ANOTHER meaty issue this month, with plenty to talk about once more, from the Sudbrooke Spring Show to the new Character Assessment of the village, news of which arrived at **Sudbrooke News** in the nick of time.

I have only managed a quick flick through of the in-depth publication, but it really is a comprehensive look at the village and, if nothing else, it is a great document to have in your possession, and something to look back on in years to come. A great time encapsulation of our area.

There were more terrific entries again at the Spring Show, from odd-shaped marrows, to massive leeks, to splendid flower arrangements, and the usual array of flans, scones and cakes.

Barbara Bingham completes her history of Sudbrooke, while the comments are in for the Best Kept Village competition, which we again failed to win or even get on the podium. Maybe next year.

I must also mention the Council Tax increase for next year due to an increase in the Precept (more info on page 9). A thing or two. **Dom**

Neighbourhood Plan

Your Village Your Voice

STOP PRESS!

A comprehensive Character Assessment of the History and Environment of Sudbrooke – commissioned by the Parish Council for Sudbrooke’s Neighbourhood Plan – illustrated with numerous, full colour photographs is now available on the website:

parishes.lincolnshire.gov.uk/Sudbrooke (Under the heading Neighbourhood Plan).

1 INTRODUCTION

SUDBROOKE RESIDENTIAL CORE (CHARACTER AREA 4)

S.135 Character Area 4 accommodates the majority of Sudbrooke’s population, it being the most densely developed area within the village and comprised exclusively of episodes of generalist modern, post-1920s, residential development.

S.136 Access into the residential core is facilitated by a number of routes that branch off from Southern Lane, namely West Drive, Manor Drive, Holme Drive and St Edward’s Drive. As noted in the previous analysis of Character Area’s 2 and 3, most of these routes meet Southern Lane in an understated manner and are subservient to the dense roadside planting which characterises much of the eastern edge of Southern Lane. However, the entrance to Holme Drive represents the one key exception to this rule. Here, Jubilee Garden, a prominent and attractive open space marks the point where Holme Drive meets Southern Lane creating a particularly memorable and distinct moment within Sudbrooke’s townscape (Fig. 102).

Fig. 102. The entrance into Holme Drive is marked by Jubilee Garden, which is of Sudbrooke’s most memorable and engaging public spaces.

Fig. 103B. The Millennium Stone is a large Jurassic aged sandstone boulder originating from the Incestonian World, which was transported to Sudbrooke more than 300,000 years ago by a massive ice-sheet. It now stands within Jubilee Gardens where it acts as a unique piece of public art.

ANYONE with an interest in our village should check out this 132-page document, as it goes into great detail about the make-up of Sudbrooke.

Every facet of the village is listed, with a variety of colour pictures, detailed graphics, numerous descriptions of the various points of reference within Sudbrooke, and more.

It may take a fair few minutes to wade through, but it makes for fascinating reading.

PARISH COUNCIL REPORT

Brief report of meeting held on September 1, 2016

■ **Tree cutting around Village Hall car park** - A quotation was approved for the trimming back of the trees around the car park.

■ **Play equipment** - The play equipment at the Village Hall at the time of the meeting was being painted and is now finished.

■ **Goalposts** - A request had been made by a junior resident for the Parish Council to provide some football goalposts. Prices had been sought and the Clerk will apply for a grant to cover the cost.

■ **Provision of play equipment for older children** - A request had been made for the provision of a zip wire. Members, whilst accepting this would be fun for older children, raised concerns and the Clerk was asked to check with the insurance company what restrictions they might impose on it if provided.

■ **Footpaths in village** - Notification has been received from Lincolnshire County Council Highways Department that all slurry sealing previously planned for our area has been postponed until the next financial year.

■ **Precept 2017/18** - The Parish Council want to bring to the attention of residents that the Precept for next year will have to be increased substantially, resulting in an increase in residents' Council Tax.

As reported in previous meetings minutes, Lincolnshire County Council have advised that as a result of further budget cuts, they will cease from April 1, 2017 to pay for amenity grass cutting of verges around the village. Last year the grant awarded to Sudbrooke Parish Council was £2,275 which was a substantial amount towards the grounds maintenance cost of £3,844 for the year.

The Parish Council has already resolved to have 10 cuts instead of the usual 13, but there will still be a significant difference. It is hoped that this will not reduce our standards in the village and will be kept under review.

The Parish Council has also been advised by the Director of Resources at West Lindsey District Council that as the District Council is making plans to tackle a funding reduction in excess of £2m pounds it will be making some difficult decisions. One decision it is considering is the removal of the support provided to parishes around Local Council Tax Support Grant. For Sudbrooke this is an impact of £612.17 for 2017/18. Again, if this is withdrawn it will need to be included in the Precept.

Based on the above figures the additional amount required results in an increase of £4.12 per household. This is before any percentage rise in the normal budget headings such as insurance **Sudbrooke News** printing, salaries, play equipment maintenance etc. and of course excluding the County Council, Police and West Lindsey District Councils' increases.

Your Parish Council will continue to do its best to work to keep the increase as low as possible, but wants residents to be aware of the reasons for increase.

■ **Date of next meeting** - Thursday 6 October 2016, 7.30pm in the Village Hall, Scothern Lane. Residents are very welcome to come along and make comments/share views at the start of the meeting under 'Parishioners Items'. Agendas for the meetings are displayed in the village notice boards and on the village website.

■ **Christmas Tree Event/Switch on - Diary date:** November 27, 2016.

AUTUMN SHOW REPORT

Our two Judges, Barry and Margaret Reeves, were particularly impressed with the quality of entries this year.

Between them they had to judge a total of 167 exhibits, ranging from giant leeks to sumptuous soft fruits, beautiful flowers and a mouth-watering array of home cooking and preserves, as well as the excellent exhibits in the handicraft and photography categories.

Prizes were awarded as follows:

Classes 1-16 (Vegetables and Fruit)

Winner John Whitaker
Runner-Up Mike Halliday

Classes 17-31a (Flowers/Pot Plants, Flower Arrangement & Miscellany)

Winner Iris Whitaker
Runner-Up Jenny Rose

Classes 32-39

(Cookery, Handicraft and Photography)

Winner Iris Whitaker
Runner-Up Jenny Rose

Other adult individual class winners were Coral Evans, Peter Heath, Angela Gould, Margaret Halliday and Janet Stocker.

Overall Winner on Points (Gibson Trophy)

Awarded to John Whitaker

Best Horticultural Exhibit in Show

John Whitaker for his three exhibition leeks.

Juniors: (Something Grown/Made/Cooked/Painted or Drawn about Autumn)

Winner Vaughan Whitaker
Runner-Up Imogen Fragle

Both Vaughan and Imogen's cookery exhibits were highly praised by our Judge. The hedgehog house which Vaughan had worked on as his

summer holiday project was instigated by his observation of hedgehogs in his grandparents' garden.

Our grateful thanks to all exhibitors and to those Gardening Club members who provided assistance in various capacities in order that the event ran smoothly.

VILLAGE HANGING BASKET COMPETITION

Prior to the presentation of Show prizes, we extended a warm welcome to Mandy from Scothern Nurseries, who are our sponsors.

This year's winner was Susan Neighbour of 14 Manor Drive for her stunning display of trailing petunias, but unfortunately she was unable to attend on the night to receive her prize and the Bernard Whaler Memorial Trophy.

The runners-up prize was presented to Ruth and Bruce Berridge of 11 Chestnut Close for their very colourful basket of mixed flowers - selected by Bruce and planted and cared for by Ruth. Mandy congratulated them both on a very well structured and colourful display.

Now is the time to start selecting and planting those spring bulbs in readiness for the 2017 Village Spring Show - which leads to the details of our Autumn Speaker Evening:

BULBS GROWN IN POTS - by Paul Maxey of Scothern Nurseries, Monday, October 20 at 7.30pm in the Village Hall

This meeting is open to all residents, families, friends and fellow gardeners - there is an admission charge of £3.50 per adult which includes tea/coffee and biscuits. A raffle will also be held - plus a mystery prize will be presented to a lucky member of the audience on the night.

A warm welcome is extended to you all and we look forward to welcoming you on the night. If you require any further information, please contact John and Iris Whitaker on Lincoln 751198.

NEW BRIDGE ALERT!

IT'S not every day that a new bridge is built in Sudbrooke, but there has been one constructed down Poachers Lane across the brook for the new six-house development currently taking shape.

An archaeological survey was undertaken in the area before work started on the project, but sadly nothing of any importance was found there.

TAKING A WALK IN THE COUNTRY

With Mike Halliday

01522 754686

SEPTEMBER WALK

■ Eight walkers set off in good weather from Ingham village through the surrounding countryside aiming for a welcome break at St. Edith's Church in Coates.

When we arrived, staff from Radio Lincolnshire were in attendance questioning the church warden Pauline Organ about the wonderful history of this Norman church.

When the radio folk had left, Pauline gave us an impromptu and fascinating talk about the artefacts and characters associated with the church. She also invited us to the church Christmas carol service!

OCTOBER WALK

■ We plan to do the postponed coastal walk following a circular route from just north of Mablethorpe. The walk is approximately seven miles.

A tea and coffee break at a country pub is planned, as well as a late fish and chips lunch after the walk is completed.

Because of the walk location, the return to Sudbrooke is likely to be late afternoon.

Walkers should meet at the village hall at 9.30am.

Walkers are advised to take a waterproof coat, wear suitable footwear, bring a drink and a snack.

Everyone is welcome to join us.

CHURCHYARD FOCUS

■ I have been in ministry now for 10 years. During that time I guess that the thing I learn again and again, is that churchyards and the care of them, generate a great deal of emotion.

That is probably an obvious statement because of what they represent - for many families they mark a continuing relationship with someone who is no longer with them. I am struck often by the number of people I see who visit a particular churchyard almost daily - at their best they are places of solace and quiet, places of order in what sometimes feels like the chaos of bereavement.

I have eight churchyards in my care: in Sudbrooke, the Parish Council kindly pay for the cutting and mowing of the area, and we have kind neighbours who have recently done an awful lot to improve the environment. Over the next few weeks we should have a fair amount of maintenance work done on the trees. Ultimately jurisdiction in the churchyard is the task of the Church PCC (Parochial Church Council), along with me as the Vicar.

Churchyards have regulations. Why do we need regulations? Well, the reason is that, like our churches, churchyards form part of our heritage as a community. We are trustees of what we have received from earlier generations. So it is our duty for the sake of generations to come, and for relatives of those

who have died and who are buried in a churchyard, to preserve the churchyard's distinctive character as a resting place for the deceased.

Some of the regulations are set to make maintenance of the churchyard easier, some are there to provide a uniformity, others are to ensure that nothing is planted which is likely to cause disturbance to the ground, and that one gravespace does not encroach on the next.

One common difficulty is that often small objects are left on gravespaces - the difficulty is that these can be damaged when the ground is mown. Imagine the difficulty from the gardener's perspective - no-one wants to offend - but trying to avoid hitting objects with a mower or a strimmer is really difficult.

Honestly, one of the things we have not been great at, is communicating what the regulations are and so we are developing a simple leaflet that sets them out - they are set by the Chancellor of the Diocese of Lincoln - so watch this space. I hope that they will be finished by the end of October.

I am grateful for all those who keep an eye on these areas and alert us to any difficulties and concerns. These are community spaces, but we have to work within given boundaries and I hope that people feel able to receive what will be set out in our new leaflet. They will not divert from regulations set by our Diocese - but will be put more succinctly.

A HISTORY OF SUDBROOKE

Part 2

With Barbara Bingham

THE STORY CONTINUES

■ Sudbrooke first came to prominence in 1780 when Richard Ellison finished building his country mansion, Sudbrooke Holme.

It was passed down through the Ellison family (most of them named Richard) to Richard Ellison (1788-1859). He was a local patron, supporting a dame school in Sudbrooke as well as building a school in Scothern in 1838.

Among the generous bequests in his will he left £2000 for the rebuilding of the brick church in Sudbrooke. The new church, dedicated to Saint Edward the Confessor, was designed and built in 1860-62 by John Dobson of Newcastle-upon-Tyne, in the Norman Revival style.

It is an almost exact copy of Steetley Church, a beautiful Norman Church, situated on the Derbyshire borders, which was built in about 1150 or 1160...

Sudbrooke Church is a Grade II* listed building with a distinctive, vaulted apse, nave and chancel. At the west end are two limestone slabs, one to Jayne Beresford d.1678 and another for Arabella Beresford d.1720, as well as a carved coat of arms.

An interesting feature of the church is the high quality of the stone carving, including many grotesque heads and crisp chevron designs around the pillars, reminiscent of those in Durham Cathedral.

Around the door is an array of fierce-looking 'beak-heads' protecting the sanctity of the church. Similar 'beaks' can be seen on the Norman front of Lincoln Cathedral, and are not uncommon on the Continent.

The Holme passed down through the family to Coningsby Charles Sibthorpe and from the late 1800s to the early 1900s he spent vast sums of money improving the gardens and grounds.

The base of Sudbrooke Holme still remains although the house was demolished in 1928. There is evidence of ornamental groundworks that once included Ornamental Lakes and Italian Gardens, although the remains of the stone pergola are badly damaged.

Other remnants of the Holme include a brick pump house with a glass dome, an icehouse, and a gashouse, innovative for the period, was

used to supply gas to the Hall. Stone steps leading down to what was once a lake, opposite the modern bungalow, can still be seen as can a Haha erected in c. 1907 to ensure an open view from passing carriages.

There are also curved features that once bounded an ornamental pond to the north and south of the site respectively.

The Garden House (still extant) originally with potting sheds, and glasshouses, had sophisticated heating and watering systems. An Arboretum graced the Hall and 'living reminders of the former grandeur of Sudbrooke Holme are the surviving specimen trees such as Holm Oaks, Beeches, Ashes, Wellingtonias, Limes, London Planes, Chestnuts, and Cedars of Lebanon'.

The original drive to the Hall has been demolished but the Lodge, next to the modern garage, still survives. The English Heritage Grade II listed ornate gates and stone piers and Lodges that mark the second entrance to Sudbrooke Holme were first erected in 1910 to complement the nationally acclaimed gardens and grounds. The nearby bridge built in 1907 is also listed.

Several Estate houses, in a fairly consistent style, were built in Sudbrooke and are still inhabited today. They were originally erected to accommodate staff, and have plaques with the initials CCS (Coningsby Charles Sibthorpe) and dates ranging from 1891-1913. Among them are The Old Coach House that was converted to a house in the 1920s, together with the remains of another coach house, sadly decayed.

During the Second World War the Park become home for troops, and later Polish barracks; the foundations of the billets are still visible. To the west of the village there appears to have been a searchlight battery at some point during the Second World War. In

the 50s, the Territorial Army occasionally used the huts.

There was small-scale development during the inter war years (1920s/30s), mainly the construction of larger villas along Wragby Road and Scothern Lane, but very little in the 40s. Development increased in the early 50s/60s (in St Edwards Drive), when the population doubled, again in the early 70s (in Holme Drive), and more so in the late 70s up to the present day when the population has increased exponentially.

If you have any other interesting material about Sudbrooke past and present please let me know. May we treasure the past and continue to create a good future for the village.

REFLECTION CORNER

Where Sudbrooke residents can share their thoughts on life and living

ALEC C. CARROTTE ON LONELINESS

According to recent research, two key findings were:

- Loneliness is an increasing phenomenon which peaks at three key stages in our lives, namely at 30, 60 and 80.
- Britain has become the loneliness capital of Europe

But what do we understand by the term loneliness? When consulting the Collins Dictionary and Thesaurus we are presented with a somewhat problematic definition (ie) "unhappy as a result of being without companions, alone, isolated, desolate, solitary, forlorn-ness, desertedness, seclusion".

This difficulty in establishing a meaning of loneliness is endorsed by Romeo Vitelli in his book 'Loneliness across the lifespan' when he states: "Even defining loneliness can be hard, since it often occurs at different times and for different reasons".

This problem of defining 'loneliness' is highlighted even further when we look at potential causes and ask ourselves various key questions:

- Do we need to 'be alone' in order to be labelled lonely or can we be lonely in a group?
- Are we in this state by choice (ie) happy with one's own company?
- Have we yet to meet like-minded people with the same values as ourselves?
- Do we simply not like other people?
- Do we prefer being a private person?
- Were we born an 'only child' and that is how we have learned 'to be'?
- Did we feel abandoned as a child either physically or emotionally?

- Do we lack 'relationship-forming skills'?
- Are we shy?
- Are we not attractive to others?
- Do we have too many qualities or assets that make people wary of us?
- Have we been rejected by others and do not wish to repeat the pain?
- Do we lack the image that helps us to 'fit in' with a group?
- Do we lack the requisite qualities or assets that deny us entry into a group?
- Do we feel inadequate when mixing with others?
- Are we too fussy when choosing company?
- Are we too busy to make contact with others on an individual or group level?
- Is it the lack of opportunities to meet people?
- Do we constantly move area for our employment?
- Do we 'work at' sustaining current relationships?
- Do we live in a self-obsessed society with no time for the needs of others? (ie) is it that our society has greatly changed and we are the victims

As can be seen from the above notes, loneliness is a complicated 'state of being'. However, whatever the cause- if we feel lonely, then we are lonely (ie) it is real to the individual and unless addressed can lead to much physical and mental pain.

Finally, we need to ask ourselves, why have we been labelled the loneliness capital of Europe? (Is Brexit an example of our desire as a nation to be recognised as 'loners'?).

SIGNS OF LIFE FOR THE VILLAGE SHOP?

THE vacant local store has now gone on the market with estate agents Pygott & Crone and despite - at the time of going to press - only being put up for commercial let with them around two weeks ago, they have reported "significant interest" in the property already, a property which is being valued at £15,000 per annum.

Could there finally be a happy ending in prospect for the shop? Watch this space....

FLU CLINICS

■ Our Flu Vaccination clinics have now commenced and will continue to run periodically until the middle of November.

Influenza is a virus causing a lung or respiratory infection. While for most people it is only an unpleasant illness that should pass in about a week, it can cause serious complications, particularly in young children and older adults.

Getting a flu vaccination is the most effective way to stop you catching flu and passing it on to others. Vaccination is available for patients who fit one of the criteria listed below:

- Pregnant (at any stage of the pregnancy)
- Children aged 2, 3 or 4 years of age (the vaccination is delivered via nasal spray rather than injection)
- A carer (If you are the main carer for an elderly or disabled person, their well-being could be placed at risk should you fall ill)
- Aged 65 years or over
- Aged six months and over and suffer from any of the following conditions:
 - ▶ Chronic respiratory disease
 - ▶ Chronic heart disease
 - ▶ Chronic kidney disease
 - ▶ Chronic liver disease
 - ▶ Chronic neurological disease
 - ▶ Diabetes
 - ▶ Immunosuppression

You can book an appointment either online (if you have registered to use the online system)

via the practice website or by contacting the practice by telephone after 10.30am any day.

MONTHLY EARLY CLOSURES FOR TRAINING

■ In order to enable our doctors and staff to be kept up-to-date, the surgery will be closed for training at 1pm on the following afternoons. Tuesday 18 October - Tuesday 15 November.

AUTUMN FAYRE

■ By the time you receive this newsletter there will be less than three weeks to our Autumn Fayre on Saturday 22 October.

The doors will open at 2pm, but if you come early you can try to calculate how many balloons are in the car near the entrance. There will be two prizes for the nearest guess, one for adults and one for ages 11 and under. Please spare a thought for those who have been chosen to blow up the balloons!

We are still looking for bric-a-brac, tombola items, anything for the bottle and glass stall and bottles of wine for the wine or water stall, books and CDs. Bric-a-brac can be brought to the village hall on the day after 9.30am or collection can be arranged.

All the tables have now been booked and there is a waiting list for cancellations. We have a number of new stalls this year including Candles, Arts and Crafts, Cards and Memory Books, Chilli Sauces, Wood Turnings, Bean Bag Cushions, Paintings and Knitted Goods, Recycled Jewellery and Textiles and Paper Craft. In fact something for everyone and I apologise if I've left anyone out! Why not buy early for Christmas? There are also charity stalls for St Barnabas Hospice and The Breast Care Group.

Raffle tickets are on sale at the Health Centre dispensary, Taylors Pet Foods and the Paper Shop in Welton and from all PDA drivers and Committee members. We will be at the surgery on the 'flu injection days which are planned for Saturday 8 October. Please bring some money with you!

At the time of writing we have over 30 prizes promised and you have to be 'in it to win it'.

We have had a number of items donated recently for sale on ebay so thank you to all who have responded to our appeal. If you have anything you think might be saleable that you would like to donate please get in touch.

AGM

■ The PDA AGM will be held on Thursday 27 October, starting at 7.30pm in the Health Centre waiting room.

There will be a short business meeting during which the committee for the forthcoming year will be elected.

The various areas of the PDA, Financial, transport, fund raising etc will each present a short report of the previous 12 months business and the audited accounts will be available for anyone to view.

We then have a short talk which this year will be given by Dr Howard and the evening ends with tea/coffee and biscuits.

It would be really good to see a few, or even a lot, of you there to show your support. The Committee works very hard in the background providing support to the Practice and we would welcome you to our AGM. The meeting usually lasts around two hours.

CHRISTMAS LUNCH

■ Looking ahead still further, we have just heard that the Welton St Mary's School Choir have agreed to sing at our Christmas lunch on December 9.

Further details in the next magazine. Tickets for the lunch will be available from the week in November and always sell out quickly.

You can reserve them in advance to avoid disappointment.

DIARY DATES

■ Autumn Fayre - October 22. Doors open at 2pm.

■ Christmas Lunch - December 9. These two events will take place in Welton Village Hall.

LATEST UPDATE

■ Well firstly I hope that you all had a good summer, enjoyed your holidays (those that managed to get away) and managed to get some good memories with your cameras?

If so why not come down to the camera club and share your photographic experiences with us?

We meet every fortnight at The Old School Centre in Dunholme and the meeting dates are always placed into your parish magazine so that you know where we meet and our contact details if you want to get in touch.

Moving into the darker colder nights in October, we have three meetings with the first being on October 6, when we will have our "Panel of 3" competition.

This is where the members are asked to produce a panel of three mounted prints that have a photographic link, this competition has been set so that the members are able to have a go at a club "Panel" competition prior to the Lincolnshire Photographic Association Panel competition which takes later in the year.

The second meeting in the month will be on the 13th when the members will be getting into "Spooky" things? An early Halloween evening in and around the church area at Dunholme creating spooky images ready for competitions in the future, cameras and tripods at the ready!

Finally on the 27th, we have the last of our Photographer of the Year competitions at the club room entitled "Express Yourself".

This is a creative competition where the members can let their minds roam free and create the unusual, so what will we see?

Hopefully some stunning images from the members.

Want to join us on the dark nights? Contact me - details above - or visit our website at www.dunholmecameraclub.co.uk.

DOORSTEP CRIME

Lincolnshire Police in partnership with Trading Standards are working to raise awareness in the county about Doorstep Crime. This covers Distraction Burglaries and Rogue Traders.

Neighbourhood Policing Teams throughout the county are holding coffee mornings, "meet the street", lunch clubs and other engagement events throughout the week.

Neighbourhood Watch coordinators across the county have also got involved in raising awareness and are holding their own events and distributing advice.

Although these crimes are infrequent, the impact of them on the victims can have serious consequences as they are often targeted at the elderly and vulnerable members of our communities.

"I'm from the Water Board, there's a leak down the road. I need to check your water supply."

If someone came to your door and said that - what would you do? This is one of the most common lies used. Do you know that the term "Water Board" is no longer used by legitimate callers? If this happens for real don't open the door. Even if they insist it's an emergency. Contact your water supplier, their number can be found on your water bill.

If they continue to insist you open the door, tell them you're going to call the police on 999 - and do it.

Other lies they use to convince you to let them in: "I need to read your meter"

Check their identity before you let them in. Call your gas, electricity or water company direct using the number from a recent bill.

We are the Police, we've caught a burglar, we think he's stolen your cash and we need to check your money is safe"

Genuine Police Officers will never do this. Call the real Police straight away on 999.

Not Sure? Don't Open The Door!
