THE next issue soon comes around, doesn't it? We feature 1st Scothern Rainbows on the front page this month in the hope that it can help drum up some support and get the group back up and running again in Scothern. It would be sad to see it close for good.

There's another opportunity to place your 'X' in the box, with the EU Referendum voting day nearly here after what seems months of posturing from members on both sides of the debate. Are you with big Dave C and think we should stay in Europe or do you come down on the side of Boris and feel we should got it alone? You decide.

There's the usual Gardening, Ladies and Walking Club updates and everything else, while we run an article on junior football club North Lindum Hawks, who are based this side of Lincoln, as they have struck up what looks to be a fantastic partnership with Sheffield Wednesday.

Don't forget that next month's edition is a dual one, so if you have any August plugs you want mentioning, get them to me soon. Surf's up. **Dom**

PARISH COUNCIL MINUTES

April 2016

Notes of the monthly meeting of Sudbrooke Parish Council held on Thursday 7 April in Sudbrooke Village Hall.

PRESENT:

Councillors Peter Heath (Chairman), Stuart Curtis, Andy Cottam, Paul Rignall, Mrs Lyn Etheridge, Miss Rose Dobbs, Mrs Chris Myers (Clerk), three residents.

1) Parishioners Items

■ Overgrown hedges that are hanging over footways was again brought to the attention of the meeting. Members felt reluctant to refer the matter to LCC Highways and agreed to all observe any problem hedges/shrubs in their vicinity and report back to the next meeting of the Council.

■ Reports of a black labrador again running loose in the village. It was noted that Sec 5 (Part 1) of The Dangerous Dogs Act 1991 allows a dog in a public place to be secured by a Police Officer or Dog Warden.

West Lindsey District Council no longer has a dog warden and therefore it is a matter for the police. However, if a member of the public is able to restrain the dog they can call WLDC who will then arrange for it to be collected and taken to the Dog Rescue Centre at Ingham. The owner would then have to collect the dog and pay for its release.

2) Apologies

■ Councillors Bob Waller, Ian Russell and Mrs Bridget Solly Treasurer. That the reasons given be accepted proposed by Councillor Paul Rignall, seconded by Councillor Peter Heath and Resolved.

3) Declarations Of Interest

■ None declared.

4) Notes of Meeting held on March 3, 2016

■ That they notes be accepted as a true record of the meeting and signed by the Chairman as minutes proposed by Councillor Mrs Lyn Etheridge, seconded by Councillor Andy Cottam and Resolved.

■ **e) Footway and verge near to Church Court:** Councillor Andy Cottam reported that surfacing of the private road had been carried out since the last meeting. The verge opposite, however, was churned up by large vehicles having to turn into the private road. ■ **c) Planning Applications:**

i. 134071 - 11 The Paddock, erect two storey front and rear extension - No objections, but requested that the following observations be taken into account

- It is recommended that there be obscure glazing to the bathroom window
- To protect the privacy of neighbours, it is suggested that there be ground floor screening
- Comments from neighbours should be taken into account.

ii Proposed base station installation - Land at Hall Farm, Off West Drive, Sudbrooke - comments made:

Although this base station would benefit the community, there are concerns as to the proposed site at Hall Farm.

.....(Initialled) Chairman
.....Date

1 It is not clear whether the site is within Sudbrooke or Scothern parish.

2 The ideal site is considered to be the existing Scothern oil well site, where the proposed tower would be of a similar height to the existing apparatus. This would cause less adverse visual impact across open countryside. In addition there is an existing access from the public highway, thus preventing a new access/HGVs through Sudbrooke Park.

3 The proposed site at Hall Farm would be a blot on the landscape as the existing trees would only provide a small degree of screening.

PARISH COUNCIL MINUTES

12) Planning Matters cont.

ii **133284 - Land adjacent Sudbrooke Park** - Amendments to original proposals; number of dwellings up to 130; (reduced from 140) relocation of attenuation pond; removal of covert and details of biodiversity enhancements - comments submitted as follows:

'Sudbrooke Parish Council has considered the amendments to planning application 133284 and wish to make the following objections:

The original objections from the Parish Council to the planning application are unchanged.

The changes made in the amendment are small, but are to the detriment of Sudbrooke. The developer has withdrawn the public offers made on the basis of a Section 106 agreement, mainly the transfer of ownership of the woods/ amenity area and 10 Acre covert. The inclusion of a Pub/ Restaurant is still thought to be an unviable enterprise and no information on the management of the proposed allotments has been given.

The original discussions with the developer had included the gift of the woods to the Parish. The developer has stated that the woods will be held by the current owners and a management company will maintain the woods. The Parish Council are concerned that access to the woods/amenity area will be restricted. The residents will now have to rely on the goodwill of any management regime contracted to maintain them for access. Also from the amendment it states that the only access would be via the new footpaths.

The developer had stated that 10 Acre Covert would be gifted to the Parish - this has now been withdrawn. This area would have extended the amenity area of the woodland in the Parish and created greater access. By retaining ownership of both the areas previously in consideration for transfer to the parish, there is still the prospect of future development of both areas.

The Parish Council were willing to work with the owners of the land and the developer and sought repeatedly to engage with them about their plans. However, the plans for this site were presented ready formed and no changes of significance were made to satisfy our concerns. The developer has made clear in the amendment that they are prepared to use the full regime of planning law to force this development through. Such an indication does not engender confidence for any discussions with the developer.'

■ **d) Planning Permission:** 133895 - 14 The Paddock -extension.

That First Aid cover was required at Parish Council events and all members' certificates had expired. The Clerk was asked to enquire about re-training for members.

That she would be sorting the filing cabinets out and required additional suspended filing. Expenditure up to £25 was approved for this. The Clerk was given authority for the safe destruction of files/paperwork.

PARISH COUNCIL REPORT

Brief report of meeting held on May 12, 2016

■ **Election of Chairman and Vice Chairman:** Councillor Peter Heath was elected Chairman and Councillor Bob Waller as Vice Chairman.

■ **Parishioners Items** - It was brought to the Council's attention that vandalism has again occurred to the boards around the tennis courts.

A complaint was received of late deliveries of **Sudbrooke News** - it was noted that this was possibly due to a distributor being on holiday. However, Councillor Mrs Lyn Etheridge, distributor for the magazine, would be grateful to hear from anyone who can help out with deliveries on a relief basis to ensure that the magazine reaches doorsteps as early as possible. If you can help out occasionally please ring Lyn on 01522 750905.

■ **County Councillor's Report** - CC Mrs Sue Rawlins spoke of the withdrawal of funds from Lincolnshire County Council for amenity grass cutting from April 2017.

It was understood also that grass verges would cease to be cut except at junctions and on dangerous corners.

Further cuts were required to be made by LCC and street lighting would be reduced in residential areas, with switch off of lights taking place at 10pm or midnight.

Members felt that a 10pm switch off was unacceptable for safety of persons dog walking or returning from work. CC Mrs Rawlins offered to pass on the comments of the Parish Council to LCC, but felt that the cuts were inevitable to attain the level of savings required.

■ **Horse riding on footpaths, not designated as bridleways** - This appears to be continuing and LCC Highways have agreed to display signage indicating that horses should not be riding on footpaths.

■ **Sports Day** - This event will be organised for Sunday 4, September 2016.

■ **Chairman's Comments** - The Chair reported that it had been suggested that there may be buildings/properties in the village which should be considered for Listing - agenda item for next meeting of the Parish Council.

Hedges overgrowing onto footpaths had been raised again and the Chair respectfully requested that residents cut back any shrubbery that was growing onto footways.

■ **Parish Council meeting dates 2016/17** - Meetings of Sudbrooke Parish Council meetings will be held on the first Thursday of a month (whenever possible) excluding August, in the Village Hall, Scothern Lane, Sudbrooke commencing at 7.30pm.

Next meeting - Thursday 2 June, 2016.

LATEST UPDATE

■ We were entertained at our May meeting by Denise Taylor from Hearing Dogs for the Deaf. She was ably assisted by hearing dog Poppy and her recipient John.

Their illustrated talk gave us an insight into the training of these very valuable dogs. They are particularly beneficial to hearing impaired children and cost £10,000 to train. The charity was established by Dr Bruce Fogle and has bred its own puppies since 1981.

Merchandise was available and members could donate used ink cartridges.

Visitors and new members are always welcome and are asked to make a small dona-

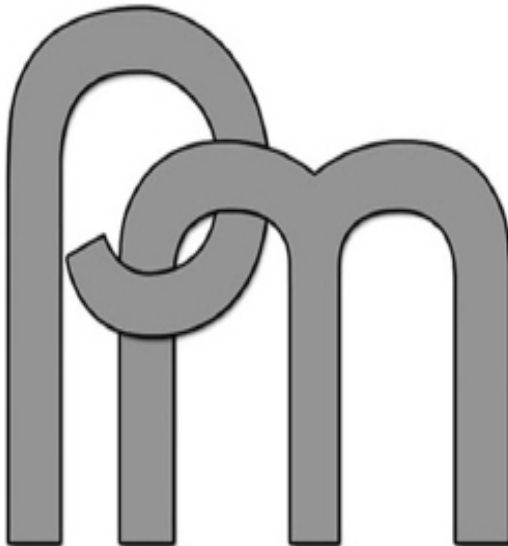

tion. We have a book stall and collect stamps and small coins for funds.

We meet on the third Thursday of most months at 7.30pm in the Bramham Lounge at the Village Hall. We have a guest speaker at most meetings covering a variety of topics. You are all welcome to attend any meeting which you feel is of particular interest.

FORTHCOMING MEETINGS

■ **Thursday 16 June:** Judy Mackay. Our very gifted and artistic member will give a craft demonstration.

■ **Thursday 21 July:** Summer Lunch at Pennell's Garden Centre.

1ST SCOTHERN RAINBOWS

END OF AN ERA?

■ Rainbows has been part of the fabric of life at Scothern for over 30 years, ever since a group was formed by Liz Inder in the 1980s, but young girls between the age of five and seven may have to head to neighbouring villages such as Nettleham and Cherry Willingham if they want to start their journey in the world of girl guiding.

A lack of numbers has forced the unit to be temporarily shut down and unless interest in joining Rainbows in Scothern picks up, then the group will be closed permanently.

While the 25th Lincoln Scout Group - better known as the Scothern troop - is bursting at the seams with youngsters across its Beavers, Cubs and Scouts

sections, a lack of young girls in the Scothern/Sudbrooke/Langworth areas has resulted in the sad closure of the 1st Scothern Rainbows unit, based at Scothern Methodist Church, although there are hopes that it could be resurrected if there is the interest out there.

Sudbrooke News has been told that if enough potential new members are registered within the next 12 months and show a keen interest in joining, then the group will re-form.

So the message to parents with young girls who may be interested in joining Rainbows in Scothern, contact leader Sue Truscott on 01522 752911 or register your child at the Girl

Guiding website (details below) and hopefully the unit will be saved.

Will Scothern Methodist Church ever host the Rainbows again?

TAKING A WALK IN THE COUNTRY

With Mike Halliday

MAY WALK

■ Thirteen walkers set off on a bright and breezy morning from Bardney village hall for a seven mile walk in lovely countryside.

Our refreshment break was at Topholme Abbey, founded between 1155 and 1166.

We then passed through the pretty village of Southrey, before skirting around Southrey Wood and Birch Wood on our way back to Bardney.

Our walk coincided with the Lincolnshire churches open weekend and we were warmly welcomed into St. Lawrence's Church in Bardney to enjoy tea and cakes, as well as taking the opportunity to buy useful items from the many stalls on display.

The stain glass windows surrounding the alter were magnificent to see.

JUNE WALK

■ An eight-mile walk from South Elkington, passing through Hubbard's Hills in Louth then up and over Hallington Top and through Welton Vale.

There are a couple of hill climbs, but the views make it worthwhile.

Walkers should meet at the Village Hall at 9.30am and are advised to take a waterproof coat, wear suitable footwear, bring a drink and a snack.

Everyone is welcome to join us. We meet on the first Saturday of every month.

With **John & Iris Whitaker**

MAY MEETING

■ On a beautiful spring evening, gardening club members were welcomed into the home and garden of Sheila and Mike Cannon.

Members enjoyed exploring the pristine garden and were particularly thrilled to see the fine specimens of potted Azaleas, one of which was over 30 years old.

Other delights included Rhododendrons and Camellias (again grown in large pots), hanging baskets full of multi-coloured Pansies, mature specimens of Crab Apples and Lilac in blossom as well as an unusual form of Cotoneaster.

The borders were full of mature shrubs; several Clematis were in full bud promising a display to be enjoyed in future weeks, and the flowering pots of peachy/pink Margarittes on the patio danced in the breeze.

A wonderful garden which members really appreciated - our thanks to Sheila and Mike for a lovely evening. Our hosts had devised an intriguing quiz and congratulations went to the winning team comprising Pam Peace, Iris Whitaker, Mike Halliday and Dave Marshall.

JUNE MEETING

■ We look forward to our next meeting which

WELTON & DISTRICT BRANCH ROYAL BRITISH LEGION

The next meeting will be held on Monday 13 June, 2016, at Welton Sports and Social Club at 7.45pm. The evening will begin with a Committee meeting, but everyone is welcome to join us to find out what is happening in the Legion and what we are planning.

will be held on Monday, 13 June, hosted by Sandy and David Bowles.

HANGING BASKET COMPETITION

■ As mentioned previously, this year's village competition is for hanging baskets visible from the public footpath.

Judging will commence in early July to select the best six baskets to go forward into the finals, which will take place at the end of the month.

Our judges will be looking for use of colour, plant health, structure of the planting, as well as visual impact; and the competition winner will be presented with their trophy at the Autumn Show on Monday, 12 September. Hopefully your baskets are planted and being hardened off in readiness for display when the possibility of late frosts is behind us - so keep planting!

CHURCH BUILDINGS

■ I wonder, do you like having a church building in your village? Is it something that 'adds' to your village? It may not be that you would ever visit it as a place of worship, but it may be that you appreciate the history and the fact that it is there and adds character and history. What if it were looking dilapidated and not in good order?

I ask this question because as a group of churches, we have been thinking about financing the church buildings for which we have stewardship.

Most of them are listed, most of them require the services of specialist architects if any are required, most require a significant amount of finance every year to keep them maintained, and most of them rely on the good offices of a small number of people who worship in them, to either give or to raise money through fundraising and grants. Increasingly this is becoming hard work, because inevitable, costs are rising.

So, we are wondering: What is the interest in

our wider communities to keep these buildings maintained and in good order as a part of the history of their village?

Would folk be interested in joining 'Friends' Associations that help with the upkeep of the buildings for historical purposes? Is it important enough in the wider group to see a church building in good order at the heart of their village to contribute?

I would be interested in your views. Perhaps it might help if I say at this point that the local church receives no funding (apart from applications for repair grants via Heritage Lottery

Funds or Church Repair Societies) from the Church of England to maintain its buildings.

The buildings are in the charge of the local Parochial Church Council (not the Parish Council) - that's a big challenge - so far we have risen to that, but I wonder if we need to think more broadly if we are to rise to this task in the future.

Thoughts please!!

*Every blessing
Penny*

EXCITING NEW FOOTBALL DEVELOPMENT IN THE COUNTY

Sudbrooke family involved in an intriguing new venture as their club, North Lindum Hawks, forms an eye-opening alliance with Football League side Sheffield Wednesday

THE Nicholls clan have been part of the North Lindum Hawks Football Club for a number of years now, with secretarial duties performed by Rachel, while husband Gareth manages a couple of the junior teams, and the future of the club has become so much more exciting...

JUNIOR football in Lincoln is about to take an exciting turn with the announcement of a partnership between North Lindum Hawks JFC and Sheffield Wednesday FC.

This partnership will see the two clubs establishing a Player Development Centre in Lincoln at the home of North Lindum Hawks - Ravendale Sports Ground.

The centre will be open to boys and girls from the age of five up to the age of 17, and will focus on football development, learning to play 'the Wednesday way'. They will work with former professional footballers, goalkeepers and experienced coaches provided by Sheffield Wednesday.

This exciting project will enable children from across Lincolnshire to develop their footballing skills on a weekly basis within the development centre, and to play football at grassroots level with North Lindum Hawks.

There will be the chance for them to visit and play football at the Sheffield Wednesday training facilities in Hillsborough, and to progress to the Owls' Academy Elite squads.

The clubs will be holding open trials for children and young people of all abilities at Ravendale on June 25 and 26. Further details are available at www.northlindumhawks.co.uk or on Facebook at North Lindum Hawks. If you are interested in managing one of our grassroots football teams, and receiving professional coaching and management training, please email secretary@northlindumhawks.co.uk with your details.

THE Spirit of Scothern committee have partnered with Lincolnshire-based non-profit organisation Blueprint: Film Foundation on their upcoming 'Flix In The Stix' project, bringing monthly cinema screenings to seven rural locations across Lincolnshire, for 12 months.

Beginning in June, Scothern Village Hall will host a range of fantastic films from a varied programme, including recent releases, award-winning films and classic titles. The film programme has been specially selected by The Spirit of Scothern committee, in partnership with Blueprint: Film Foundation. Films will be screened by a technician on brand-new state-of-the-art equipment, transforming the local hall into a cinema for one evening a month!

Films will begin at 7.30, but doors will be open from 7pm, so make sure you arrive early to grab your seat. Refreshments will be available for sale. Tickets will be priced at £3, with £1 of all proceeds being donated to the Spirit of Scothern Village Hall Revitalization fund. All other box office proceeds are put back into the community cinema, to allow it to continue running for a full year.

The programme for the first quarter of Flix In The Stix is as follows:

Friday June 24th 2016, 7.30pm - The Lady In The Van (2015)

Award-Winning actress Maggie Smith stars alongside Jim Broadbent and Alex Jennings in this enjoyable comedy/drama. The Lady in the Van tells the true story of Alan Bennett's strained friendship with Miss Mary Shepherd – played by Maggie Smith – an eccentric, cantankerous homeless woman who forms an unlikely friendship with Bennett after he allows her to temporarily park her van in his driveway. She lives in the van on his driveway for 15 years.

Friday July 22nd 2016, 7.30pm - Some Like It Hot (1955)

July is classics season! We will be screening Billy Wilder's Oscar winning comedy/romance Some Like It Hot, starring Tony Curtis, Jack Lemmon and Marilyn Monroe. When two musicians witness a mob hit, they flee the state disguised as women in an all-female band, but further complications set in.

Friday August 19th 2016, 7.30pm - The Adventures of Tintin (2011)

During the summer holidays we will be screening 2011's fantastic, award-winning reboot of childhood favourite The Adventures of Tintin. Directed by Stephen Spielberg and starring Daniel Craig, Andy Serkis and Jamie Bell, the film follows intrepid reporter Tintin and Captain Haddock as they set off on a treasure hunt for a sunken ship.

Through Flix In The Stix, Blueprint: Film Foundation aims to provide a low-cost activity for communities around Lincolnshire without the hassle of travelling further afield into surrounding towns and cities. READERS' LETTERS

Your correspondence

Dear Editor,

I read your May issue and noticed the article about the black dog that has been roaming about. In the article it said to ring the police, however, it might be worth noting that the police will not come out to a dog even when it is on the public highway.

The black dog has been running around Scothern and the surrounding fields, although I must admit I haven't seen it for a while.

It caused a couple of cars to slow down on the main road from Nettleham into Scothern where I live, so I phoned the police who told me that they don't attend any dog even if it is on the public highway.

They told me to ring the dog warden and gave me a number which turned out to be the switchboard for West Lindsey District Council;

they told me they do not have a dog warden, but if I caught the dog, which wasn't possible, they would find a place I could take it to.

The WLDC told me to ring the RSPCA, which I did. They don't come out to stray dogs, although I could catch it and take it to a centre, but I should ring the police as they had a duty to come out to a dog roaming on a public highway.

So I rang the police back and they stuck to the same story that even if the dog was on the road they did not attend stray dog incidences.

The police operator said ring the dog warden - I said I had, and then ring the RSPCA, I said I already had. I just wondered if anyone in Sudbrooke had more luck if they reported the dog to the police. I couldn't believe that no one took responsibility for stray dogs anymore.

ALEC C. CARROTTE ON PERSONAL HEROES – WHO IS YOUR HERO?

ALTHOUGH used in a particular context (love and romance), most of us will remember the words of the Enrique Iglesias song "I can be your hero, I will stand by you forever".

What is a hero? If we look in the Collins Dictionary we see it described as two things:-

Firstly, it is defined as an individual of exceptional courage who may possess superior qualities in a given field (eg) soldier, OR a hero can be an exemplar, someone who sets the standard for others to follow. If we adopt the second definition, then a hero can be someone you can admire and use as a model for your own way of living. However, choosing a hero is more difficult than at first appears and begs several key questions:

Firstly, do we feel that we need a hero on whom to model our way of being, or are we happy with ourselves and the way we are?

Secondly, do we need different heroes for different times in our life?

Thirdly, what is our criteria for choosing a hero we can respect?

In terms of addressing the first two questions, it can be argued that we do indeed need a succession of heroes in negotiating life's hurdles (eg) a parent, later a teacher, later a friend, later perhaps our partner. This then leaves the third question regarding choosing a hero who can act as a role model, someone whom we can respect. Does the answer lie in choosing a sports star, a politician, an employer, a friend, or a 'celebrity' who will act as an exemplar for you to model your life upon? Will the above people stand by you forever?

Thus we can see from the above list that we may collect a whole series of heroes throughout our lives, but is there one that particularly stands out as having the most influence on your own way of being?

Perhaps a quotation from the author Arthur

Gordon might help to clarify the position:-

"A hero is someone who is to be cherished, not so much for what they have achieved in their own lives, but for what they have accomplished in mine, for how they have inspired me to grow and to change and to become more of what I was created to be".

Perhaps this hero may appear in a most unlikely place and might not even be aware of the impact that they are having on your life. Perhaps this is the way it should be.

Finally, what qualities do you seek in your hero? Only the individual person can decide the criteria for the adoption of a role model, some of which might include:

- Non-judgementalism (no criticism)
- Acceptance of you as you are (total love)
- Freedom to choose and make own mistakes
- Allowing you to move at your own pace
- Treat and respect you as a unique being
- Demonstrate boundaries
- Display openness and honesty with you always
- Respects your views even if disagrees with you
- Honesty (congruence of thought and deed)
- Being there for you, but not creating an unhealthy dependency
- Allows you freedom to make your own mistakes without judging you
- Non-quotter

Does this person exist in your life (or near enough)? If so, you are very lucky!

NEW ARRIVAL

■ The practice is delighted to announce that Dr James Cowling will be joining from August 2016.

He brings with him several years of experience of working as a GP, principally in Leicestershire. He and his wife Rebecca, who is also a GP, have moved to Lincolnshire to be nearer to their parents.

Dr Cowling's areas of specialist interest are ENT, Occupational medicine and digital healthcare. He is a GP trainer and supports junior doctors pursuing a specialist career in General Practice.

Dr Cowling is a clinical fellow at Imperial College London where he is researching the role that digital technology may have in the future of healthcare delivery.

INSPECTION

■ The practice was inspected by the Care Quality Commission (CQC) on April 28, 2016. The CQC will now produce their comprehensive

report on the practice which takes several weeks and once this is complete will be available on both the practice and CQC websites.

SHINGLES

■ Shingles, also known as herpes zoster, is a painful skin rash caused by the reactivation of the chickenpox virus (varicella-zoster virus) in people who have previously had chickenpox.

Who can have the shingles vaccination?

Between September 2015 and September 2016, the shingles vaccine is offered routinely as part of the NHS vaccination programme for people aged 70, 78 or 79.

You become eligible for the vaccine on the first day of September 2015 after you've turned 70, 78 or 79 and remain so until the last day of August 2016.

COMPETITION TIME

■ The summer months are always a busy time at the camera club, the good weather gets the members out and about taking pictures, getting stock images for competitions during the year and getting some fresh air also.

All photography is not easy as the members find out when they are set either subject for a competition or during the year they have time to find images for both the Chairs Challenge and the yearly competition. Both events are set to just push the members beyond their comfort level and hopefully to improve their photography in the process.

So if you like a challenge and are interested in photography, then get yourselves along to The Old School at Dunholme during the summer months and see what it's all about.

JUNE OFFERINGS

■ So on to June and we have just two meetings; the first will be on the ninth when we will have one of our LPA Battles (Lincolnshire Photographic Association).

This is a body that brings together like minded photographic clubs around Lincolnshire to have competitions against each other in this instance called a "Battle".

There are three rounds against other clubs in Lincolnshire and of course the clubs that get the highest points go into a final competition

later in the year. The second meeting will be on the 23rd, when we will be having an evening out at Saxby, where we will be visiting some gardens to get images for a couple of our competitions later in the year "Creative" and "Book Cover".

If you have an interest in the club just come along on a club night or get in touch.

SPRING LUNCH

■ The PDA Spring lunch held on April 22, raised the magnificent sum of £598 for PDA funds. A total of 89 tickets were sold and we hope that all who attended enjoyed their meal.

The cake, book and card stalls were well supported and the raffle made an amazing £249. Thank you to everyone involved in making the occasion so successful.

The winner of the spring bonnet competition was Mrs Comerford who will be receiving two tickets for the Christmas lunch.

NOT A COMPLETE WASHOUT

■ On Monday May 2, if you were around Welton village green, you may have seen a number of PDA committee members huddled under the canopy of the PDA plant stall.

Wet T-shirts and drowned rats spring to mind (rapidly followed by 'what am I doing here?').

What a day and how disappointing for all stall holders and the organisers after the brilliant day we all had last year.

We did, however, manage to raise £157.45 from the sale of plants, and added a further £35 from a stall Chris Jackson put outside her home on Ryland Road.

Thanks again to all those who supported us.

EBAY WATCH

■ Our Ebay sales are still showing a good profit for PDA funds. If you have anything you think may be saleable and would like to donate it us please get in touch with me.

FUNDRAISING

■ Our next big fundraising event will be the Autumn Fayre, to be held in Welton Village Hall on Saturday 22 October.

The raffle is always a large part of this event so please give generously when buying your tickets. I already have some very good prizes promised, but I am of course looking for more! More details of this event to follow.

DATES FOR YOUR DIARY

■ Autumn Fayre - October 22

Christmas Lunch - December 9

These events all take place in Welton Village Hall and further details will be in future magazines.

If you require any further information on any of the above don't hesitate to give me a call.
