Welcome to Septembers Sudbrooke News.

Thank you to everyone who passed on a completed pro forma letter expressing interest in an allotment in Sudbrooke. If you haven't yet expressed interest and want to, I have re run the pro forma letter. It is encouraging to see the Parish Plan Group is now handling the issue on behalf of the Parish Council.

A great response to Paul Yeoman's query to the Old Codger on the origins of the four graves of RAF servicemen in Nettleham cemetery. Thank you. Unfortunately, a very sad answer.....page 6.

This is the first edition with our new printers. Savings have been achieved and from the trial copy I requested and have seen, the print quality is equally as good. I would like to take this opportunity to thank Godfrey Green, former Editor, for reliably collecting the magazine from our previous printers every month.

Want to keep in touch with what's going on in Sudbrooke when you are away? See page 19 for details.....

Congratulations to the winners of the Best Kept Gardens competition..... I am now encouraged to remove my front garden from the European set-aside scheme which I successfully managed to convince her indoors was still running.

Finally, a warm welcome to PC David Morgan our new Community Beat Manager. Good luck !!

Nick

VICAR'S LETTER

The Vicarage, Langworth
Tel 01522 754233

A prayer for calming us down in the midst of difficulties or crisis is the one known as the Serenity Prayer :-

"God grant us the serenity to accept the things we cannot change, courage to change the things we can, and wisdom to know the difference."

The prayer has been popularized through the work of Alcoholics Anonymous. Where it came from is still a mystery. Alcoholics Anonymous picked it up from a 1942 obituary in a New York newspaper. Protestant theologian Reinhold Niebuhr (1892-1971) later revealed he had written it as the ending of a sermon. After his death a similar prayer was found in the writings of Theodor Wilhelm, a German university professor who published using the name of the 18Cth Pietist Friedrich Oetinger (1702-1782). A similar prayer came to light appearing to be derived from a 14Cth source called the General's Prayer.

Quite a lot has been written recently about surveys of people's knowledge of the Bible when compared to previous generations. For instance, can you remember the 10 Plagues of Egypt – or the order they came in ? As a 'refresher' :-

1. Water of the Nile turned to blood (Exod. 7:20)
2. Frogs covering the land (Exod. 8:6)
3. Gnats covering the land and its creatures (Exod. 8:17)
4. Flies ruining the land (Exod. 8:24)
5. A plague destroying cattle and other animals (Exod. 9:6)
6. Boils or sores on people and animals (Exod. 9:10)

7. Hailstorm (Exod. 9:23)
8. Locusts destroying all plants (Exod. 10:13-15)
9. Darkness for three days (Exod. 10:22)
10. Death of the firstborn of people and cattle (Exod. 12:29)

Quite a collection ! Yet, important because they lead up to the Exodus led by Moses which ended with the Jewish People occupying "the promised land" : eventually, after a lengthy journey through the desert !

Then there are numerous "Numerical" questions for a Quiz. Take the number 7, for example. It appears a lot of times, e.g. groups of 7 of "this" or "that" : indeed the total of such groups of 7's is 107. Do you know what they are and where they may be found ?

The Bible is part of our English Heritage. Many common phrases in daily use are drawn from it, e.g. :- "My brother's keeper" "An eye for an eye" "The apple of his eye" "Rod of iron" "Writing on the wall" "Straight and narrow" "Wolf in sheep's clothing" "The blind leading the blind" "Physician, heal yourself" "Eat, drink, and be merry" "The root of all evil" Our language used to be filled with apt quotations from the Bible and Shakespeare. It was a natural part of our heritage. It would be sad to see this pass away – through ignorance or laziness. It is already somewhat disconcerting to find that Americans know their Bibles and the works of Shakespeare better than many, many people in this country.

Yours in Christ,

Robert Spaight

LETTERS

Dear Editor

Sudbrooke Wood carving- Marker Posts

On behalf of the wood carvers I would like to say a BIG thanks to everyone who has commented so encouragingly over the Marker Posts installed around the Millennium Stone in the village. It is lovely to get feed back, especially when it is good!

An extra thanks goes to both Katie Gosling and to Horace Scope, and our editor Nick for their letters and comments in August Sudbrooke News, for taking the time to write in to express their

appreciation of the work. We are so glad and delighted the posts are proving to be a hit and giving pleasure to the people of the village. The next community project starts this month, so do come along, and be involved. (please see details in this edition)

I have taken up the thought of capping the posts for better rain protection and will be approaching the PC on this point at the next council meeting. Thanks for the concern Horace.

Many thanks again to all

Helen Link

Dear Editor

We would like to congratulate the gentleman who cleaned up the seats adjacent to the Millennium Stone, they look like new now.

On another point, loved the little article from Cambridge University 'more brain stuff' - surprisingly we found it easy to read, amazing just by having first and last letters in the right place!

Norman & Bette Draper

Ed.....I am indebted to the following who wrote to me in response to Paul Yeoman's letter to the Old Codger about the graves in Nettleham graveyard of four RAF servicemen. The contributors are:

Chris Pearson, Nick Cornwell-Smith, George Broadbent and "Pete".

I have chosen to print Pete's letter on the following page as this succinctly answers the question and also serves as a reminder to us all of the dangers our servicemen and women faced and continue to face on our behalf.

Nick

LETTERS Cont'd

Dear Editor

I am just retiring from the RAF and my demob station is RAF Scampton.

I saw Mr Yeoman's letter in the August edition of the Sudbrooke News and in response, I can offer the following information concerning his enquiry:

On Tuesday, October 14, 1975, an Avro Vulcan B MK.2 XM645 of IX Squadron, RAF Waddington, crashed during landing at Malta's RAF Luqa airbase. The following is an extract from the much longer story, with photographs, that can be found on this website: <http://www.flightlinemalta.com/airaccidents/XM645/>

Just before hitting the runway, the Vulcan's port wing sank dangerously, making contact with the ground. As a result the main wheel undercarriage on that side was torn off and fell onto the runway. During landing, the port (left) undercarriage collapsed forcing the crew to overshoot to do another circuit for an emergency landing on foamed runway. The aircraft slid on its belly for some time, damaging the undersurfaces, although the pilot managed to put all four Olympus engines into full throttle to force his crippled mount back into the air. Air Traffic Control warned the pilot about the damage, and that his aircraft was on fire; he replied that he would do a circuit and attempt a belly-landing on the same runway after it had been covered in foam. On the inbound track of the circuit pattern, the aircraft suddenly exploded, breaking into two main sections and a smaller third part which floated down into Zabbar, trailing a thick pall of smoke. Over Poala village, two para-

chutes were seen, and a few seconds later XM645 turned into a fireball. The pilot and navigator, the only two crew members provided with an ejector seat, were thrown out with the force of the explosion and managed to escape by parachute; the other five members of the crew were killed.

The four airmen killed in the accident, Sqn Ldr Beeden, age 38; Flt Lt Lambert, age 42; Flt Lt Pulman, age 34 and Sgt Atkins, age 31, were buried at Nettleham; Chief Technician Barrow was the fifth airman who died but is not buried at Nettleham.

This information was provided by Mr Mervyn Hallam, the Curator of the Dambusters Museum at RAF Scampton. Receiving my request for information, he contacted a colleague, Mr Hodgson who provided the link to the website.

This seems an opportune moment to remind readers that the RAF Scampton Dambusters Museum is open for all to visit, by arrangement only, through Mr Mervyn Hallam on 01522 683856/731462 or Mr Roger Crisp on 01522 500738.

There are a number of websites describing the museum but the official RAF site is here: <http://www.raf.mod.uk/rafscampton/aboutus/rafscamptonmuseum.cfm>.

The Museum is now located inside Hangar 1 on the airfield and if you're lucky on the day of your visit, you might even see the Red Arrows.

Help with litter pick Saturday morning 10th October

The onset of autumn is an ideal time to clean up the village before winter arrives.

If you can spare some time to help, please meet at the village hall from 9-30am to enjoy a hot drink or fruit juice and chat to other volunteers. A short health and safety briefing will be held and equipment issued in readiness for a 10-00am start.

The more volunteers we get, the quicker the job is done. Past litter picks have taken around one hour or so but any time you can give would

be helpful.

Litter will be collected from open spaces and communal areas only. Would all householders please clean up the area outside their own property as this makes such a difference to the appearance of the village. Volunteers should, where possible, bring protective gloves with them as there may not be sufficient litter grippers for everyone.

We look forward to seeing you.

SUDBROOKE GARDEN COMPETITION 2009

During the early summer a panel of judges from the Parish Council and Sudbrooke Gardening Club walked round the village on a number of occasions, their mission was to find, in their opinion, the best kept and most colourful front garden which had the potential to look good all year round and could be viewed from a public thoroughfare.

This proved no easy task with a fair number of potential winners, however six were selected and from these a second judging took place to identify the final three which were in their own right very different gardens.

Scothern Nurseries, who donated some gift tokens to be spent at their premises, sent one of their senior horticulturists to judge these three and select a winner. Again this proved to be a difficult task and in the end it was decided they decided to award prizes to all the finalists as a reward for their efforts.

The final results were as follows;

1ST PRIZE went to Terry and Carol Clayson for their garden at 17, Northfield Avenue. The judges comments were "Lots of interest and colour in a relatively small garden, well thought out and beautifully maintained".

2ND PRIZE went to Colin and Gill Houlthby who take pride in growing a large number of their own plants at 22, Holme Drive and **3RD PRIZE** went to Eddie and Val Fairs for their oriental style garden at 32, St Edwards Drive.

Congratulations to the winners and a big well done to everyone who put that little bit of extra work in to enable Sudbrooke to have so many wonderful gardens.

A big thank you also to Scothern Nurseries for their sponsorship, especially Mandy Hackney.

WHY NOT DO A LITTLE BIT EXTRA YOURSELF NEXT YEAR, IT WILL BE OPEN TO ALL AND IT COSTS NOTHING TO ENTER.

The Old Codger.....

When the Headhitter asked me to write a column for Sudbrooke News it was an offer I couldn't resistAfter allhe's bigger than meHe is the Blackadder to my BaldrickBut I have a cunning plan !!I call him SIR and he loosens the grip on my throatSimples ... !!!

Who dares wins !! ...as COLUMBO said when he INVENTED America.....There I gojust like everyone else I am letting TV influence my thoughts and my conversation. It is truly amazing how TV has become such an important part of all our lives ...We all watch it, we all discuss it and we all are influenced by it in what we spend our money on. The way we vote ...what we eat and drink and how we spend our leisure time .

Just think back to just after the last warHardly anyone owned a TV....the wireless was king!!....(My grandchildren keep telling me off for not calling it radio). Can any other Old Codgers of my age recall having to walk to the nearest place to supply what was called an accumulator and get our own one charged up and then lug it back home again to provide power for the family wireless. The thing was half the size of today's car battery and seemed to weigh a ton to a small childRemember...Few folks owned a car in those daysNettleham was the nearest stockist and top up point ... The whole family would gather round the one wireless in our home set in pride of place in the living room and Mum or Dad would tune into either The Home or Light programmesNo multiple choice thenIt was years later that we were able to receive Radio Luxemburg and even later to receive the Pirate radio stations .

Itma ..Vera Lynn ..Housewives choice ... Workers playtime ...Gracie Fields Wilfred Pickles ..The Glums ...Educating Archie ...The Navy Lark ...Forces Favourites and of course The Goon show ...and Dick Barton ...Also during the war years ..Lord Haw Hawwere heard by just as large an audience as any of today's soaps on TV...Catch phrases of the day were greeted by hilarious laughter both by studio audiences and listenerseven though they were the same each week....Who can forgetCan you hear me mother ? !!!...Can I do you now Sir? !!!...The Day war broke out !! and many similar and equally stupid remarks .

The sports coverage was great especially the boxing commentaries by Raymond Glendenning of fights by Bruce Woodcock ...Randolf Turpin,...Don Cockell and Freddie Mills etc ...In those days they were usually fighting for a

world title and as there was only one world title it really meant somethingNowadays with about five Mickey Mouse tiles at each weight it has devalued the very name World title.

At 5pm every Saturday ...half of the nation was glued to the radio for the soccer results ...to check the football pools looking for those magical 8 drawsThe news reader had that magical inflection in his voice that indicated either a home win ,a draw or an away win that was an art in itself .

Then came the Coronation and almost overnight our world changed foreverTV had come to the massesIn those early days it was usually in the form of a 6 inch screen mounted in a cabinet the size of a fridge with double doors at the front.....and of course the screen was black and white ...The Big Wigs in charge of programmes decided it was time to educate the masses and we were subjected to opera ...balletorchestral classical music ...and panel gamesThere were no sports programmes and certainly no soapsDuring daytime the screen had what were called test cards for about four or five hours at a time followed by a view of a slowly rotating windmill .Nothing else until early evening when children's hour introduced us to Muffin the Mule with Annette Mills speaking in a very posh accentTo us it was all magical and those who did not have a set themselves would walk for miles to visit posh rich relatives who possessed oneWe would then sit on hard chairs with the lights off goggled staring at the tiny screen in complete silence. How times have changed ...!!!!.....Never mind I am just a silly Old Codger but there are plenty like me still around .

Thanks for all your letters and E mails with questions about the village and local area . The Headhitter has promised to print as many as he can as time and space permits so keep sending them in.....If it interests you it will interest plenty of others so don't delayput pen to paper or finger to computer now.

My especial thanks go to the readers who sent in the replies about the RAF graves in Nettleham and included web sites that give the full story of the tragic loss of life that occurred when a Vulcan bomber from RAF Waddington crashed in Malta killing the crew members who lived locally. Such a terrible loss of life that is all the more relevant with the news almost daily of our current casualties being sustained in current conflicts. We should all be so proud of our servicemen and women and a visit to these graves to pay our respects is the least we can do to honour them . Our thoughts as always go out to the families and friends who lost their loved ones.

Hello to everyone from the Nettleham area Neighbourhood Policing Team. I am PC 440 David Morgan, and have replaced Mark Lassmans as the Community Beat Manager for the area

This is my first report and due to editorial deadlines is being written before I actually start my new role. Hopefully by the time you are reading this I will have been around for a few weeks.

Firstly I would like to thank Mark Lassmans for doing all the hard work over the years that he was here. He really has made it easy for me to step into his shoes ! He will be missed and I hope I can do just as good a job. Also I should thank my new deputy PCSO Jackie Parker, who has had to hold the fort at Nettleham on her own for the past couple of months.

A bit about me, I joined Lincolnshire Police in 1995 and have worked in response and community beat roles in Lincoln, North Hykeham, and the Market Rasen sector, and also a short spell in Lincoln as acting sergeant. I had to get past 2 other excellent candidates for this role, and now have to live up to all the things I said I would do in the

job interview !

My role as Community Beat Manager is to be the point of contact, and the public face, for Neighbourhood policing in your area. This area is made up of the following villages:

Nettleham
Riseholme
Reepham
Cherry Willingham
Fiskerton
Short Ferry
Stainfield
Bardney
Southrey
Langworth and Stainton by Langworth
Sudbrooke
Scothern
Holton cum Beckering
Apley and Goltho
Bullington
Rand
North Greetwell

Obviously some are bigger than others, but they are all equally important to the people that live there.

Recently there was an incident in Sudbrooke Woods where a male exposed

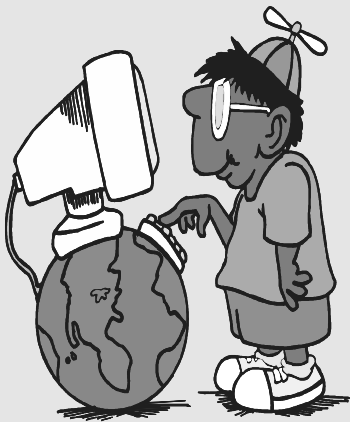

himself to 2 young girls. This appears to be an isolated incident, but it does serve as a reminder for parents everywhere to check where your children play and make sure you are happy with the areas they go to. There have also been problems around the Lincoln area with distraction burglaries, where the thief claims to be from the water board, or checking the gas etc. Please be vigilant and never be afraid to challenge an official for their identity cards. If in doubt contact the organisation they claim to be from, and if you are suspicious contact the Police. Also, following problems with youths on motorbikes in several villages, local officers have seized 2 mo-

torbikes.

I would like to take this opportunity to publicize the Lincolnshire Police website. There is a section for neighbourhood policing with links to the Nettleham policing area. There is a great deal of information that can be accessed from this site, as well as all of the contact details for your local team. It is www.lincs.police.uk.

I look forward to meeting you on my rounds and please do not hesitate to contact us at Nettleham police station if you have any concerns.

David

BACKWARDS GLANCE AT SUDBOOKE NEWS

Issue No1 dated. November 1977

Congratulations to Dr and Mrs T.D.Wallis of Oak Close on the birth of their 4th child a brother to Johnathan, Sarah and Simeon.

This baby is now a strapping 32 year old and works locally .Dr Wallis is now retired and still lives locally and is a familiar sight walking his new Labrador puppy around the village .Over the years he has contributed much to village life.

Issue No 11 Dated September 1978.

A competition had been running with a cash prize of £10 donated by a reader for whoever could form the most 4 letter words from the words SUDBROOKE NEWS....It was won by 11 year old Samantha Musson with a mind blowing total of 231.....There were many readers who took sent in their entries but not surprising no one came anywhere near the winning total ..I don't envy the editor of the day who had the job of authenticating the winning entry with his dictionary ...I wonder if Samantha still lives in the village ...if so write and tell us what you spent the prize money on . To all parents looking for something to keep the kids quietHow about seeing how many such words they can come up withCan they better the Oldies ..?

Issue No 32 dated June 1980

It was reported that the village primary school that had been promised and long awaited and expected to be built beside the new village hall had surprisingly been rejected by the educational authorities and would now be built at Scothern .There were many letters of protest and despite public meetings with the authorities and excellent speeches by leading members of the parish council and other villagers the vil-
lage school plans were scrapped. At this time Sudbrooke children were travelling to the old school in Scothern and the village school at LangworthSad though it ap-
peared at the time the new school has now been accepted as a fine place for our village children to be educated even if it means it's a bit further away

HALLOWEEN PARTY - BACK BY POPULAR DEMAND (HOPEFULLY) !

We have been asked many times if we are going to be doing any more of the Halloween parties at Sudbrooke village hall. After much thought we would like to hold a Halloween Party this year. Anybody that has been before will know that it is a fantastic night and usually the tickets sell out very quickly.

Before we start the planning and organising we need to know that the party will be a success and worth all the hard work! We need to make sure we can sell the tickets and people (18+only) will come along and have a great time.

Please see the front page of Octobers Sudbrooke news for full details and hopefully.....we'll see you there!

It will be Saturday 31st October at Sudbrooke Village Hall, 7.30pm. Tickets will be priced at £6.00 each.

Please ring Claire 754494 or Sally 753747 and pre-book your tickets so we can go ahead and get spooked up!

SUDBROOKE GARDENING CLUB

August meeting and AGM

A warm sunny evening rewarded Dave and Ruth Marshall's hard work in preparing their garden for the club meeting.

Their garden is a great example of maximising space and use with different areas providing sun or shade to suit needs.

The central lawn is surrounded by herbaceous borders containing a wide variety of plants. A lavender border leads to a good sized pergola covered with

Wisteria plants, one of which 'Rouge Cardinal' was still in flower.

One corner of the garden is set up for BBQs whilst a much-used summerhouse resides in another corner.

The patio area contained many potted plants including a Bougainvillea resplendent with purple flowers.

An illuminated Easter Island head is an intriguing feature at the bottom of the garden.

The quiz included questions on gardening and general knowledge and was won by the learned team of Gill Rignall, Margaret Halliday and David Bowles. Many thanks to Dave and Ruth for hosting the meeting.

AGM

The club balance sheet was discussed and adopted by members. The club is not immune from the credit crunch and it was noted that reduced income and increased expenditure had eaten into the club's reserves.

Members agreed to an increase in annual subscriptions and discussed other opportunities for increasing income.

Serving officers were re-elected:

George Preece as Chairman

Barry Reeves as Treasurer

Mike Halliday as Secretary.

Next meeting is the Autumn Show at the village hall on Monday 14th September.

The Show is open to all Sudbrooke residents. Please see the separate notice in this magazine about entry classes, times etc.

SUDBROOKE PARISH PLAN

A fairly quiet month. A reply is awaited from Lincolnshire County Council to establish a more realistic estimate of costs for a footpath/cycleway in Sudbrooke Lane.

An approach has also been made to Nettleham Parish Council for support with the footpath/cycleway. The Parish Plan Group is handling the requirement for allotments by residents on behalf of the Parish Council. Enquiries for potential funding are un-

derway but in order to put the requirement on a formal footing, it is essential at least 12 residents request the provision of allotments.

Would residents requiring an allotment please write to the Clerk to the Parish Council, Mrs. Chris Myers, confirming their requirement.

If it's easier please use the pro forma provided by Nick Truscott in last month's issue of Sudbrooke News.

Serving Cherry Willingham, Fiskerton and Reepham

We have had an exciting Summer as 6 people from our Church went to Kenya. Most of their time was spent at A Family Centre called the Ark helping with 5-9 year olds. This was run by a Christian couple called Clive and Mary. They also visited two orphanages near to where they were staying called New Life Home. Cat said "It was amazing and the children were delightful and loved to pray".

We look forward to hearing all about the mission very soon.

The Church at home has enjoyed a house service at Vic and Amanda's followed by a BBQ and a social evening.

WELTON & DISTRICT PATIENTS & DOCTORS ASSOCIATION

Autumn Fayre 10th October

Thank you to all of you who have responded to our plea of help for the Autumn Fayre so far. To make this event a success we need Jumble, Bric a Brac, Tombola and Raffle prizes as well as any kind of bottled item for the bottle and glass tombola. We will also be needing buns, cakes, biscuits, sausage rolls and anything else for the refreshment stall, but will ask for these either the day before or on the day of the Fayre.

If you have anything you wish to donate or would like to help at this event could you contact Janet Goddard 01673 862570 or Roy Minnitt 01673 860980.

Annual General Meeting 29th October 7.30pm – Health Centre

We will be holding our AGM and would like to invite you to come along and meet us at this event. We will be having a speaker, which I will give more details in the next magazine. You do not have to be a committee member or driver to come along to this event, just interested in what goes on in your village and at the Health Centre. Please come along and show your support.

Voluntary Help

If you feel you have a little or a lot time you could spare and would like to do some voluntary work to help the village why not contact Janet or Roy on the above telephone No's. You could do some voluntary driving (expenses paid) or join the committee.

Roy Minnitt 01673 860980.

WELTON FAMILY HEALTH CENTRE

At the time of writing the amount of telephone calls and queries regarding Swine 'Flu appears to have subsided, if only for a while. Thank you to everyone for your co-operation and keeping away from the Practice and following the recommended advice. We will continue to keep patients informed of events should the pressure increase again as predicted during the autumn months.

We hope that we will be in a position to offer the seasonal 'flu and the first of the two H1N1 Swine 'flu vaccinations at the same time where possible but this will depend upon delivery dates which are as yet unknown. We are also awaiting further guidance from the Dept of Health regarding priority groups for the

09/10 season.

The surgery will be closed for Bank Holiday on Monday 31st August and, as always, urgent calls between 6.30pm Friday 28th and 8.00am Tuesday 1st September should be made on 0844 477 3072 and directions followed for assistance.

In July sixty six patients failed to keep booked appointments at the Practice and we have also been told of seven at the hospital. As always, please help us by cancelling appointments if unable to attend so that others may utilise them.

Sallie Stead

SUDBROOKE LADIES CLUB

Everyone is welcome to attend our meetings and guests are asked to contribute £2.

We have a bring and buy table at meetings in addition to the book stall and our used stamp and small coin collections.

We meet on the third Thursday of the month at 7.30 pm in Sudbrooke Village Hall.

Forthcoming Events:

Thursday 17th September: talk on India by Jasmit Phull.

Thursday 15th October: 'Well dressing' – Mr Goodwin.

Thursday 19th November: 'Gift wrapping' – Judy McKay

COUNTRY WALKS

August walk.

The circular walk started at Boothby Graffoe with views of the remains of Somerton Castle and the magnificent valley beyond. From Navenby we picked up the old Roman road called Ermine Street with views eastwards across heathland to the Lincolnshire Wolds. We then skirted Harmston village as we picked up the Viking Way before passing through the beautiful village of Coleby as we made our way back to Boothby Graffoe.

The weather was mostly dry and clear enabling walkers to fully enjoy the views from Lincoln Edge.

Next walk is Saturday 5th September. A walk of approx. 6 miles around the Ingham area on mostly level terrain using footpaths, field paths and quiet lanes.

Walkers should meet at the village hall at 9-30am prepared for car sharing to the starting point in Ingham village. Walkers are advised to wear suitable footwear, take a waterproof coat, a small snack and a drink.

Everyone is welcome to join in this free and healthy activity.

Please note walks take place on the first Saturday morning of each month.

Future walk.

A walk along Nettleton Tops with superb views of the Humber Bridge and Lincoln Cathedral. Walkers should meet at the village hall at 9-30am prepared for car sharing.

WELTON & DISTRICT ROYAL BRITISH LEGION

This month's branch meeting will be held on Thursday, 3rd September, at The Falconer, starting at 6.30pm for the committee, with the main meeting starting at 7.30pm. This meeting will be a week earlier than usual, as on 10th September we are holding a special evening for our current Poppy Appeal Collectors, to thank them for their efforts in previous years and present awards to those due to receive them. This event will also mark the start of our preparations for the 2009 Poppy Appeal.

We are still looking for more collectors to carry out house-to-house poppy collections in Welton and the surrounding villages in our area. If you haven't had a knock on your door in previous years, it will simply be because we do not have anyone to make the collection in your road. If you could help out by becoming a Poppy Appeal Collector, please get in touch with our Chairman, Tony Davis, on 01673-860363.

If you would like to find out more about the Royal British Legion, please contact Tony Davis, as above, or the Secretary, Rex Gregson, on 01673-861197.

Dunholme Camera Club

Hi Everyone, it seems that the summer is flying by with the days drawing in we will have time to reflect on what we did, where we went and the pictures we took wherever we went on holiday? Have they turned out just as we remember the scene? Sometimes the pictures we take can be a little disappointing when we see them enlarged, maybe because the camera is usually left on "Auto" and can't quite cope with the scene in front of it.

If you find that you can relate to the above paragraph then get yourself along to the Camera Club during the winter month's ready for next summer and make sure that the pictures that

you do take a "Cracking Images"

We have 2 meetings at the Camera Club during September the first will be on the 3rd September when we will be reviewing the images that were taken on the night out during August so all members make sure that you bring your best 2 or 3 images and share them with us. The second meeting on September 17th will be our Project Review Night, I will send the details of what is required around to the members nearer the time.

If you are interested in joining the Camera Club just get in touch.
