Welcome to the June edition of
Sudbrooke News.

Every month it amazes me how it
looks as though the next edition of
Sudbrooke News is going to be "bare", but ends up bursting
at the seams as the deadline for printing nears. This month
is no exception, lots of things going on. I hope you find this
edition of your magazine both interesting and informative.

Advertising. Space is available. If you wish to advertise or renew your advertisement in Sudbrooke News, please contact me. Rates are very competitive and the magazine is delivered "free" of charge, ten times per year, to every household in the parish. If you want a hand with "artwork", please ask.

After Trinity Sunday on 3rd June, we enter in the Church Calendar that long summer period of Sundays “after Trinity”.

Being a Christian is not just about going to church – although that is important. However, as important – or arguably more so – is maintaining a healthy spiritual life and discipline. This is where one’s prayer life comes into play. It helps to build a regular practice.

We can sometimes learn good habits from other Christian denominations. For example, The Orthodox Church, rather like the old Celtic Church, have prayers for just about everything we meet in daily life. It has been said that the ecumenical quest is above all else the mutual discovery of other’s ways of prayer.

As a start to building a regular daily prayer cycle, I offer below three Orthodox prayers (for the Beginning of the Day, for Forgiveness, and for the End of the Day), as a gentle and simple introduction to developing one’s personal prayer discipline :-

Prayer for the Beginning of the Day

O Lord, grant me to greet the coming of the day in peace, help me in all things to rely in upon Your holy will. In every hour of the day reveal Your will to me. Bless my dealing with all who surround me. Teach me to treat all that comes to me throughout the day with peace and with firm conviction that Your will governs all. In all my deeds and words, guide my thoughts and feelings. In unforeseen events let me not forget that all are sent by You. Teach me to act firmly and wisely, without embittering and embarrassing others. Give me strength to bear the fatigue of the coming day with all that it shall bring. Direct my will, teach me to pray. And, Yourself, pray in me. Amen.

Prayer for Forgiveness

O Lord our God, if during this day I have sinned, whether in word or deed or thought, forgive me all, for You are good and love mankind. Grant me peaceful and undisturbed sleep, and deliver me from all influence and temptation of the evil one. Raise me up again in proper time that I may glorify You; for You are blessed with Your Only-begotten Son and Your All-holy Spirit, now and ever, and unto ages of ages. Amen.

Prayer for the End of the Day

O Christ our God, who at all times and in every hour, in heaven and on earth, are worshipped and glorified; who are long-suffering, merciful and compassionate; who love the just and show mercy upon the sinner; who call all to salvation through the promise of blessings to come; O Lord, in this hour receive our

supplications and direct our lives according to Your commandments. Sanctify our souls, hallow our bodies, correct our thoughts, cleanse our minds; deliver us from all tribulation, evil and distress. Encompass us with Your holy Angels that, guided and guarded by them, we may attain to the unity of the faith and to the knowledge of Your unapproachable glory, for You are blessed unto ages of ages. Amen.

Then, there is what is called "The Jesus Prayer" which can be used at any time, and as many times as needed, regularly during the day – said aloud or silently (depending upon where one is, e.g., in a meeting). I have discovered it in three forms :-

"Lord Jesus Christ, Son of God, have mercy on me, a sinner"

"Lord Jesus Christ, have mercy on me"

"Lord Jesus Christ, Son of the Living God, have mercy on me, a sinner"

All three forms are echoes from the New Testament ,e.g. the prayer of the blind man at Jericho (Luke 18:38) and the prayer of the publican (Luke 18:13)

Yours, in Christ, **Robert Spaight**

SUDBROOKE PARISH COUNCIL

MEETINGS OF SUDBROOKE PARISH COUNCIL ARE HELD MONTHLY, EXCEPT DURING AUGUST, AND ARE NORMALLY HELD ON THE FIRST THURSDAY IN EACH MONTH, IN THE VILLAGE HALL, SUDBROOKE, COMMENCING AT 7.30PM

Confirmation of dates of meetings can be made via the Clerk to the Council, Mrs Chris Myers on 823802

Members

Chairman – Martin Dickie - 754342

Vice Chairman – Peter Heath - 595061

Stuart Curtis - 751874

Rose Dobbs - 753060

Lyn Etheridge - 750905

Paul Rignall - 595736

Ian Russell - 754984

District Councillor Stuart Curtis – 751874

County Councillor – Sue Rawlins – 01673 885545

**Treasurer to the Council – Bridget Solly –
01673 857580**

BOOKINGS FOR SUDBROOKE VILLAGE HALL SHOULD BE MADE THROUGH LYN CURTIS OR STUART CURTIS - 751874

Parish Council Minutes - April 2012

ABRIDGED VERSION OF THE NOTES OF THE MEETING OF SUDBROOKE PARISH COUNCIL HELD ON THURSDAY, 5th April 2012 IN THE VILLAGE HALL, SUDBROOKE

THE FULL SET ARE AVAILABLE IN NETTLEHAM LIBRARY OR ON THE WEB SITE

PRESENT: Councillor B Bartram (Chairman), M Dickie, S Curtis, Mrs L Etheridge, P Heath, P Rignall, I Russell, PCSO Jackie Parker, Mrs B Solly (Treasurer / acting Clerk)
50 members of the public
APOLOGIES: Councillor Miss R Dobbs, Mrs C Myers (Clerk)

146 PARISHIONERS ITEMS

These items followed on from the Annual Parish Meeting as there was so much to discuss.

It was brought to the Council's attention that despite the litter pick within 12 hours more litter had been collected by a resident, particularly around the shop and park areas. The resident stated that there is a problem with litter in the village and requested that children and teenagers take their litter home / put it in a bin.

Residents expressed their distress about the work that has been carried out in Sudbrooke Woods by the new owners. A suggestion was made to form a sub-committee of residents to apply for a DMMO via the Parish Council. Cllr Dickie asked all residents who walk in the woods to draw their route on a map and hand them back to him

as the lead person. Mr Richard Drabble told the Council he was happy to be on a sub-committee and also take in any maps from residents. Cllr Dickie stated that more maps would be copied for residents to have.

4 young residents attended the meeting to ask for the Council to consider doing something for the youngsters in the village. They stated that they do hang around the shop as there is nowhere else for them to go. They suggested a Skate Board park, youth club, shelter etc. PCSO Parker spoke in favour of this and praised the 4 youngsters for attending the meeting. Cllr Bartram also thanked them for attending the meeting, stating that the Council had been considering a Youth Club and a Skate Park and these would be discussed as a later agenda item.

A resident had raised concern that youths were gathering near to the shop and in the play areas in the village. He stated that he had reported these incidents to the police but that in his opinion, nothing had been done.

147 POLICE MATTERS

PCSO Jackie Parker reported as follows:

Reports of anti-social behaviour in the village have been dealt with. The police are out every night both uniformed and plain clothes.

A car had been stopped at the shop and searched – drugs were found. There had been an attempted burglary on Poachers Lane – nothing was stolen but thieves had attempted to take a motorbike.

Scrap metal is still being stolen.

There has been an increase in bike thefts in the area this is by an organised gang.

Incidents MUST be reported at the time so that they can be dealt with immediately

148 COUNTY COUNCILLOR'S REPORT

Nothing reported.

149 DISTRICT COUNCILLORS REPORT

DC Curtis stated that there were still monies available in the WLDC Community Action Fund – up to £250 available for local groups.

DC Curtis stated that there had been reports of breach in planning permissions which had been investigated and unfounded. DC Curtis stated that residents must make comments on planning permissions when they are given the opportunity.

150 NOTES OF MEETING HELD ON 1st MARCH 2012

Proposed as a correct record by Councillor Peter Heath, seconded by Councillor Mrs Lyn Etheridge.

151 REPORTS ON MATTERS OUTSTANDING

Skateboard Park – Cllr Curtis stated that the Park would not be feasible in Sudbrooke but that the opportunity to join with Nettleham was going ahead. There will be basic skateboard park equipment to start with but this can be added to over time. A grant application has been made to WREN and the committee will know the outcome of

that application in August. Cllr Curtis stated that it would be a good idea if a parent from Sudbrooke would go on the committee to represent the views of the youths in Sudbrooke.

Jubilee Celebrations – No firm date or details had yet been set but it was hoped the official naming of the Jubilee area would take place once the final name had been agreed.

Land fronting Beech Close / naming of area – Cllr Ian Russell expressed concern how the area was being developed – 'As this was contrary to which I believe was agreed at the last site meeting I attended'. It was agreed that Cllr I Russell would put together a preliminary plan regarding the area including further planting. This would be used as a foundation and would be built on. The Chairman expressed concern that with further planting the area would potentially go back to the condition it was before.

Village Map / frame – This will be officially unveiled at the celebration event. Mrs Lisa Broadbent has advised the first draft of the map will be available in approx. 2 weeks time. The agreed production date is the 16th May 2012.

Tree planting in verge on Greenway / junction of Windsor Close – Cllr Russell had viewed the area and agreed that it could support some trees but nothing too big. He stated that the maintenance implications would need to be looked at and the Clerk should write to BT and ascertain details of the services going under the verge.

Provision of dog bin, Greenway / junction of Windsor Close – Cllr Bartram stated WLDC had advised that a dog bin could not be put in due to BT

cabing and hard concrete under the surface. Clerk to contact BT regarding this as above. Cllr Dickie would discuss the siting and colour of the bin with local residents

Formation of Youth club – nothing further. Cllr Curtis suggested that a qualified parent could use the multi-purpose sports area during the lighter nights to organise something for the youths in the village. PCSO Parker stated that the neighbourhood policing team would be happy to come and help out as often as possible, 1 night a week for 2 – 3 hours.

Neighbourhood Watch Signs – have now been fitted.

152 HIGHWAY MATTERS

a) Meeting with County Councillor in charge of Highways – nothing to report. It was agreed that the Clerk write to Cllr Webb and cc the County Councillor Rawlins to ask for an update.

b) Obstruction Church Lane - nothing to report. As above.

153 Planning

Rustling End, 61 Wragby Road – TPO work, Cllr Russell to view and comment.

155 SUDBROOKE NEWS

Nothing to report

156 CHAIRMAN'S COMMENTS

The Chairman pointed out Sudbrooke had been advised by District Councillor Curtis that it may be beneficial to produce a formal Neighbourhood Plan which would be beneficial to control

further development in the village. It was agreed this would be discussed at next meeting and Cllr Curtis would look into WLDC giving further advice on this matter.

Agenda items for the next meeting – Sudbrooke Park / Woods, Plan for Beech Close area, Neighbourhood Plan, final name for Jubilee area.

157 CORRESPONDENCE

Correspondence had been received from Mr Mike Halliday regarding Sudbrooke Sports Day 2012 – it was agreed that this would be put on next month's agenda.

Correspondence had been received from Mr G Ashley regarding the Scout Community Week in May – it was agreed that this would be put on next month's agenda.

Multiple correspondence had been received from various parishioners regarding Sudbrooke Park.

Correspondence had been received from a resident regarding teenagers ringing door bells late in the evening – the Chairman re-iterated the plea to call 999 or 101 as the incident is happening.

Best Kept Village Competition – It was agreed that the village be entered into this competition.

158 DATE OF NEXT MEETING

10th May 2012 at 7.30pm.

159 TO RESOLVE TO MOVE TO A CLOSED SESSION TO DISCUSS PLANNING ISSUES

Members agreed to this and the members of the public left the meeting.

The meeting was closed at 9.50pm.

Report of the Parish Council Meeting held on 10 May 2012

Resignation of Councillor Bernard Bartram – Members were sorry to receive Bernard's resignation.

Thanks were extended to him for his work whilst on the Parish Council.

The West Lindsey District Council Electoral Registration Officer had been notified and the vacancy is going through the statutory advertisement period. If an election is not called by 10 residents then the Parish Council will be able to co-opt to the vacancy.

Appointment of Chairman and Vice Chairman – Councillor Martin Dickie was appointed Chairman and Councillor Peter Heath Vice Chairman

Area fronting Beech Close – The area is looking good and the shrubs have taken with all the wet weather! The result of the poll on the web site had been to call the area 'Sudbrooke

Jubilee Garden'.

The plan/map of the village is now complete and the frame is being made at the Pelican Trust. This is a superb piece of work carried out voluntarily by Lisa Broadbent of St Edward's Drive. It is to be sited near to the footpath by the Millennium Stone. It will be unveiled on Sunday 10th June at 3.30pm. Residents are welcome to come along and have a look at it. The seats made by the Wood Carving Group will also be in place in the Jubilee Garden.

Sports Day – This will be held on Sunday 15th July – note in diaries! Children from Scothern and Langworth will be welcome to join their friends at Sudbrooke for a fun afternoon.

Date of next Parish Council meeting – Thursday 7th June 2012 – 7.30pm – Village Hall.

News is available on request
SudbrookeNews@aol.com

NOTES OF THE ANNUAL PARISH MEETING OF SUDBROOKE
HELD IN THE VILLAGE HALL, SUDBROOKE
ON THURSDAY 5TH APRIL 2012

PRESENT: Councillor Bernard Bartram (Chairman), Mrs B Solly (Treasurer/ Acting Clerk) 57 members of the public, PCSO Jackie Parker

APOLOGIES: Councillor Miss R Dobbs, Mrs C Myers (Clerk), Mr Mike Halliday

1 MINUTES OF MEETING HELD ON 7th APRIL 2011 – These had been circulated and were signed as a correct record.

2 CHAIRMAN'S REPORT

This has been my first year as Chairman and I have to say it's been a interesting year and a hard year with some difficult decisions to make but also a very rewarding year.

We had our first "Meet the Council" evening, where we probably endured the wettest night of the year but still had a good turnout. We **will** be having similar events in the future.

We have had some very successful litter picks with excellent support from West Lindsey District Council Street Force Team but I wonder why we have to have them at all/ I do appeal to all residents, both young and old to keep our village neat and tidy.

However, we have finally got our own website off the ground thanks to Lincolnshire County Council and our webmaster Roy Summerfield. I have been overwhelmed by the number of hits that have been recorded already and I am talking her of several hundred.

There is so much to see on the site with ever changing news both from the Parish Council but also the numerous groups who have their own pages. We also are able to have polls to get your views and also a forum for you to give us feedback or ideas on issues that either concern you or excite you.

We see the website as a useful addition to our very successful village magazine Sudbrooke News which has gone from strength to strength under the Editorship of Nick Truscott.

One particular aspect has really excited me and that is the development of the land between the Millennium Stone and Beech Close, to commemorate the Queen's Diamond Jubilee. It really is beginning to look good, we hopefully will soon have an official name for the area, this will be revealed (and I hope the area will look spectacular) when we have the official opening event in June.

I am pleased to have the support of my Vice Chairman, Martin Dickie, and a team of hard working (and unpaid) Parish Councillors plus our excellent Clerk, Chris Myers, who keeps us all in line, our Treasurer Bridget Solly, who keeps the finance in order, and our District Councillor Stuart Curtis and County Councillor Sue Rawlins.

I look forward to another successful year; I am sure we will have some obsta-

cles to overcome but I am equally sure we can go forward and continue to develop our village.

3 CLERK'S REPORT

My apologies for not being able to be at this meeting.

There is nothing much different to report from last year in that my work continues to be busy, as are all the Councillors, as no matter what time I switch the computer on emails come hurtling in! I work closely with the Chairman and Treasurer and we are in daily contact about parish matters.

I personally would like to acknowledge the work of Eric Pitt, our Playground Inspector and Village Handyman. Eric and I seldom see each other but if anything needs attention I only have to send him a message and it is done with haste. I just wish he worked for the Highways Department!

The Parish Council has commented on 19 planning applications during the last year.

4 TREASURERS REPORT

The total balance in the bank accounts at the 31st March 2012 was as follows: £38,577.86.

This includes £25,000 in the 12 month investment bond given to the Council by developers to replace play equipment when it needs doing.

Monies set aside in the Northfield Park account and Fox Covert Account for repairs and maintenance.

Monies set aside in the Sportsfield Account – again for any maintenance on the sports grounds in the village.

This year has seen monies spent on the Christmas Tree event, village sports day, production of Sudbrooke News, general administration and grass cutting.

5 REPORTS BY DISTRICT COUNCILLOR AND COUNTY COUNCILLOR

During the last year I have been Vice-Chairman of West Lindsey Planning Committee. I have also continued to represent West Lindsey on the Central Lincolnshire Joint Strategic Planning Committee responsible for preparing the LDF. This planning Committee is made up of representatives from City of Lincoln Council, LCC, NE and WL District Councils planning together for future central initiatives over the next 20 years. Formal consultations on the LDF document with Parish Council's and general public will start in the summer and although major development will be centred around the urban areas of Lincoln, Gainsborough and Sleaford residents will still have their say on what their local community needs. The Lincoln eastern by-pass is to go ahead at a total cost of £97.8m and construction is due to commence in 2014.

Following pressure by Sudbrooke, Scothern and Nettleham Parish Councils the Boundary Commission has now agreed that Sudbrooke and Nettleham wards should both remain independent instead of their original intention to merge both wards.

I received a number of complaints at the end of last year concerning the early

withdrawal of Green Bins. I agree that this was a mistake by West Lindsey and similar to other Councillors have requested that this year they are continued.

Under the District Council initiative fund I have so far this year sanctioned grants to Sudbrooke Village Hall Committee and Scothern Players.

Finally although financial support from central Government has been reduced from £8.2m to £5.7m West Lindsey has frozen your Council Tax for the next fiscal year.

No report had been received by the County Councillor.

6) LOCAL ORGANISATIONS REPORTS

a) Village Hall Management Committee – Mrs Gill Rignall.

Officers for 2012 / 13 were elected at the recent AGM as follows:

Chairman: George Bingham

Treasurer: Hugh Thomson

Secretary: Gill Rignall

The hall remains a popular venue for family parties and other functions such as quiz nights. It is in use every day by the Pre-school and local community groups.

It is hoped that the planned kitchen refurbishment will be carried out within the next year and we hope to attract a WREN grant for this work.

b) Gardening Club – Sent by Mr Mike Halliday

The gardening club is thriving at the present time. 7 new members have joined in the past few months. We held 9 meetings during the past year.

The Spring and Autumn shows were held in the village hall and we well supported along with good input from juniors.

We had speakers at 2 meetings held in the Village Hall and 4 of the meetings were held in member's homes.

In July last year, club members and friends enjoyed a good day out at Normanby Hall near Scunthorpe. The restored walled Victorian gardens are a joy to see.

In Summer this year we have planned a private tour of Doddington House and gardens.

Finally, on a sad note, our only life member Vera Murdoch passed away last year. Vera was a founder member of the gardening club and her unique contributions are sadly missed.

c) LIVES First Responders – Mrs Gill Rignall

Sudbrooke LIVES First Responders offers emergency care and Basic Life Support in Stainton, Langworth, Scothern, Sudbrooke and the surrounding area. A local responder can be with the patient within a few minutes of dialling 999 and care can begin before the ambulance arrives.

Responders can only be called out by EMAS after a 999 call.

We currently have 8 Responders and 2 in training.

Calls since August 2011:

Langworth – 6

Reepham – 2

Sudbrooke – 4

Scothern – 2

Anyone aged 18 or over and able to drive can apply.

Enquiries: Mike Johnson, Co-ordinator, on 01522 750878

d) Sudbrooke Walking Group – sent by Mike Halliday

The informal arrangements for the group seem to work well. We publish our planned walks monthly in Sudbrooke News and anyone can join in the walk.

We have approx 20 regular walkers who meet at the village hall on the first Saturday of each month for a 9:30am start. We take turns at leading the walks and generally aim to be back in Sudbrooke around 1:30pm.

The walks vary in length between 6 and 8 miles. Occasionally a longer walk is planned but good notice is given of this. In June last year 15 walkers enjoyed a long weekend in glorious weather walking in the Derbyshire Peak District.

e) Sudbrooke Ladies Club – read by Gill Rignall

Sudbrooke has an active Ladies' Club. Membership currently stands at 24.

We meet on the third Thursday of each month at 730 pm in the Bramham

Lounge at the Village Hall. We have a guest speaker at most meetings. Everyone is welcome. Guests are asked to contribute £2. The programme for 2012 is very varied and has something to interest everyone.

16.02.12	'Financial Planning - 2008 and beyond' – CHRISTOPHER DUGGAN
15.03.12	'Lincs 2 Nepal' – GARRY GODDARD
19.04.12	'Related to the Famous - Bishop Edward King' - RICHARD THORNTON
17.05.12	'The Eye and It's Myths' - RUPERT HADLEY, Optometrist
21.06.12	Sudbrooke Holme 'Then & Now' – STUART CURTIS
19.07.12	SUMMER LUNCHEON
20.09.12	'The Original Lincoln Ghosts' - MARGARET GREEN
18.10.12	'Marie Curie Care' – STUART WYLE
15.11.12	'Leafy Spaces' – MICHELLE BOLTON
20.12.12	CHRISTMAS PARTY

We have a book stall and small coin collection. The money raised is donated to a local charity when it reaches £200.

PARISHIONERS ITEMS

A large number of residents raised concerns about what has been done to Sudbrooke woods by the new owners, Wilkinson Brothers. Many residents expressed their outrage at the destruction of areas within the woods that have been walked by many people for many years.

Some residents expressed concerns about being intimidated by men on quad bikes in the woods.

Residents stated that some footpath signs have been moved and damaged by the new land owners.

Cllr Peter Heath stated that if residents feel they are being intimidated they should phone 101 immediately and the police will respond if the complaint is within their remit.

PCSO Parker stated that the landowners are within their rights to do what they are doing on their own land. PCSO Parker re-iterated Cllr Heath's comment.

Cllr Bartram stated that existing paths as shown on current maps, copies of which were made available to the meeting, should be used but that the land is private.

Residents agreed to form a committee to look into the footpath situation and it was agreed this would be supported, wherever possible, by the Parish Council. The meeting concluded at 7.30pm and was followed by refreshments.

CHERRY WILLINGHAM COMMUNITY **CHOIR**

**Come along and have a sing with us
we are a friendly bunch.**

At The Cherry Willingham Primary School

Infant hall 7.30-9.00pm

Letters to the Editor

Dear Editor

After reading the part in Aprils Sudbrooke News about the woods, I'm actually quite angry and I feel that there was no need to destroy the woods just to keep residents from walking through there. After all we are meant to be a community; if there are problems they're better aired and solved in a way that is fair for everyone, rather than jumping the gun and ruining things. Or maybe this is just a 'power' thing between them? However I'm sure other concerned residents think this too?

Referring back to the letter that Jackie wrote regarding the wildlife, and destroying their homes. Obviously the landowners haven't given a thought to it at all so therefore I conclude they don't actually care about the woods. If anything I will still carry on taking a walk there - what's the worse they can do? Throw me verbal abuse, or escort me off the premises. I wouldn't be surprised if in years to come there will be no more Sudbrooke woods instead new houses - I get the picture it's just money, greed and power with them. Sorry residents somehow I don't think we'll win best village anymore, not after these disappointing actions.

Sudbrooke Resident

Dear Editor

My name is Edward Simpson, I am 16 years old and live in Sudbrooke.

I, together with a number of other young people from William Farr Church Of England School in Welton, have been given the opportunity to take part in the Outlook expedition to Borneo in the summer of 2012.

Outlook expeditions offer young people the chance to experience new environments and understand different cultures. The aim is for pupils to develop leadership skill, an awareness of accountability, and to develop an appreciation of their environment. One key benefit of participating in the expedition program is to develop and use entrepreneurial skills to raise the money to fund the expedition. The Borneo expedition will take us through the deep tropical rainforest of Borneo where we will meet with local tribes and learn about their history and lifestyle. We will also travel to the coast, where we will take part in a marine biology environmental project which will include us cleaning up beaches and taking underwater reef surveys .

HANGING BASKETS

12 inch wicker hanging baskets filled with seasonal trailing plants
Lovingly prepared by local teenager fundraising for a
World Challenge expedition

Free delivery to Sudbrooke and Scothern. Cost £10.00 per basket.
Please call for more information – Eddie 01522 750892

With the help of my family I am growing hanging baskets to help with my fundraising.

Edward Simpson

Editor.... Put me down for a couple and good luck with your expedition. It would be great if you would write and tell us how you got on when you return.

Dear Editor

Song of the thrush

In these days of miserable weather and economic gloom, I am moved to express my thanks to the song thrush.

I have been delighted and amazed by his singing in our garden.

For the last four weeks, literally from dawn to dusk, this bird has thrilled and enthralled me. No opera singer could compete with his repertoire of diverse sounds and trills.

I marvel at his stamina, I hope there is enough food to sustain such an out-pouring of energy.

I think we take for granted the background presence of the wildlife in our gardens, but the balance of nature and our control of pests is delicate. The inspirational singing of the thrush this Spring reminded me how important it is to promote a bird friendly environment.

Catherine Dawson

Dear Editor

Browsing back through some 10 year old copies of Sudbrooke News I came across one of the regular articles that appeared each month from a gentleman named Mr Hughes who was an expert in bird watching. I am told he left the village many years ago.

He gave readers the benefit of his observations of bird life in our village such as the best locations to view and hear various species and when to expect to be able to do so. Such as the time of the day and the time of year etc. This was especially useful in knowing when migrant birds began to arrive from the far flung parts of the world, often thousands of miles away.

To a person like me with little or no previous knowledge of ornithology I found his articles of great help and encouragement which formed a lifelong interest and hobby. If he named a breed or variety of bird I would look it up in my little book which had pictures and other information and then go out of my way to try to see and hear it with the help of his advice and directions. I was rarely disappointed. He obviously knew his stuff.

His articles were always light hearted and very similar in style and content to our present day popular contributor on gardening subjects "GP" in so much that they usually contained what he had been up to himself and what could be expected in the following months. I always found them great reading and very encouraging. I was very sad when they ceased.

I can't help wondering if amongst our midst there is a similar talented and

knowledgeable person who could pick up the baton and contribute a similar regular month by month short article on bird life in and around the village and share their observations and knowledge. I often spot folks with binoculars cameras and notebooks wandering about in the woods on the public footpaths and bridleways. Perhaps one of them is just such a budding journalist willing to share knowledge and experiences.

What about it Editor? Can you find one ?

Janet Duffet

Dear Editor

This is to inform everyone who feels as outraged as I do about the closing of much loved paths and ways by the new owner in Sudbrooke Woods that a Committee has now been formed to explore all lawful means possible to make them available to public use once more. Because of the deadline for submitting articles, I am not able to let you know the outcome of the first committee meeting, due to be held on 24 May, but one of the committee members will provide you with further information in July's Sudbrooke News.

I was heartened by the number of people who attended the Open Meeting on 26 April, where there was standing room only, and thank Pete and Elaine for the time consuming task of printing the notices of the meeting as well as delivering them to numerous households in the village.

As many of you will be aware, there is a Petition in Sudbrooke Stores which will be handed in to the Parish Council at its meeting on 7 June. I would therefore urge all of you who feel as strongly as I do about the loss of such a valuable village amenity to sign it before 7 June. I do know that the County Council, who are the highway authority responsible for the preservation and maintenance of public rights of way in Lincolnshire, take particular notice of applications for Definitive Map Modification Orders [the technical term for, amongst other things, adding new rights of way to the Definitive Map held at County Offices] if they come from public bodies rather than private individuals. With over 140 applications pending we need to get our Sudbrooke Woods application as high up the priority list as possible.

No decision has yet been made by the Parish Council as to whether or not to support the Woods campaign and therefore it is important parishioners let councillors know their feelings on the subject. It will be a major boost if the Parish Council is designated as the applicant but I am sure a number of councillors need to be persuaded of the strength of our argument.

Finally, in order to add new rights of way to the Definitive Map we need evidence. This can either be documentary or user evidence. The Committee

therefore needs to hear from anyone who has walked these Woods preferably for twenty years or more but shorter periods of ten plus years might also be acceptable, and is prepared to complete a User Evidence Form to submit with the Application Form to the County Council when the time comes. The more of these forms we can submit the better.

I am conscious of the fact that a number of people who have enjoyed walking in the woods for a good number of years do not live in the village anymore but have moved away from the area or to surrounding villages. I can think of several families in Scothern whose children grew up with mine who fall into this category. It does not matter when the twenty years period is, for example, it could be 1960-1980 or 1992-2012 as long as evidence can be shown that a person has walked the paths for a continuous period, not challenged by anyone, thinking they were doing so as of right and not because of the landowner's permission.

Please therefore spread the word as we need to find people who are prepared to come forward and help with this worthwhile cause. For the moment, until committee members have accepted various roles, a point of contact is to me via e mail.

Sudbrooke Jubilee Sports Fun Day

Sunday 15th July from 2-15pm at village hall field

It seems wholly appropriate that in this special Queen's Diamond Jubilee and Olympic year, we put on a sports fun day and invite our neighbours from Scothern and Langworth parishes to join in.

I shall publish the full programme of events in the July issue of Sudbrooke News but we plan to hold 32 events including:

- Short sprints
- Egg and spoon races
- Tug- of- War
- Sack races
- Three- legged races
- Wheel- barrow races
- Relays

We shall cover all age groups from pre-school to veterans.

The aim is for everyone to have a bit of fun and enjoy the day.

We shall give prizes to winning contestants but it is taking part that really counts as competitor or spectator.

Do please put the date in your diary.

As you would imagine there is fair amount of work to be done to run a sports day and I shall need some help please.

There is the running track to mark out a couple of days before sports day. On the day itself there are the competitors to organise and judge as well as prize giving.

Up to 3 hours of a volunteer's time is needed on sports day but any time offered up would be helpful. We also need cover for first aid. Do please contact me if you are willing to help. Similarly, if you are able to offer sponsorship of any kind that would be most helpful and would be properly recognised.

If any other organisation would like to run an event alongside sports day, do please contact me.

Sudbrooke Gardening Club

May meeting

A cool but sunny evening allowed members to enjoy the lovely gardens of our host Jenny Williams.

Jenny has managed to achieve a good balance between hard landscaping and softer planting.

Her lawns were immaculate with the grass cut not too short.

There was plenty of colour around the gardens but the more sheltered rear garden was particularly impressive with the rhododendrons, azaleas and camellias in full col-

our. The winning team in a very testing quiz included Iris Whitaker, Sheila Cannon, Pam Peace and Angela Gould.

Our thanks to Jenny for hosting the meeting.

An invitation to Doddington Hall

The club has arranged an outing to Doddington Hall on Wednesday 18th July and would like to invite anyone interested in Doddington Hall to join us.

The outline programme is for tea/coffee and cakes on arrival at 10-30am followed by a guided tour of the house that takes up to 90 minutes.

Lunch is then available in the restored coach house followed by free time to wander around the gardens and other attractions of the estate.

Our visit is on a non- public day and the admission price including the guided tour of the house is £9-50. Refreshments are paid for separately.

If you wish to join us, please phone me as soon as possible and before 1st July.

Next meeting is Monday 11th June

Will be hosted by David and Sandy Bowles at Stonebrooke House, 46, Scothern Lane from 7-30pm.

63 Ferry Road, Fiskerton, Lincs.

In our village I can't help noticing the amount of caravans, motor homes and tent trailers there are. I am sure that the number has increased greatly since the reduction of interest rates on savings in the past couple of years. Those of us who over the years have put a penny or so by for our old age now see that it is foolish to leave it in

Banks and Building Societies with an interest of a mere .05%. That doesn't even keep up with inflation. So many of us have been spending our children's inheritance and investing in holiday homes. We have become Silver Surfers and are splashing our cash.

A report in the papers states that the sales of caravans, motor homes and tents has risen dramatically recently and many of the big dealers have announced bumper sales. If you pass one of these main dealers in Newark you will notice that it has grown dramatically over the past three years and is now a huge site over several acres. A visit inside will reveal that it is swarming with potential buyers who all seem to be well over OAP age, spending large sums of money and almost all of it is in cash purchases. After all, why get involved in loans or HP of around 6 or 7% and keep your savings locked up and only earning a measly .05 %.

Why am I writing this and what has it got to do with our village? Well, the answer is that following the Annual Camping and Caravan Show at The Lincolnshire Showground I boarded a train for London and was surprised and delighted to find myself seated beside David Bellamy, the Botanist and TV personality and lecturer. A delightful giant of a man. He told me he had just attended the Show in his capacity as President of The Camping and Caravan Club. A position he stated he was very proud of and said he found very rewarding because of the pleasure it brought into so many lives of families and folks of all ages.

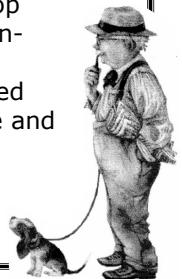

He told me that his current aim with regard to that club and with all mobile holiday makers was to encourage people to change their current habits before setting off on holiday whereby they popped off the day before leaving home and stocked up at the local supermarket with everything they were intending to use on the holiday be it wine, spirits, food etc. He pointed out that most caravaners left with their cupboards and fridges bursting. It struck a nerve with me I have been as guilty as anyone of doing just that. He wanted to encourage folks to delay stocking up with these purchases until they reached close to their destinations and do their shopping there thus providing jobs and much needed trade for the rural population and

economy. The benefit for the holiday maker was in being able to converse and mix with the locals and become welcome visitors and take part in the local life by visiting village shops and markets and really getting a feel of local country life. It made sense to me and I will try to do as he suggests. It may cost a bit more but feel I will be doing good and contributing to my enjoyment of the local life. My reward will be in sampling all the local specialities and traditional fare, not to mention their local Ales, Pies and Sau-sages etc..

As he gazed out of the train he then told me that recently he had changed his mind about something that he had been passionate about for many years. He told me that even though he had once stood for Parliament he would never have made a good politician as he was able to change his mind about things and was not afraid to admit he had been wrong. Not a thing that many current politicians seemed to be capable of he said. He told me that he had previously always leaped to support the myriad of "Nimby" (Not in my backyard) and tree hugger groups that instantly formed whenever a bye pass or road or rail improvement or diversion was proposed. Even when it would make the lives of thousands of people better by being built in the countryside and away from homes. Thus reducing accidents and pollution. Many of the objections were that it would interfere with the flora and fauna and there always seemed to be a lesser spotted three legged one eared ant or similar creature that would be rendered extinct if the plans succeeded. He had now realised that in many cases he had been misguided and wrong. He had promised himself that he would be more selective in the choice of causes to support in future.

He said he had noticed the amount of land which surrounded new roads and bypasses with all the slip roads and huge roundabouts often leaving vast acres of land left completely fallow and allowing nature to claim it with sometimes a little hand from man in the planting of trees and flowers. Flora and Fiona could flourish there with no fear that nests and eggs would ever be stolen disturbed, trodden on or sprayed with insecticides. Nature was quick to teach Mother Rabbit that her babies could not cross the M1 motorway at 5pm and should stay close to home. If you haven't been aware of just how much wildlife exists in these forgotten strips and huge chunks of land look upwards and see the number of hawks, and birds of prey that circle over them. They know where their food is and are sure signs that there is wildlife there. So think about these facts before you leap to stop progress he asked me. I promised I would. I found him a truly sincere and friendly man who was not afraid to speak his mind and waxed lyrical on all sorts of other subjects. He certainly brightened my journey up and made it a great experience. It was a pleasure and an honour to meet him.

The Old Codger

Country Walks

May walk

14 walkers turned out for the walk around Ingham of just over 9 miles.

Apart from a couple of showers the weather was bright with sunny intervals but it was fairly soggy underfoot. The extra distance to St. Edith's church at Coates-By-Stowe was well worth the effort.

A church existed at Coates before the Norman Conquest but the evidence suggests the present church was begun in the late

12th century. It is comparatively little changed since medieval times having escaped the ravages of religious change because of its remote location. Readers should note the church is accessible by car and a delight to visit.

Next walk is Saturday 2nd June

The walk starts from the Seal Sanctuary at the northern end of Mablethorpe. The first half of the walk is along the seashore and the return journey is through dunes and a nature reserve.

The distance is approx. 7 miles with an extra mile each way to a fish restaurant in Mablethorpe where we plan to have tea.

The journey to the fish restaurant may be taken by car if necessary.

Walkers should meet at the village hall at 9-30am.

Walkers are advised to take a water-proof coat, use suitable footwear and, on this occasion, bring a packed lunch.

If you wish to walk and need a lift, please turn up at the village hall. Everyone is welcome to join in this free and healthy activity.

Future walk is Saturday 7th July

The venue has yet to be arranged. Walkers should meet at the village hall at 9-30am.

Sudbrooke Ladies Club

At our **May** meeting local resident Rupert Hadley gave us a talk about his professional life as an optometrist/optician. This was interesting and informative and appreciated by everyone.

Future meetings:

Thursday 21st June 2012: 'Sudbrooke Holme-then and now' –Stuart Curtis.

Thursday 19th July: Summer Lunch.

The **June** meeting may be of general interest and you are most welcome to join us for the evening. Guests are asked to contribute £2.

We meet on the third Thursday of each month at 730 pm in the Bramham Lounge at the Village Hall. We have a guest speaker at most meetings.

We continue our book stall and small coin collection. The money raised is donated to a local charity when it reaches £200.

Please see the Parish Council website for more information. <http://parishes.lincolnshire.gov.uk/Sudbrooke/>

Gill Rignall

SUDBROOKE VILLAGE HALL

Registered Charity no. 504153

Sudbrooke Village Hall, the Bramham Lounge and bar are available for hire. The hall is situated next to the village playing field and play area, making it a very pleasant venue for children's parties, wedding, christening and birthday parties.

Lettings for eighteenth birthdays include compulsory security staff for additional safety. The well stocked bar with draught beers can be booked with either the main hall or the lounge. The Bramham Lounge is suitable for smaller groups and meetings.

Nettleham Medical Practice Incorporating Cherry Willingham Surgery

New Clinical Computer System

The date of the move to the new clinical computer system is 23rd May 2012.

Online booking of appointments & online ordering of prescriptions will be unavailable from 7th May until 11th June. Appointments and prescriptions can still be obtained in person or by phone, however.

Repeat prescriptions – please where possible allow longer for repeat prescriptions which are ordered between 23rd May - 8th June.

Whilst we shall try and make the migration as smooth as possible, there will inevitably be some disruption whilst staff and GPs become fully trained in the new system. Please be patient with all departments and staff during the first few weeks as they become totally familiar with the new system.

Green Issues

The practice has been enthusiastically looking at ways to increase recycling and therefore reduce its carbon footprint. We already have in place a company that securely shreds all of our waste paper and then recycles it. However, from April 2012, we are now also recycling as much of our other waste as we can.

You may have seen our sun tubes in use in the waiting room at Nettleham and, to complement these, we have also installed solar panels which produce electricity which is used by the practice during the week and any residual electricity is sent to the National Grid.

Monthly Early Closures for Training 2012

In order to enable our doctors and staff to be kept up to date Nettleham surgery will be closed for training at 1pm on 19th June. Emergency help is still available by calling 111.

Contact Details – Nettleham 01522 751717
When the surgery is closed ring freephone 111

Nettleham Medical Practice Incorporating Cherry Willingham Surgery

Patient Participation Group & *Voluntary Driver Scheme*

...

Sadly we have recently said goodbye to one of our long standing members of the PPG, Fred Thompson. On behalf of everyone at the practice we would like to say a huge thank you to Fred for all his hard work whilst he has been a PPG member.

Our first local Participation report is now available to read on our website. The results of the survey and the report have led to us changing our appointment system. A summary of the new system is below.

The way we book routine appointments to see a doctor is changing on Wednesday 9th May

Currently, most appointments are offered on the same day, regardless of urgency. Following our recent survey of over 300 patients, we have agreed to make the following changes:

We will be offering more appointments a few days ahead of when you phone. This should make it easier to see a doctor of your choice for routine matters. However, it will inevitably lead to fewer appointments being offered several weeks ahead (the survey indicated only 3% of patients require this ability).

You will no longer need to ring at 8.30am on the day to be seen for routine matters and there will be a greater choice of appointments online.

Hopefully these changes will help us use the existing appointments more efficiently.

Meg Rawden – PPG Chairperson

Alan Price – VDS Co-ordinator

SUDBROOKE LIVES FIRST RESPONDERS

Registered Charity no. 1098364

Sudbrooke LIVES First Responders group offers emergency care and Basic Life Support in Stainton, Langworth, Scothern, Sudbrooke and the surrounding area. A local responder can be with you within a few minutes of dialling 999 and care can begin before the ambulance arrives.

Thanks go to Lakeside at Langworth for allowing us to use a room for our meetings.

We are grateful to local businesses who have our collecting boxes. This is an important part of our fund raising for essential training and equipment.

You can apply to become a Responder if you are aged 18 or over and able to drive. We also need support members to help with fund raising. Why not come and see us at Scothern Pageant on Sunday 3rd June?

If you feel able to support the group in any way please contact Mike Johnson, Coordinator, on 01522 750878.

IT Speak

Hi Folks,

This month:
Updates

It is imperative that you keep your PC or laptop updated with Windows and driver updates.

As you're probably aware, the Windows operating system is a very large and complex piece of coding. Unfortunately, there are people out there who like to try and prove they are better than the original programmers and they try to exploit any loophole in the original coding to gain access to your personal data, like bank account or credit card details, so they can grab your hard earnings, for instance. Microsoft programmers work very quickly to close these loopholes when they are found and they transmit the revised code to all Users very regularly by means of Windows Updates.

All you have to do is ensure that Windows Update settings (Start/Control Panel/Windows Updates/Settings) are set to Install Updates Automatically, the recommended setting. You will barely notice updates are happening but it will keep your device safe.

You may be asking why Apple devices

don't need updates. Well, they do but any program or application for Apple devices goes through Apple before release to the world-wide public via iTunes. This ensures that only genuine tested code is used by the end-User.

Microsoft, on the other hand, allows anyone to integrate their software with the operating system so there is no 'originator' control over what you buy or download as Apple does and you may, therefore, end up with a virus or malware on your device. Apple do release new operating system updates on a far less regular basis than Microsoft.

Device drivers are computer programs that enable the hardware in your PC or laptop to communicate with the operating system and other software, just like translators.

As new hardware is released, new drivers are released to ensure compatibility. This is why you need to keep your computing devices updated.

Next month: Upgrading your PC

The Computer Guy

Welton Family Health Centre

The much awaited computer system is now finally installed in the Practice and we are working hard to get to grips with all the changes this has brought. It is proving to be quite a challenge for all the staff to continue providing the day to day services whilst dealing with the inevitable teething problems and we thank you for your patience during the changeover period.

The Practice will be closed during the Jubilee Bank Holiday celebrations from 6.30pm Friday 1st June through to 8.00am Wed 6th June – as always, please ring 0844 477 3072 to be put through to the emergency service or dial 111 (free phone number) where appropriate for advice during this time.

Dispensary staff have asked that we remind patients that the box containing unused sample bottles near the dispensary is NOT to be used for leaving samples for testing - there is a container on the wall for this purpose. Please also ensure all samples left are clearly labelled with the name of the sample provider.

We are hoping to run another survey in June in relation to our appointment system – if you would like to be involved please let us know and we will add your address or email to our mailing list. As a result of the recent survey earlier this year re: our telephone system we are looking to make changes as soon as practically possible and will keep patients informed of all developments.

Finally we wish a very Happy Retirement to our Respiratory Nurse, Rosemary Cox who leaves the Practice after many years of service and also to our Secretary, Bridget Holmes, and wish her all the very best in her golf competitions ! We are also delighted to report that Dr Gomez gave birth early to a beautiful baby girl in April, mother and baby doing well.

Sallie Stead

Welton & District Patients And Doctors Association

As I write this for the June copy of the magazine we finally have a warm sunny day. Doesn't a bit of sun make you feel better? I know it raises my spirits! The Spring Lunch on 20th April was a huge success both in terms of a social event and also financially for the PDA funds. 88 tickets were sold and I'm sure everyone who was there on the day will agree that the room looked lovely with yellow and green napkins and spring flowers on each table. The raffle was a great success raising £216 and the cake stall was well supported raising over £120. The total proceeds were £661 after deduction of expenses and a huge thank you must go to everyone who helped to make this event so successful including the cake bakers, those who prepared vegetables, the lady who made

the table decorations, everyone who donated raffle prizes, cakes, books etc, those who made trifles, the men (and ladies) who helped to set up the room for the lunch, those who manned the stalls, the waiters and all who helped in the kitchen. (Washing up for 88 plus people is no mean feat so thank you Jean and helpers!) If I have missed anyone out I apologise!!

Preparations for the Autumn Fayre, to be held on Saturday 13th October, are now well under way. Raffle and tombola items are already being received so keep them coming. Bric a brac and books will be collected nearer the time unless you really haven't the space to keep it in which case give me a call (862570) My garage resembles a warehouse at the moment but I do still have a small space to get the lawn mower out!

If anyone would like to hire a table, for their own sales, at the Autumn Fayre there will be a limited number available at a hire charge of £5 per table. Please contact myself (862570) or Roy Minnitt (860980) to register your interest. We will contact you nearer the time once we know what response we have.

Raffle tickets will be on sale from the end of June and further details will be in the July edition of this magazine.

Janet Goddard

Card Making 5 Week Course Langworth Memorial Hall

Starting

Wednesday 9th May 7:00 - 9:00

£25 for the 5 weeks

£20 Concession Price

This course will show you a variety of techniques including stamping, iris folding, spriella, decoupage and teabag folding. If you have any card making kits and don't know how to get started, bring them along and be shown what to do. Suitable for all levels. A large range of crafting equipment will be available for you to use at a cost of approximately £2 per session payable to the tutor.

'Working with Community Facilities'

DO YOU USE HEATING OIL?

Bulk Oil Buying Scheme

Community Lincs launched its Bulk Oil Buying Scheme for domestic heating oil in January this year. The scheme aims to save members money by bringing communities together to make the most of their joint buying power so reducing the price of oil and passing the benefit

on to the scheme's members. The scheme is open to households, businesses and community organisations that use oil to heat their premises.

The scheme is already helping Lincolnshire people cut the cost of their domestic heating bills. Having just negotiated the third months oil purchase members have saved an average of just over 5.75p per litre. This gives an average saving of £28.90 on 500 litres and £57.80 on a 1000 litres. Members pay the same low price whether buying a 1000 litres or just ordering the minimum 500 litres.

Only three months since its launch and the scheme has already signed up Co-ordinators in 13 communities. The scheme has generated a lot of interest with nearly 2000 web- page views. One of the commonly asked questions is 'How much will my oil cost?' and as our new members will tell you the price varies from day to day but with the benefit of collective bulk ordering our buyer follows the market and negotiates the keenest prices

There are two ways you can become involved in the Oil Buying scheme. One is by signing up as a member and gaining the best possible price for your heating oil. For this benefit you will need to complete a registration form and pay a small annual membership fee (Individual households £20, Community buildings £30 and Businesses £100). These forms can be obtained from the links below

New members are eligible to place an order in the same month they join the scheme, as long as they submit their application form and pay their membership fee two weeks before the ordering deadline. Although the minimum quantity that can be ordered is 500 litres we charge the same as we would for any other quantity

Dunholme Camera Club

Hi Everyone, firstly I would like to give you all a reminder, possibly aimed at the older members of the community but something for everyone to think about! Recently I lost an Uncle he died in April and as things are being sorted out there has been a number of old photographs found, well many old photographs. Why do I mention this? Well there is about 6 with a bit of writing on the back that tells us who the picture is and around 100 that could be the Queen of Sheba for all we know! The sad part about it is that the pictures might as well go in the bin as no one will ever know are in the pictures. SO make sure you get those old photographs out and on the back IN PENCIL not pen put who is in the picture, the date if known, the place and any info that is relevant. Don't lose family history it's bad enough that people don't print pictures like they used to all they do is download them onto their computer, and what will happen to an electrical item in a few years? Yes it will be in a bin somewhere along with your treasured memories. Anyway I hope that some of you will take the hint and get some of those photographs looked at and get some names on the back you never know it might refresh some old memories from days gone by! If anyone wants help with storing digital images please get in touch.

Just a couple of meetings in June, our first is on the 7th June which will be a club competition "It's a small world" and on the 21st June we will have a workshop night where all of the members will be able to ask, show and get tuition from other members of the club on anything photographic.

All meetings start at 7.30 so come along and join us.

Grahame Dunkin

Dunholme WI

There will be no meeting in June as the members are having a meal out.

The next meeting will therefore be on Wednesday 11th July.

We meet monthly in the Jubilee room of the Dunholme village hall

Bingo

Bingo will be played at the Dunholme Old School Centre on Tuesday 4th June. Eyes down will be at 1.45pm. Although held straight after the Age Concern Luncheon Club dinner the bingo sessions are open to everyone.

There will not be any bingo on June 5th due to the Bank Holiday

Groove Time for ages 2 - 4

A new dance class for children aged 2 – 4 is launching this month with classes in Langworth. Groove Time is a dance and play class for children aged 2 – 4 years of age and includes a variety of dance styles and techniques.

Boys and girls aged 2 – 4 and their parents or guardians are invited to try a taster session for only £1 on 28th May with a five week course then running from 11th June. The classes run from 9:15 – 10:15 in Langworth

Lisa Hurst, Groove Leader, said: “The sessions will offer the opportunity for boys and girls to learn and try different dance styles through play and fun. They will be really interactive and help children to develop confidence, balance, coordination and social skills while having a great time.”

The classes encourage parents and carers to join in the fun at the start of every week and then sit back and enjoy a drink while the children keep moving. Places are limited on each class to maximise enjoyment.

To book your place on the taster session call Shane on 01522 585580, 07940 954140 or e-mail: bookings@lincolnshiresports.co.uk. Alternatively check out our facebook page www.facebook.com/lacn2010 for more details.
