EDITOR'S RAMBLINGS

FEBRUARY 2020

DISGUSTING. That was the word a disgruntled reader called my front page of **Sudbrooke News** for the December/January edition. But what heinous crime had I committed, I hear some of you ask.... well, believe it or not, the logos I had used on there to represent the parties standing in the General Election for the Gainsborough constituency, were not equally the same size as each other, and that constituted the crime of the century.

After criticising the fact I had led on one of the biggest news events of the year, she then hit out at some perceived bias of my mine to give favour to certain parties over the others by way of reducing the sizes of a couple of the images. You really could not make this up. I didn't know whether to laugh or laugh. No doubt I'll be getting another angry call now...

Anyway, this is a bumper Parish Council notes edition, Terry Mayo is rafting in Central Europe and oh yes, don't forget to vote in the Sudbrooke Referendum. Smiley smile. **Dom**

SUDBROOKE REFERENDUM

Dear Resident of Sudbrooke...

Welcome to the third decade of the the third Millennium or in shorter terms, 'Happy New Year'. The Parish Council wish you all the very best for the future.

To try to help with that future your Parish Council and group of volunteers created a Neighbourhood Plan to guide the village through the next 25 years. On February 13 you will have the opportunity to vote on this long-awaited document.

WHAT IS THE NEIGHBOURHOOD PLAN?

It is a review of Sudbrooke in terms of housing, environment, historical significance and finally heritage. It also has a series of policies for how you want the village to develop over that period. We are defined as a medium village so the development potential for new housing is constrained within that definition and clarified by the neighbourhood plan.

It is your wishlist for housing, schools, medical services and business. It has to be put to a referendum and for it to be approved it needs only a simple majority. Without that approval then the plan is dead and development in Sudbrooke will be controlled by the wider policies of the Central Lincolnshire plan.

The Parish Council hope that you will take the time to look at the plan and that you will support it with your vote. There are copies of this on-line, at the Village Hall, Nettleham library, and I have a copy if need be.

Peter Heath, Parish Council Chairman

NOVEMBER 2019

■ 120 MATTERS OUTSTANDING continued...

► Work to the beck: Provisional date of November 27 for planting of trees.

► PROW 160 and 817 closure: Reply received from LCC stated that the applicant had responded as follows: "Both sections are still closed, but we are intending to open 817 and the section of 160 from the junction with 817 and the (A)158 for pedestrians by the end of the month (subject to the weather)."

Footpath 159: The Parish Council had received numerous complaints regarding this footpath as the electric fence had now been removed and cattle placed in the field creating a danger to pedestrians. Stiles had been built which also created problems for those with reduced mobility. The PC had been advised by LCC Footpaths Officer that the original route of FP159 is within the boundary of the 10 acre covert and not as recognised by the village. That the Parish Council contact the landowner requesting that reinstatement of the current route be reinstated or that an application would be made to LCC to have that footpath recognised as a legal right of way on which there can be no restrictions, unanimously Resolved.

► Work required to trees at Jubilee Garden: - Quotations received from Arborez as follows: To crown lift trees near to the millennium stone protruding low over the path - £100.00 plus VAT. To dismantle five elm trees that are dead or dying on the edge of the copse of trees near to millennium stone - £380.00 plus VAT That the quotations be accepted unanimously Resolved.

► Work to be carried out to play equipment: Quotation from EKM received in the sum of £340.00 for works as per the RoSPA annual reported. That the quotation be accepted unanimously Resolved.

■ 121 TO CONSIDER THE FUTURE USE OF THE TENNIS COURTS/MULTI PURPOSE SPORTS AREA

► Item deferred until next meeting of Parish Council.

■ 122 TO CONSIDER FORMULATING A MAINTENANCE PLAN FOR THE WILDFLOWER AREA IN THE JUBILEE GARDEN

► For this year Councillor Ian Russell offered to trim the area, Councillors Mrs Barbara Bingham and Stuart Hewson to rake up the cuttings. That Glendale be requested to move the debris unanimously Resolved. It was agreed to discuss further at next meeting of Parish Council.

■ 123 TO CONSIDER PARTICIPATING IN VILLAGE HALL OPEN DAY JAN 25, 2020

► It was understood that this was an initiative by Community Lincs. Members felt that on this occasion the timing was not right to attract residents to the hall and unanimously resolved not to participate.

■ 124 TO AGREE DATES OF PARISH COUNCIL MEETINGS FOR 2020

► The following meeting dates were unanimously Resolved.

All Thursdays in the Bramham Lounge, Village Hall, Sudbrooke, commencing at 7.30pm.

January 2, February 6, March 5, April 2, May 14 - Annual Parish Council Meeting June 4, July 2, September 3, October 1, November 5, December 3.

Proposed date of Annual Parish Meeting - April 9.

Annual Parish Meeting subject to availability of Hall.

NOVEMBER 2019

■ 125 PLANNING MATTERS

▶ a) To consider request by Truelove Homes to alter specification for construction of footpath, Nettleham Lane: Members discussed the suggestion of a change of specification to the construction of the footpath. That the original specification be maintained unanimously Resolved.

▶ b) Neighbourhood Plan: The final report from the examiner had been received and amendments made to the Plan bringing it to the Referendum stage. It was hoped that this could be carried out as soon as possible.

▶ c) Park Development: Nothing further to report.

▶ d) Application 140180 - 30 Wragby Road - Planning application for demolition of the existing dwelling and erection of a large house of multiple occupation (sui generis use class) with associated access alterations, vehicle parking and landscaping: Many residents had raised objections to this application and the Parish Council also raised concern. District Councillor Bob Waller had requested that the determination of the application be made by the full West Lindsey District Council Planning Committee, comments of which the Parish Council re-iterated as follows:

“LP1 - The application is in direct conflict with LP1 as it does not provide sustainable development and is unlikely to be used by existing residents.

LP2 - Sudbrooke has far exceeded the housing stock in the Neighbourhood Plan.

LP3 - Does not apply because development targets met and exceeded by Sudbrooke Park Development.

LP7 - This is not high quality visitor facilities and conflicts with the majority of LP7. Sudbrooke Parish Council state this as to the complete uncertainty of the use of the building. The applicant has stated that it is to be used as

an air bnb and an ‘overflow’ for hospital consultants. This does not fit in with Sudbrooke Neighbourhood Plan.

LP10 has already been met by The Park development for the next 25 years; it conflicts with Neighbourhood Plan 4.5.1.

LP17 - The new building in relation to the townscape afforded by existing houses is in direct conflict with LP17.

LP 26 - In conflict with design principle LP26(B). The access on the main arterial route into Lincoln (A158) is a known accident blackspot.

LP2C - It will be completely out of character with other houses in the village.

Sudbrooke Neighbourhood Plan 5.22 - This application for a block of eight ‘flats’ as stated use of air bnb does not provide for existing and future residents to live in a home appropriate to their needs.

5.23 Section 13 - The proposed build of this application is completely out of character with a village mentioned in the domesday book.

Sudbrooke Neighbourhood Plan does not identify a need for this type of accommodation. Paragraph 5.23 does not respect the Neighbourhood Plan and Sudbrooke Village Character Assessment despite stating otherwise in the application.

6.2 - States that the proposed building is on a residential street within the village. However Sudbrooke Parish Council would like to point out that the A158 is the main arterial road from Skegness to Lincoln.

6.3 - The existing two-storey property is entirely in keeping with the street scene and this development will be considerably larger and not in keeping with the street scene.

6.5 - Mr Martin Evans, the Planning Officer referred to is not, to the knowledge of Sudbrooke Parish Council, a Senior Planning Officer with West Lindsey District Council.

PARISH COUNCIL MINUTES

NOVEMBER 2019

■ 125 PLANNING MATTERS continued...

6.6 - Sudbrooke Character Assessment suggests that Sudbrooke is an attractive village to live and this proposal would not 'raise the standard of design more generally in the area'.

6.7 - Sudbrooke PC does not agree that this application confirms with the Policies stated.

6.9 - There has never been a call for this type of accommodation in the area. It will not fulfil a non-existent local need.

6.11 - Sudbrooke Parish Council disputes that this development meets the aspirations of National and Local Planning Policy and it should be rejected.

LP 10 - This does not support LP 10.

Material Planning Considerations:

The overbearing nature of the proposal.

Access and Highway safety will be impaired by the arrival and departure of residents and service vehicles on the main A158 just metres from the junction of Scothern Lane.

Traffic Generation - The development will generate more traffic by its concept.

Noise and disturbance from the Scheme -

Residents will be able to arrive any time - day or night, having paid their fees on-line.

The design and appearance is a Material Consideration in that it is out of keeping with the rest of the village.

Sudbrooke Parish Council has been approached by numerous residents concerned about the use of this building as a potential party house, brothel, and drugs county lines operation.'

► e) TPO 041321 - Garden House, West Drive - Reduce southern canopy by 5m as measured from its furthest extent and reshape to blend into rest of canopy, crownlift to no more than 4m within W4 of TPO Sudbrooke 1950 - comments: 'It is considered that this is a glorious oak tree which does hang over the Garden house on the south side of the tree.

It is considered that proposed management work will help balance the tree and its shape.' It is considered that this is a glorious oak tree which does hang over the Garden house on the south side of the tree. It is considered that proposed management work will help balance the tree and its shape.'

■ 126 FINANCE

► a) To consider request for Grant funding from Citizens Advice Lindsey: That the PC do not make a grant unanimously Resolved.

► b) Retrospective approval of shared cost of cutting of hedge Sudbrooke to Scothern along cycleway/footpath to Ellison Boulters School (members previously agreed by email): The cost of cutting this hedge was £137.50 to each Parish Council. That the hedge be cut and shared cost met - unanimously Resolved.

► c) To consider estimate for Precept 2020/21: That the estimate of the Precept be £28,000 unanimously Resolved.

► d) Accounts for payment:

PARISH COUNCIL MINUTES

DECEMBER 2019

Minutes of the monthly meeting of Sudbrooke Parish Council held on Thursday 5 December in the Sudbrooke Village Hall.

PRESENT

Councillors Peter Heath (Chair), Bob Waller (Vice Chairman), Andy Cottam, Lyn Etheridge, Stuart Hewson, Ian Russell Mrs Christine Myers (Clerk), Mrs Bridget Solly (Treasurer)

■ 131 PARISHIONERS ITEMS

▶ A resident had stated that the dyke to the rear of his property on Scothern Lane had become high with the recent wet weather, and whilst it had not flowed over it was noted that the culvert on Maple Drive was too small to take the additional flow causing a backup. The Parish Council asked the Clerk to refer the matter to LCC Highways.

▶ A resident had kindly cut back brambles on the footway on Church Lane. However, this had revealed that the farmers' boundary fence was now impeding the footpath. The Clerk had reported this to the landowner.

▶ A resident had reported standing water on the field on the southern side of Wragby Road and had been advised to contact LCC or the landowner.

■ 132 APOLOGIES

▶ Councillor Mike Turnbull. That the apologies be accepted unanimously Resolved.

■ 133 DECLARATIONS OF INTEREST ON ANY ITEM ON THE AGENDA

▶ Councillor Bob Waller declared an interest in Item 15a on the Agenda, 'To consider /agree revised rates for Employers contribution rates for Lincolnshire Pension Fund three years - 20/21 - 22/23' as the District Council representative for Pensions.

■ 134 POLICE MATTERS

▶ Incidents circulated.

■ 135 COUNTY COUNCILLOR'S REPORT

▶ County Councillor not present.

■ 136 DISTRICT COUNCILLOR'S REPORT

DC Bob Waller reported that the Parish Charter was currently under review and that a draft was currently being prepared

■ 137 MATTERS OUTSTANDING

▶ Upgrading of CCTV at Village Hall - Consideration of revised draft CCTV Policy: Members reviewed the Policy prepared by Councillor Stuart Hewson and instructed the Clerk to forward it to the Village Hall Committee for their approval prior to adoption.

▶ Christmas Tree Switch on - Sunday 1 Dec 2019: The Chair reported on the event in that although successful, there appeared to be less residents attending which could have been due to a Christmas Fair being held at Nettleham. It was suggested that it would be useful for the Parish Council to own gazebos for events in the village and this to be further considered next spring.

The Chairman thanked all those helping including Mr Roger Adams, Kate Buckley for the making of the mince pies, Martin Dickie and to Pat Wright for the choice and siting of the Christmas tree.

▶ Work to be carried out by the Rivers Trust: Councillor Ian Russell reported that volunteers had planted trees and shrubs in the Stuart Curtis Play Field during November.

▶ FP159 - Diversion: Following a request to the landowner a reply had stated that as a gesture

► of goodwill they would be returning the footpath to how it was; there will be a kissing gate at either end and no stiles; the electric fence would be moved from the field edge; there will be no cattle in the field until May. The Parish Council had thanked the landowner.

► To consider a regular maintenance plan for the wildflower area, Jubilee Garden: Councillor Mrs Barbara Bingham offered to contact the Lincolnshire Trust for Nature Conservation for advice on managing the plot.

► Overhanging branch, Church Lane: Tree branches from two resident's gardens had been broken and left hanging over the highway in Church Lane. The residents had been notified and although one of the branches had been dealt with by the owner the second remained. That this be reported to LCC Highways unanimously Resolved.

► Community Speedwatch: To receive interest shown by residents in participating and to consider whether to proceed with the initiative - Following this being mentioned in Sudbrooke News it had attracted no interest there that the initiative not proceed unanimously Resolved.

■ 138 SPORTS AREA: TO CONSIDER THE FUTURE OF THE TENNIS COURTS/ MULTI-PURPOSE

► It was reported that wooden panels had again been kicked out of the Tennis Courts area. Members felt that continued public spending on this underused facility should be reviewed. The Treasurer was asked to report on expenditure for the last three years at the next meeting. That residents be advised that if the area was not used over the next few months an alternative use for it might be considered, eg car park - unanimously Resolved.

■ 139 TO CONSIDER EITHER REGULAR MAINTENANCE OR REMOVAL OF THE HEDGE FRONTING THE VILLAGE HALL

► That the hedge be cut to a height of one metre in January and August, the Clerk to obtain quotation to be included in the grounds maintenance contract, unanimously Resolved.

■ 140 TO CONSIDER/APPROVE GROUNDS MAINTENANCE CONTRACT FOR 2020

► Members agreed that they were satisfied with the current Grounds Maintenance Contractors, being local and having a good knowledge of the village. The contract for the 2020 season was reviewed noting a 3% increase. That this be accepted proposed by Councillor Andy Cottam, seconded by Stuart Hewson and unanimously Resolved.

■ 141 BENCHES

► a) To consider removal of seat at rear of Village Hall: The seat being beyond economical repair to the Parish Council and had been replaced. That a note be placed in **Sudbrooke News** asking if any resident wanted to remove it for the wood unanimously Resolved.

► b) To consider request for provision of a picnic bench in play area of Village Hall: Following consideration members were doubtful that there was sufficient room in the play area for this addition. However, that the suggestion be made to the Village Hall Committee that they provide one to the rear of the Village Hall as an asset for lettings unanimously Resolved.

PARISH COUNCIL MINUTES

DECEMBER 2019

■ 142 SUDBROOKE NEWS – TO CONSIDER APPOINTING AN ADVERTISING MANAGER FOR THE MAGAZINE

► It was felt that this would assist the Editor if a separate person could take over the seeking of advertisers and the issuing of bills. That this voluntary position be advertised locally unanimously Resolved.

■ 143 PLANNING MATTERS

► a) Neighbourhood Plan: Notification received that the Referendum will be held on February 13, 2020, in the Village Hall. That information be made available to residents to encourage them to come and vote at the Referendum unanimously Resolved.

► b) Central Lincolnshire Local Plan: The Village Check Sheet completion appeared correct save for a change of wording from 'views' to 'Policies'. The Policies being designated in the emerging Neighbourhood Plan.

► c) Park Development: That an update be requested on the opening up of the footpath through the woods and Main Drive unanimously Resolved.

► d) Application 140180 – 30 Wragby Road – Additional comments for consideration: It was reported that this application would be discussed at the WLDC Planning Committee on Wednesday 11 December 2019. That Councillors Peter Heath and Stuart Hewson speak on behalf of the Parish Council and residents unanimously Resolved.

■ 144 FINANCE

► a) To consider/agree revised rates for Employers contribution rates for Lincolnshire Pension Fund three years 20/21 – 22/23: That the new rates be accepted unanimously Resolved.

NB Councillor Bob Waller declared an interest as at the commencement of the meeting and took no part in the discussion.

A PENSIONER REMINISCES: A TALE BY TERRY MAYO

We travelled down the rutted road which was the 780 for about 3/4 of an hour when we spotted Camping Smok on the left. We set up camp on a warm summer's day, and did a quick tour of the facilities. A large TV room was available. The toilet block was clean with plenty of hot water, and reminded me I needed a shower!

We saw on a hilltop an abbey that we could explore. It was occupied by a group of close order monks who were sworn to silence for periods of up to five years! This was the year when they were allowed to speak, and in the woods below the abbey, a market and fair was being held and the next day we observed some of the abbey inmates on their day out exercising their lungs. And they were chatting up a group of nuns! The day following we had some housekeeping to do on the campsite, and we had a rest day before we found out what was involved in getting in to Krakow 6km away.

It turned out to be relatively simple. A bus stop was found almost outside the camp entrance that took us right up to the tram terminus, and a tram into the centre of Krakow ran every few minutes. Tram tickets could be obtained from any tobacco booth of which there were plenty, and they were validated at a ticket 'validator' in the tram. Krakow is a stunning city and there is so much to do

and see. We did a tour round the city centre in a horse and cart (I think that's what it is called), and ate some cake and drank several coffees in the most expensive coffee shop on the planet in the main square in the sunshine!

Later in the afternoon, the local TV company were setting up for a TV extravaganza to be televised from the square, and it was fascinating to watch them preparing for the evening concert. We did stay and watch the beginning before making our way to our tram. We

had obtained a free map of the city that had lines drawn down the streets indicating what trams went that way, and I still have it. Probably the routes have all been changed now!

We heard that a trip to a coal mine was on the cards, and not very far away, so we trotted off to the railway station to get some information. Turns out that the mine was in the town of Wieliczka just 8km away, and the trains ran quite frequently so we bought tickets for the following day. This world heritage site is a must see place for any visitors to Krakow. I had seen photos on the internet, but nothing prepares you for just how jaw dropping this place is. Almost as soon as you enter the mine you begin your descent down 380 steps to level 1.

Then you enter quite large tunnels where you begin the tour. It takes you through many tunnels and caves which are all subtly lit and contain many, many salt carvings. Leading down many easy

I settled for the 'piers z kurczaka w bardzo ostrym sosie Vindaloo'

stairs and ramps, the highlight is the enormous cave at the deepest level of 160 metres.

It is like a cathedral with enormous chandeliers and exquisite wall carvings all fashioned in salt crystals. The mine no longer produces salt, but various artists were invited to carve these wonderful masterpieces. During the war, the Nazis gave it over to aircraft

production. You completely forget how deep underground you are, but after another set of tunnels and staircases you arrive at the inevitable souvenir shop before being whisked to the surface in a modern day lift. A half-an-

hour wait for a train and we were back in Krakow in time for another coffee in the square. We found out later there were plenty of tour buses we could have opted for at a third of the price!

The following day we saw a little more of the city when we visited what was the Jewish Ghetto during the war. We got invited into a Jewish museum next to a crammed cemetery, where we were asked to wear a 'kippah'. First time I've

had a kipper on my head!

Later, we smelled out an Indian restaurant and through a doorway that still had the bullet holes from wartime weapons, we saw the sign Bombaj Tandoori and knew we were in the right place!

I settled for the 'piers z kurczaka w bardzo ostrym sosie Vindaloo' with 'ryz smazony' and Sally had the 'piers z kurczaka w sosie ze swiezego imbiru i' with 'bialy aromatzny ryz basmati'. Sounds delicious eh? And washed down with a bottle of Kurpiowsky.

It was time to leave, and our next destination was in front of us, Zakopane in the Tatra mountains, on the Czech border. We settled for the campsite at Ustrup as we almost ran the site owner down in his anxiety to wave us into his field. We only had two other guests sharing with us. They turned up on a motorcycle and quickly got out their destructive pattern ponchos, spread them between a fence and their bike, and with their bedrolls under the 'awning' settled down to make a cuppa. These soldiers were very adept at looking after themselves!

We picked up on the fact that rafting was available nearby and we were determined to have a go. We had recently whitewater rafted down the River Illecillewaet in the glacier national park of British Columbia, a tributary of the Columbia River, and were up for it.

The trip begins in the village of Sromowce Wyzne-Katy and ends in the resort town of Szczawnica, 18km down the Dunajec River gorge. It was a shock to find there was no white water, but it seemed like an interesting trip.

We joined a chaotic queue and again struggled with the language to buy our tickets, but were rewarded in the end, and climbed onto our vessel. It turned out to be a beautiful ride with two colourfully dressed Poles punting us down river for the 18km. Lovely views, and we could clearly see walkers passing through a customs post in Slovakia.

Before we left Poland we thought we should visit what was arguably the fourth loveliest lake in the world. We made for the car park operated by local Gorals and opted to be transported by horse and cart. Morskie Oko (eye of the sea) is one of the most popular destinations in the Tatras and is well worth the hike.

When you get there, it takes about half an hour to stroll round it. With crystal clear water it is a lovely experience. We arrived back at Ustrup with a view to setting off for new adventures in the morning...

HELP IN THE GARDEN REQUIRED DUNHOLME LODGE 2020 SEASON

Only basic experience necessary, but it's essential to have energy, enthusiasm and a willingness to learn. Mainly weeding and tidying paths and borders. Hours are very flexible, but 10 per week required and more for the period before each garden opening in May and June.

HELP WANTED

An advertising Manager is required to assist the Editor of the **Sudbrooke News**.

This voluntary post involves sending out accounts for the advertising and seeking new advertisers for our magazine.

The advertising in the magazine offsets some of the printing costs.

If you are interested in helping out please contact the Clerk to the Parish Council on: Sudbrookeparishcouncil@gmail.com

PARISH COUNCIL REPORT

SUMMARY OF PARISH COUNCIL MEETING HELD ON JAN 2, 2020

▶ Parishioners items: A resident had drawn attention to the overgrown hedge on Wragby Road - from last house to the entrance to the Scout camp - which had still not been cut back. LCC Highways had stated that this work would be carried out with some urgency in the Autumn, but to date it had not been cut back. This would be pursued enlisting the support of County Councillor Mrs Sue Rawlins.

▶ CCTV at the Village Hall: This had now been upgraded with additional cameras to increase safety of the site.

▶ Future of tennis courts/Multipurpose Sports area: The Parish Council would appreciate comments from residents on how this area can be used more effectively. It is a large play area which is seldom used and is attracting vandalism

costing residents money to maintain. Please pass your thoughts to any Parish Council member or email the Clerk on sudbrookeparishcouncil@gmail.com

▶ Planning Matters - Neighbourhood Plan: The Referendum for the Neighbourhood Plan will be held on Thursday 13 February 2020 in the Village Hall. It will be conducted in the same way as any election and poll cards will be arriving shortly via West Lindsey District Council. Please use your Vote.

The Referendum copy of the Neighbourhood Plan is on the parish website. Hard copies can be viewed at Nettleham Library, in the Sudbrooke Village Hall or by contacting Councillors Peter Heath, Mrs Barbara Bingham or Bob Waller.

SUDBROOKE WALKING CLUB

WITH MIKE HALLIDAY - 01522 754686

■ JANUARY WALK

► We decided to walk through Willingham Woods making use of the woodland roads which have a firmer surface than the surrounding grassed areas many of which were waterlogged.

The weather was fine throughout the seven-mile walk with some sunny intervals.

The woods are a delight at any time of the year and provide enjoyment and exercise for many people.

Tree plantings are mostly conifers, but there are patches of deciduous trees.

■ FEBRUARY WALK

► Weather permitting we plan to do a circular walk of seven miles from Binbrook in the Wolds.

Our walk takes us over Binbrook Top with stunning views in all directions.

We hope to see snowdrops in full bloom in the woods at Thorpe le vale.

Walkers should meet at the village hall at 9.30am and are advised to wear a waterproof coat, wear suitable footwear and bring a drink and a snack.

We walk on the first Saturday of every month. Everyone is welcome to join us.

PUBLIC MATTERS

WITH DISTRICT COUNCILLOR BOB WALLER

LATEST NEWS UPDATE

► A lot has happened in the last few months; a new Government, Brexit is now on course for the end of January and not least a new Chief Executive and structure at West Lindsey District Council. I am sure that many of you agree that it is time to put the Westminster in-fighting to one side and concentrate on moving forward, concentrating more on local issues.

The Neighbourhood Plan for Sudbrooke has passed the examiner's scrutiny stage and is going to the referendum, with voting taking place on February 13 at the Village Hall. Hopefully you have all received your polling card from WLDC. Voting is obviously a personal choice, but I would encourage you to vote in support of the plan.

It has taken a lot of time and hard work by many volunteers over the last three years to get to this stage. The plan, if voted for will protect and enhance your village for years to come. You will not be voting for a political party and when the plan is adopted by WLDC it will not change, even if the Government changes.

At the end of last year, the Head of Paid Services at WLDC retired, this position was not advertised and a new structure was put in place with the appointment of Mr Ian Knowles as CEO. The new structure will save money and hopefully increase

efficiency through delegation and decision making from front line managers. Mr Knowles was formally the Executive Director of Resources and Finance and has been at the council for over seven years.

Applications for the renewal of garden waste through the Green Bin scheme can now be made on line through the WLDC website. The council is pleased to say that the cost for the scheme remains the same for the third year running, £35 for each green bin. The scheme has been a success with less now going into landfill. The first collection is March 26.

The West Lindsey Community Awards 2020 is now accepting nominations, with the closing date being Friday 6 March.

Do you know someone who goes out of their way to help others? Then don't let their hard work go unnoticed-nominate them for an award. There are seven categories; Contribution to the Environment, Young Citizen of the year, Good Neighbour, Contribution to the community, Contribution to Sports, Contribution to Wellbeing and Contribution to Arts and Culture. Further details and nomination forms can be found on www.west-lindsey.gov.uk/community-awards.

The awards will be presented at a special dinner in April at Hemswell Court.

YOUR CORRESPONDENCE

■ NUISANCE SCHOOLCHILDREN

Dear Editor

For a few years now I have left a water bowl outside our drive for the dogs to have a drink and a container should they need a fresh supply. Most folk with a dog will know where this is.

I try to wash and change the bowl regularly (except when on holiday).

The school bus collects the children from outside our drive and just lately they have found it hilarious to empty the contents over the path, and a couple of times the

bowl has been in the middle of the road (they do check that we are not looking out of the window so they can do this). I know which particular boys they are!

The first day back after the Christmas and New Year break, it has happened as we expected it would. Obviously during the school holidays it is left alone.

It is a pity that they have nothing better to occupy their time while waiting for the bus, some of them arrive 15 minutes before it is due and by the time it arrives it resembles the noisy playground.

Sudbrooke Village Hall, the Bramham Lounge and bar are available for hire.

If you book the Bramham Lounge or bar area for a meeting/training course you can make use of FREE WiFi.

These areas are suitable for smaller groups and meetings.

A slide/projector screen is now available. Please ask for details when booking

The hall is situated next to the village playing field and play area, making it a very pleasant venue for children's parties, wedding, christening and

birthday parties. The modern commercial style kitchen makes the hall even more attractive as a venue for large functions when catering is required.

The well stocked bar with draught beers can be booked with either the main hall or the lounge.

Campaign launched today aims to SCRAP fly-tipping in Lincolnshire

Lincolnshire has launched the SCRAP fly-tipping campaign today which aims to fight the blight of fly-tipping in the county and cut clear up cost.

The campaign reminds people to check their waste is being taken away for disposal by a licensed carrier – either by asking to see a Waste Carriers Licence or by looking up the company on the Environment Agency website.

Cllr Roger Gamba-Jones, Vice Chair of Lincolnshire Waste Partnership and portfolio holder for place at South Holland District Council said: “Fly-tipping is illegal, unsightly and pollutes our environment. There are lots of ways that people can legally get rid of the things they no longer want, so in addition to asking people to avoid giving their waste to rogue traders, the SCRAP campaign will be highlighting how people can dispose of items and stay within the law. We’re urging people to follow the simple SCRAP code and are reminding people that if it’s their waste it’s their responsibility.”

People can avoid an unlimited fine by following the SCRAP code:

Suspect ALL waste carriers

Check with the Environment Agency on 03708 506 506 that the provider taking your waste away is licensed

Refuse unexpected offers to have waste taken away

Ask what will happen to your waste

Paperwork should be obtained – get a full receipt

All of Lincolnshire’s councils, the Environment Agency, Lincolnshire Police and Crime Commissioner are joining together to support the SCRAP fly-tipping campaign. SCRAP is based on an award-winning and successful campaign continuing to be developed by the Hertfordshire Waste Partnership and its partner authorities, with more joining all the time.

Stuart Hoyle, Waste Crime Engagement Specialist for the Environment Agency said: “The Environment Agency advises both businesses and the public to check on its website to see if a company or individual removing their waste has a waste carrier’s licence. They should also ensure that the waste is being taken to an authorised site.”

THE CHURCH DIARY

WITH REVD PENNY GREEN - 01522 595596 slbchurches@virginmedia.com

■ JOIN US AT REEPHAM

► In January, I launched a year in our churches in which we are focusing prayer in a 'Journey of Prayer 2020'.

As part of that journey, we are gathering together each month to pray together for an hour and then to share some social time. The next gathering is in Reepham Church on February 11 at 6pm for prayer followed by soup and social time at 7pm.

Do feel free to come along - if you are not sure about praying with other people, but just would like some quiet time in church - we always build in silence to our time together as well as 'voiced' prayer. Try it!

Here is a prayer we all might pray - with a smile on our faces!! I haven't found its author as yet, but it does ring true for me....

'Lord, thou knowest better than myself that I am growing older and will soon be old. Keep me from becoming too talkative, and especially from the unfortunate habit of thinking that I must say something on every subject and at every opportunity.

Release me from the idea that I must straighten out other peoples' affairs. With my immense treasure of experience and wisdom, it

seems a pity not to let everybody partake of it. But thou knowest, Lord, that in the end I will need a few friends.

Keep me from the recital of endless details; give me wings to get to the point. Grant me the patience to listen to the complaints of others; help me to endure them with charity. But seal my lips on my own aches and pains -- they increase with the increasing years and my inclination to recount them is also increasing. I will not ask thee for improved memory, only for a little more humility and less self-assurance when my own memory doesn't agree with that of others. Teach me the glorious lesson that occasionally I may be wrong.

Keep me reasonably gentle. I do not have the ambition to become a saint - it is so hard to live with some of them - but a harsh old person is one of the devil's masterpieces.

Make me sympathetic without being sentimental, helpful but not bossy. Let me discover merits where I had not expected them, and talents in people whom I had not thought to possess any.

And, Lord, give me the grace to tell them so. Amen.'
