mums, lobby the pram manufacturers.

Yours hopefully

Jenny Williams

BACKWARDS GLANCE AT SADBROOKE NEWS

Issue No.126 dated April 1986

Mr Jacklin donated an area of land in the centre of the village for the construction of a children's play area.

It has been put to good use and is a definite asset to our villageWell done Mr Jacklin!

Local historian Terence Leach accepted an invitation by The Village Hall Committee and gave a lecture on the history of Sudbrooke Holme and it's origins and owners. There were slides and photographs to illustrate his talk which was well attended. (I am sure that such a lecture would prove just as fascinating today ...I wonder if the speaker could be persuaded to repeat it if asked ?)

Rachel Cannon of Chestnut Close a clarinettist played her way through

qualifying rounds and won a place in the finals of The BBC Young Musician of The Year. She joined The Guildhall School of Music in London in the Autumn after attending Chethams Music School in Manchester after leaving William Farr School at Welton.

It is a great pity that in Sudbrooke News these days we never hear of achievements like this (there must be many of them in the village). How about it folks ...!! If you know of any person who has achieved something special of which we all can be proud E mail or write in to the editor and lets all celebrate their successes .

Issue no 255 dated July 1988

This edition contained announced the ending of Sudbrooke Tennis Club due to shortage of members .Tennis court facilities were still available to individuals . (Shame !!)

LOCAL RUGBY PLAYERS ...Three young lads Chris Wilburn ,Robert Telezynski and Ben Spratt had been selected to play at Twickenham on 23rd May 1988 before 50,000 spectators at a Barbarians Match as part of the Lincolnshire under 10s team in the National Youth team finals which proceeded the main gameWhat a great achievement !!

.How come we never get reports of the youth of today and their honours ?.I am sure there are many !!...Come on you parents !!...Write in or E mail and tell the EditorLet us all share and be proud of their achievements .

COMPUTER CLASSES

Computer classes will again be offered this autumn 2010 in the Area Community Education and Training Centre at the Old School, Dunholme.

The courses are run by qualified volunteers and are self funded. All courses are tutor lead and give one to one tuition as when required.

To achieve this only six students will be accepted on each course.

Enrolment will be on first come first served basis.

However a waiting list will be maintained and as new courses will start in the spring term of 2011 the first places will be filled from the waiting list.

Two classes for beginners are offered; one on Tuesday morning 9.30am to 11.30 am and the other on Thursday afternoon 12.30pm to 2.30pm. There will also be a course for those who know the basics but wish to do a little bit more. This is the Beyond the Basics course on Thursday evenings at 7pm.

It is the time of year again when the Practice receives the results for the National Quality Indicators. We are delighted to announce the results for 2009/10 in which the Practice achieved an outstanding 97.11%. Dr Sultan would particularly like to thank the Practice Team for this exceptional achievement and the patients for their continued support.

The Practice has also received excellent results for the NHS Patient Satisfaction Survey 2009/10. In particular, results of outstanding note are 95% for access to a GP within 2 working days and 94% for the indicator whereby a patient can book an appointment more than 2 days ahead. Full details and more information regarding the Practice Achievements and Patient Survey are on display in the waiting room at the Ingham Practice.

The Practice took part in the West Lindsey Open Churches weekend in May which proved very successful. They put together a colourful display in the porch of Ingham Church using the Practice colours of red, white and blue and many warm and appreciative comments were received.

We are progressing our plans for development of a new multi-purpose minor operations suite attached to the rear of the present building. This is particularly exciting as it will enhance the services offered at present.

COUNTRY WALKS

July walk.

8 walkers enjoyed a lovely walk around Wragby and Goltho in glorious weather. Points of interest included 2 moated sites near Wragby, the 13th century chapel at Goltho and discovering a wonderful picnic area between Great West Wood and Goltho Wood. Carved tree trunks depicting wild life protect pick-knickers from the wind and a large table with benches completes the luxury.

August walk.

12 walkers followed the paths of Roman Legions in the Wolds around Fulethby, Belchford and Hemingby. The weather was fine and the varied scenery was quite stunning. Welcome refreshments were taken at the Bluebell Inn in Blechford. Many thanks to Nick and Jane Seago for leading the walk.

Next walk is Saturday 4th September.

We shall try the eastern half of the circular walks starting from Wragby taking in Langton By Wragby and Goltho. The distance is approx 7 miles and the terrain is good footpaths and bridleways but can be muddy if it rains. Walkers should meet at the village hall at 9-30am prepared for car sharing. Walkers are advised to wear suitable footwear, take a waterproof coat, a small snack and a drink.

If you wish to walk and need a lift, do please turn up. Everyone is welcome to join in this free and healthy activity.

Future walk Saturday 2nd October.

Walkers should meet at the village hall at 9-30am prepared for car sharing. The venue is to be agreed but will be within a reasonable distance to Sudbrooke.

NETTLEHAM AND CHERRY WILLINGHAM SURGERIES

Flu Vaccinations Programme

We hope to commence our flu campaign towards the end of September. Following the success of our Saturday morning flu clinics, we shall again be running our flu clinics on various Saturday mornings throughout October at both Nettleham and Cherry Willingham surgeries. We will be providing limited Thursday evening clinics at Nettleham for those patients who genuinely can not attend on a Saturday. Vaccination is available for patients who fit one of the criteria listed below:

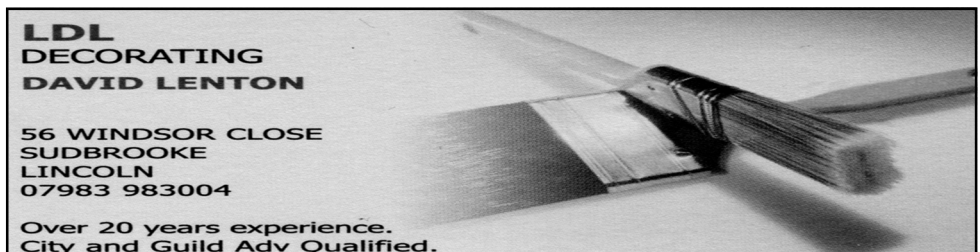

- Aged 65 or over
- Have Chronic Heart Disease
- Have Chronic Respiratory Disease (including Asthma when regularly using an inhaled steroid)
- Have Chronic Liver Disease
- Have Chronic Renal Disease
- Have Diabetes
- Have Suppressed Immune Systems
- Are a Carer
- Have Multiple Sclerosis
- Currently pregnant

Please contact either surgery from the beginning of September to book an appointment in one of the flu clinics.

Staff

Jenny Bunn, one of the practice's medical secretaries has just retired after 36 years with the practice. Some of you, I'm sure will have had contact with Jenny over the years. The practice would like to wish her a very happy and well deserved retirement.

SUDBROOKE GARDENING CLUB

July meeting.

Members enjoyed a splendid day out at Renishaw Hall in Derbyshire. A conducted tour of the hall in the morning was followed by a good lunch. Some calories were then burnt off exploring the delightful themed gardens and large lake. Family museums and art exhibitions were also available.

August meeting (AGM).

The meeting was hosted by Pam Peace who has a very large mature garden. Numerous shaped borders provide interesting walkways between the planting schemes.

A large pond with a high waterfall is an excellent central feature as well as a haven for wildlife.

Members adopted the balance sheet presented by the Treasurer- the club remains viable despite the credit crunch.

The Officers were re elected as follows:

George Preece as Chairman.

Barry Reeves as Treasurer.

Mike Halliday as Secretary.

New members are always welcome, please contact the Secretary or any member for details.

Next meeting is the Autumn Show to be held in the village hall on Monday 13th September. The Show is open to all Sudbrooke residents. Please see the separate notice in this magazine about entry classes, times, prizes etc.

SUSBROOKE PARISH PLAN

Group members will meet at the village hall on Tuesday 14th September at 7-30pm to decide if it is appropriate to dissolve the group.

All of the requirements in the Parish Plan action plan have been dealt with and unless new requirements emerge, the work of the group is probably completed.

The meeting is open to all residents of our village, so please turn up if you have a requirement or opinion on the future of the Group.

WELCOME TO SUSBROOKE VILLAGE SIGN

Quality rather than quantity sums up the response from residents for design ideas.

Work is currently ongoing to cost the different style sign posts following which the various signs will be considered and costed.

Many thanks to those people who submitted designs.

SUSBROOKE'S BEST KEPT FRONT GARDEN COMPETITION

In early July 6 gardens were short listed for final judging. I am delighted to announce the winners as follows:

First place, Chris and Linda Hitchens at 1, Pelham Close.

Second place, Bernard and Marilyn Bartram at Church View Cottage, Church Lane,

Third place, Eddie and Val Fairs at 32, St Edwards Drive.

Very many congratulations to the winners.

Although the seasons are changing, I am sure the winning gardens are still looking good, so do please look in as you pass.

My thanks to Gardening Club members for judging the competition and to Mandy from Scothern Nurseries for generous sponsorship and help with the final judging.

Mike Halliday
Secretary, Sudbrooke Gardening Club.

WELTON FAMILY HEALTH CENTRE

We are pleased to announce that our first GP Registrar, Dr Muhammad Adnan is now in the Practice and will be here until April 2011 and then again after completing a further hospital rotation. Dr Adnan is a fully qualified doctor who is learning the General Practice side of medicine. He will be sitting in on some consultations or seeing individual patients during the next few months under the mentorship of Dr Andrew Barber and Dr Nicola Porter.

The Practice is taking part in a recently piloted scheme to enhance the care of our elderly patients, particularly those over seventy five years of age. This involves evaluating each individual patient and ensuring that appropriate services are offered and available where needed. As part of this project, we are also looking at alternatives to hospital admission in certain circumstances and are working with Lincolnshire PCT and United Lincolnshire Hospitals Trust to this end. Some patients may receive a letter from the Practice to do a self-evaluation and we would greatly appreciate assistance with this.

Could we please remind patients that all telephone calls to and from the surgery are recorded to protect both parties. It is with regret that we find ourselves quite regularly having to listen to recorded calls as a result of staff receiving verbal abuse over the 'phone. Anyone guilty of this may receive a warning letter from the Practice and action will be taken to remove patients from our list if warranted. If there is cause for complaint or dissatisfaction with any aspect of our services we ask patients to speak or write to the manager so that it can be properly investigated, not swear or upset staff who are only carrying out their duties.

In July we noted 61 patients had booked appointments with us which were not kept or advised us cancel. In addition we were notified of 21 non-attendees at hospital appointments. Please call in, write, telephone or text us to cancel if you are unable to attend so that others may benefit from the appointment. (Text to 07930 880337)

DUNHOLME CAMERA CLUB

September can still be a warm month in our calendar and still plenty of time to get out and start to record the changing scene in the country side, with the trees starting to change colour and the start of the Autumn colours across the county it's a great time to get out with the camera and have a go at some landscape photography, in fact for the members of the Camera Club it's a great idea as we have our "Chairman's Challenge" a Landscape photograph later in the year so especially for the club members get out and find the winning image for the competition.

September sees 3 meetings at the club our first on the 2nd September will be a "Photoshop Night" so make sure that you bring your laptops and the more talented will endeavour to bring the members up to speed. Our second meeting on the 16th September will be a night when the members will bring the images that we took on our night out in Lincoln during August to show the other club members. And finally on the 30th September we will have a speaker "Colin Lusby" (subject matter unknown) who will entertain us for the evening.
