Dear Editor

Oh What a Night!

My husband and I attended the preschool quiz night with a couple of friends on 24th April. We had heard that there was not much interest in so imagine our surprise when, arriving 15 minutes late, the place was packed with locals!

The quiz was a great success, the bar an even greater one! There was a break for food half way through with a lovely

variety of food and deserts ranging from meats, cheeses to salads and snacks. It was also great for my any husband like mine who does not eat beef or pork because he was still able to manage a plate to rival Desperate Dan's! We thoroughly enjoyed the evening and both commented that we would rather spend money on a night out supporting our local community and saving the cost of a taxi ride home (even if we cannot exactly remember the walk.....)

VICAR'S LETTER

The Vicarage, Langworth
Tel. 01522 – 754233

At the Annual Parochial Church Meeting, Lyn Curtis and John Edmunds were elected Church Wardens, and have since been Admitted to their Offices by the Archdeacon for the coming year. Brian Cardy retired from the PCC and Stephen Kenal was elected in his place, with Jeremy Wallis taking on the balance of his term as a Deanery Representative.

June is going to be quite a busy month with the 'season' of weddings starting, elections on the 4th, and the Lincolnshire Show on the 24th and 25th. Let us hope for some good summer weather – which it certainly is not yet as I write this in mid-May !

A hundred years ago, Pageants were greatly popular in Edwardian England. These involved the staging outside of 'montages' or 'tableaux' of real people (men, women, and children) enacting scenes from English History and English Church History (very often intertwined). Thus, in London the "English Church Pageant" was held in 1909. It is interesting to note that the Prelude featured St. George, St. Alban, St. Ninian, St. David ... and St. German (the patron saint of Scothern Church : sometimes locally spelt Germain).

Locally, on 21st July 1909 in the grounds of Sudbrooke Holme, the "Grand Empire Pageant" was held, involving numerous people. Photographs show that among the presentations were those representing :-

1. King Henry VIII, Queen Catherine Howard, and Prince Edward
2. Queen Catherine Howard on horseback with her retinue

3. The Archbishop of Canterbury and the Bishops of Winchester and Coventry
4. Queen Elizabeth I on horseback with Court Ladies
5. Queen Elizabeth's retinue – with 39 people
6. Morris Dancers
7. The Marriage of Rowena and Vortigern
8. Mounted Barons in the time of King John
9. The Signing of Magna Carta
10. The Vicar of Boston rebuking Dame Smythe for her worldliness
11. Queen Elizabeth with explorers such as Drake and Frobisher
12. The Landing of Hengist and Horsa (on the lake)
13. A Jester on a Hobby Horse in the time of Queen Elizabeth
14. Cromwell and the Vicar of Boston.

Scenes from National, Empire and Lincolnshire life. A substantial section was devoted to the Pilgrim Fathers - their departure and their adventures in the New World.

I imagine a good time was had by one and all who took part and it involved a great number of people in the community. I imagine there was a role for everyone – if they wanted it. Pageants are not so much a feature of our life today as they compete with so many other attractions. Yet, they were clearly a visual part of education about our national life and heritage a hundred years ago, and a community event. Perhaps, they might be fun to create again bringing our history up to date ?

Yours in Christ,

Robert Spaight

Dear Editor

A friend of ours lived in Scothern during the war. He says there was a training camp for the Royal Corps of Signals in the Park. He can remember a barrier with sentries on West Drive near the bridge over the beck. There was a searchlight where the copper beeches are on West Drive. He and his

pals would watch the soldiers doing training manoeuvres in the Park and on the lake. It was rumoured that the CO would march the men to Lincoln Station when they had finished their training!

Hope this is of interest,

Gordon & Kathryn Freestone

Dear Editor

Are we back to the good old days where we could leave our doors unlocked as we went about our normal duties without the concern that others maybe helping themselves to our hard earned possessions whilst our backs are turned for a fleeting moment, I fear not.

I also suspect not as there seems to be a prominent lack of input on the parish magazine from our local constabulary, in fact, very little, or none. Can we therefore safely assume that Sudbrooke village is a crime free zone?

On a closing note I have also noted a distinct lack of police presence around our village either by foot patrol or vehicle. Please provide more assurance to us residents.

A concerned Parish member

*Ed.....name and address made known to me.....sorry can't help, nothing has reached me for several months from the Police. There is another letter in this edition concerning Policing in Sudbrooke, so, in fairness, **I will make them aware so they have the opportunity to respond in next month's Sudbrooke News (if they wish to).***

Dear Editor

Thank you to all the girls who came to say goodbye to Gordon after brightening his mornings each day with their waves from the top of the red school

bus. It was great to meet them. Their photo is in pride of place.

Best wishes to them all.

Dear Editor

As a resident I am concerned that in your last magazine it mentioned that there had been several burglaries in the village. However it would be helpful if a few details had been included to show the times and places these had been committed so that residents could perhaps assist in being more aware of risks. I am not asking for addresses or exact details like that but streets and approximate times of the day ought in my opinion have been given. Can the police, whom I hope read this journal, please respond.

A retired Police Officer

Ed.....name and address made known to me.

I have to agree with you on this point....there is little or no information being made available on which we can make an individual risk assessment to protect ourselves. Is there any reason why we can't be told the day, date, time, rough location and modus operandi of a burglary, without invading the victim's privacy? It's great to hear children have been reprimanded for climbing on the Millennium Stone (I did a double take when I read about this heinous crime). I would rather know the details of burglary in the next street so I could review my own security.

It's with delight to be able to say that the **oak Marker Posts** that have been carved by people from the village have now been installed around the Millennium Stone. We do hope that they will bring a lot of pleasure to all who walk by and enjoy the carvings that depict various images celebrating aspects of Sudbrooke. We would like to

NETTLEHAM MEDICAL PRACTICE NEWS

Thank you to everyone who sponsored members of the practice team taking part in the Lincoln 10k run recently and as a result we were delighted to give the fantastic sum of £605 to Matts Fund.

With effect from 1st June the practice will be providing an anti-coagulation clinic on a Thursday afternoon in the surgery. If you would like to use our services please ask for details at reception. This service is not just limited to our own patients and may be more convenient for others living or working in the area who are not registered with our practice.

Along with the rest of the NHS the practice has been busy working on plans in order to ensure we can respond appropriately in the event of a major outbreak of 'flu. All households should have received a booklet from the Dept of Health advising what action to

take in the event of such a problem and we will work closely with NHS Lincolnshire and other practices to put services into place in the event of a pandemic declaration. Some patients will be aware that we have removed toys, magazines etc from the waiting room – this is hopefully a short term measure but as we are currently on a Level 5 pandemic alert this is a precautionary measure in an attempt to curb infections being transmitted in our waiting area.

36 patients did not attend for booked surgery appointments during April and we were advised of 11 failing to keep hospital appointments. Please help us to cut down the number of missed appointments where possible so that others can use them.

SUDBROOKE PARISH PLAN

The Group members met on the 21st April and items covered included the following:

Footpath/ cycleway in Sudbrooke Lane. Confirmation had been received from the County Council that planning consents are not required for this work but more detailed investigation work is needed to establish likely costs.

A bid for lottery funding has been made and other possible sources of funding were discussed.

Protection of the landscape and wild-life in the parish was identified as important to parishioners during the preparation of the Parish Plan. Group members reviewed the current protective designations in place for Sudbrooke Park.

It was also thought that a circular route through Sudbrooke Park avoiding the A158 would provide a valuable

amenity to the village. Approaches would be made to landowners to see if this could be achieved.

Social events in the village hall- no requests for any new activities had been received. If anyone would like to start up a new activity and needs some advice, please contact any member of the Parish Plan Group.

Some Group members had checked on the **adequacy of street lighting** resulting in a formal request to the Parish Council.

The **next meeting** of the Group is Tuesday, 14th July at 7-30pm in the village hall. Any resident is able to attend meetings and join the group.

Mike Halliday
Chairman, Parish Plan Group.

SUDBROOKE GARDENING CLUB

May meeting.

The meeting was hosted by Mike and Margaret Halliday on a dry but chilly evening. Fortunately the week before the meeting the weather had been warm and sunny encouraging the flowers to put on a show. These included clematis, lilac, rhododendrons, azalea and peony plants as well as self-seeded aquilegias and hellebores.

Plenty for the fruit and veg. enthusiast to see in the orchard garden.

The general knowledge quiz champions were Jenny Williams, Pam Peace, Ruth Marshall and Barry Reeves. Members discussed the day trip to Belton House on Wednesday 8th July and

agreed to open it up to people in the village. Anyone interested please contact Mike Halliday on tel 754686 for information.

Next meeting Monday 8th June. Will be hosted by David and Sandy Bowles at Stonebrooke House, 46 Scothern Lane from 7-30pm.

Sudbrooke Sports Fun Day Sunday 6th September

It's time to start thinking about the next Sports Fun day. For the past 4 years the event has been well attended and thoroughly enjoyed by everyone. I suggest Sunday 6th September as a suitable date say from 2-30pm to 4-30pm.

The events could be much as last year enabling all age groups to participate i.e. short sprints, wheel barrow race three-legged race. sack race, and egg & spoon race plus some relays and tug of war. Prizes to be awarded to contestants in 1st, 2nd & 3rd places. 32 events in all.

Before committing time and money to preparatory work, I need to be sure help will be available on the day. A minimum of 6 people are needed for up to 3 hours each to organise and officiate at races. If you are willing to help do please call me on 754686 before the 15th of June.

Some sponsorship of races would also be very welcome- please contact me if you are willing to do this. The going rate is £10 per race as in previous years. Sponsors names will be published in this magazine and at Sports Day if they have no objections.

COUNTRY WALKS

May walk.

The sunny weather tempted new walkers to join the group for the walk around North and South Carlton and Burton.

It's always interesting to contrast the characters of different villages but Burton is quite spectacular with the curved hew hedges down the main street bordered by attractive houses with their manicured gardens. As you would expect, the church graveyard (a test for any village) was in pristine condition. There was much speculation about the origins of the obvious wealth in Burton, was it from landowning families or from the industrial revolution when Lincoln produced much plant and machinery for farming and industry. Our thanks to Gill and Paul Rignall for leading the walk.

Next walk is Saturday 6th June.

The walk is in the Limewoods area around Bardney which has a wealth of wildlife and history. The distance is approx 6 miles and is on flat terrain. Walkers should meet at the village hall at 9-30am prepared for

car sharing for the short journey to the starting point in Bardney. We should return to the village hall no later than 1-30pm.

Walkers are advised to wear suitable footwear, take a waterproof coat, a small snack and a drink.

Everyone is welcome to join in this free and healthy activity. I look forward to seeing you.

Future walk

Saturday 4th July from the village hall at 9-30am. Venue to be arranged.

Volunteer Driver's Scheme

As a resident of the village of Sudbrooke it is reasonably safe to assume that you are also a registered patient at Nettleham Medical Practice and on occasions have a necessity to visit either the surgery in Lodge Lane Nettleham or at The Parade in Cherry Willingham. When this occurs how do you get from your house to the surgery, maybe you have your own vehicle and can drive there, or you may ask one of your neighbours if they would be prepared to take you, or you could call the local taxi service.

If you do not have your own transport, are you aware that the practice operates a **volunteer driver's scheme** who are prepared to collect you from your house, take you to the surgery, wait whilst you have your appointment with the doctor or the nurse (which a taxi firm will not do) and then take you home again. A service like this does not come free and a nominal amount is charged which covers the cost of petrol/diesel and any wear and tear on the driver's vehicle.

There are two of these volunteer drivers living in the village and between them they are currently available

Monday or Tuesday and Thursday or Friday and if you have an appointment at either of the surgeries all you have to do is ask the receptionist at the surgery when you make your appointment to arrange for transport to be made available for you to get to the surgery.

As a rough guide if your appointment was at Nettleham surgery you would be asked to pay between £2.50 and £3.00 for the service or if you had to go to Cherry Willingham you would be asked to pay between £3.90 and £4.20 for the service. These rates compare very favourably with local taxi services and bear in mind they will not wait for you.

There are other drivers living in other villages who would cover if your appointment happened to be on a Wednesday but as they would have to travel from their home to Sudbrooke and return to their home afterwards the cost would be slightly higher.

If you would like to make use of this service just ask the receptionist when making your appointment.
